

Chapter PSC 163**INSTALLATION TELEPHONE EXCHANGE SWITCH-
BOARDS, SWITCHING CONTRACTS**

PSC 163.01 Switchboard installation
PSC 163.02 Switching agreements

PSC 163.01 Switchboard installation. After June 1, 1932, no telephone company operating in the state of Wisconsin, except class A and class B companies, shall install any telephone exchange switchboard without first securing the approval of the public service commission.

PSC 163.02 Switching agreements. After June 1, 1932, no telephone company operating in the state of Wisconsin shall enter into any arrangement or agreement for the switching of telephone calls at any exchange where the switching service covered by the proposed agreement is not already being performed, without first securing the approval of the public service commission.
