

customary business collection procedures, claims settlement and salvage activities and other business activities totally unrelated to the solicitation of business for which a charge is made.

(g) Providing, or offering to provide, either directly or indirectly, a "compensating balance" or deposit in a lending institution either for the express or implied purpose of influencing the extension of credit by such lending institution to any such person, or for the express or implied purpose of influencing the placement or channeling of title insurance business by such lending institution. This shall not be construed to prohibit the maintenance by a title insurer of such demand deposits or escrow deposits as are reasonably necessary for use in the ordinary course of business of such title insurer.

(h) Paying, or offering to pay, the fees or charges of an outside professional (e.g., an attorney, engineer, appraiser, or surveyor) whose services are required by any such person to structure or complete a particular transaction.

(i) Paying, or offering to pay, all or any part of the salary of any employe of any such person.

(j) Paying, or offering to pay, any fee to any such person for any services unless such fee bears a reasonable relation to the services performed.

(k) Paying for, or offering to pay for, services by any such person which services are required to be performed by such person in his capacity as a real estate or mortgage broker or salesperson or agent.

(l) Furnishing or offering to furnish, or paying or offering to pay for, furniture, office supplies, telephones, equipment or automobiles to any such person, or paying for, or offering to pay for, any portion of the cost of renting, leasing, operating or maintaining any of the aforementioned items. Marketing and title insurance promotional items clearly of an advertising nature of token or nominal value, or supplies such as title insurance application blanks and related forms are not within the purview of this prohibition provided they are made available to all such persons on the same terms and conditions.

(m) Paying for, furnishing, or waiving, or offering to pay for, furnish, or waive, all or any part of the rent for space occupied by any such person.

(n) Renting, or offering to rent, space from any such person, regardless of the purpose, at a rent which is excessive when compared with rents for comparable space in the geographic area, or paying, or offering to pay, rent based in whole or in part on the volume of business generated by any such person except for a bona fide percentage lease based on the total volume of receipts of the title entity when the services of that title entity are offered from that location to the public generally.

(o) Paying for, or offering to pay for, gifts, vacations, business trips, convention expenses, travel expenses, membership fees, registration fees, lodging or meals on behalf of any such person, directly or indirectly, or supplying letters of credit, credit cards or any such benefits to any such person for any purpose whatsoever. This prohibition is directed at prohibiting special favors to certain customers. It is not intended to preclude reasonable and customary business entertainment and trade association activities and expense

incurred by the title insurer in the course of marketing its products and services. Moderate expenditures for food, meals, beverages and entertainment may be made, if correctly claimed and properly substantiated as a legitimate business expense.

(p) Paying for, or offering to pay for, money, prizes or other things of value for any such person in any kind of a contest or promotional endeavor. This prohibition applies whether or not the offer or payment of a benefit relates to the number of title orders placed or escrows opened with a title insurer or group of such insurers. It does not apply to offers or payments to trade associations, charitable or other functions where the thing of value is in the nature of a contribution or donation rather than a business solicitation.

(q) Paying for, or offering to pay for, any advertising concerning the title insurer which is to appear in a pamphlet, magazine, brochure, or any other advertising material promoted or distributed, with or without cost by any such person. Examples of this kind of advertising material are advertisements appearing in newsletters distributed by real estate brokers, tract brochures issued by land developers or builders, or jointly sponsored promotional magazines. This prohibition does not apply to brochures or other promotional items of the title insurer used in the marketing of its own products, to advertising in trade media or other media not promoted or solicited by such persons, nor to other forms of advertising provided the expected benefit to be derived from customers generally is fairly equivalent to the expense incurred.

(r) Paying for or furnishing, or offering to pay for or furnish any brochures, billboards, or advertisements of such persons, products or services appearing in newspapers, on the radio, or on television, or other advertising or promotional material published or distributed by, or on behalf of, any such person.

(5) PENALTY. Any violation of this rule shall subject the title insurer to the penalties and forfeitures provided by section 601.64, Wis. Stats.

(11) **ASSESSMENTS AND PARTICIPATION.** (a) In the event that sufficient funds are not available for the sound financial operation of the Plan, and pending recoupment pursuant to section 619.01 (1) (c) 2., Wis. Stats., all members shall, on a temporary basis, contribute to the financial needs of the Plan in the manner prescribed in paragraph (b). When such assessment contribution is recouped, it shall be reimbursed to members as their total share of the assessment contribution bears to the aggregate outstanding contributions.

(b) All members of the Plan shall participate in all premiums, other income, losses, expenses, and costs of the Plan in the proportion that the premiums written of each such member [excluding that portion of premiums attributable to the operation of the Plan and giving effect to any assessment credit plan under subsection (8) (h)] during the preceding calendar year bears to the aggregate premiums written in this state by all members of the Plan. Each member's participation in the Plan shall be determined annually on the basis of such premiums written during the preceding calendar year, as reported in the annual statements and other reports filed by the member with the commissioner of insurance.

(12) **RATES, RATE CLASSIFICATIONS, AND FILINGS.** Rates, rate classifications, and filings for coverages issued by the Plan shall be generally subject to chapter 625, Wis. Stats., and specifically shall meet the requirements of sections 619.01 (1) (c) 2., 619.04 (5), 625.11, and 625.12, Wis. Stats. Rates and rate classifications shall not discriminate on the basis of the insured's sex, marital status, race, color, creed or national origin. Information supporting the rates and rate classifications filed with the commissioner shall be made a part of such filing. Rates, rate classifications and filings shall be developed in accordance with the following standards or rules:

(a) **Rates.** 1. Rates shall not be excessive, inadequate or unfairly discriminatory.

2. Rates shall be calculated in accordance with generally accepted actuarial principles, using the best available data and shall be reviewed by the board of governors at least once each year.

3. Rates shall be calculated on a basis which will make the Plan self-supporting and shall be presumed excessive if they produce a long run profit or surplus for the Plan over losses and expenses, and loss reserves (including contingency reserves).

4. Any deficit incurred by the Plan in any one year shall be recouped by rate increases applicable prospectively, or any surplus over the loss reserves of the Plan in any one year shall be distributed by rate decreases applicable prospectively.

5. Rates shall reflect past and prospective loss and expense experience in different areas of practice.

6. Wisconsin loss and expense experience shall be used in establishing and reviewing rates to the extent it is statistically credible supplemented by relevant data from outside the state; relevant data shall include, but not be limited to, data provided by other insurance companies, rate service organizations or governmental agencies.

7. Loss and expense experience used in determining initial or revised rates shall be adjusted to indicate as nearly as possible the loss and expense experience which will emerge on policies issued by the

Plan during the period for which the rates were being established; for this purpose loss experience shall include paid and unpaid losses, a provision for incurred but not reported losses, and both allocated and unallocated loss adjustment expenses and consideration shall be given to changes in estimated costs of unpaid claims and to indications of trends in claim frequency, claim severity, and level of loss expense.

8. Review of rates for the Plan shall begin with the experience of the Plan, supplemented first by Wisconsin experience of coverage provided by other insurers, and then, to the extent necessary for statistical credibility, by relevant data from outside the state.

9. Information supporting the rate filing shall indicate the existence, extent and nature of any subjective factors in the rates based on judgment of technical personnel, such as consideration of the reasonableness of the rates compared to the cost of comparable coverage where it is available.

10. Expense provisions included in the rate to be used by the Plan shall reflect reasonable prospective operating expense levels of the Plan.

11. All accumulated net income, including investment income under the Plan, shall be used to modify the indicated rates promulgated in accordance with the foregoing criteria.

12. Provision may be made for modification of rates for individual risks in accordance with rating plans or surcharge schedules which establish reasonable standards for measuring probable variation in hazards, expenses, or both.

(b) Classifications. 1. Classifications shall reflect past and prospective loss and expense experience in different areas of practice.

2. Classifications shall be established which measure to the extent possible variations in exposure to loss and in expenses based upon the best data available.

3. Classifications shall include recognition of any difference in the exposure to loss of semi-retired or part-time professionals.

4. Classifications shall to the extent possible reflect past and prospective loss and expense experience of risks insured in the Plan and other relevant experience from within and outside this state.

5. Classification schedules may provide for modification of rates for individual risks in accordance with rating plans or surcharge schedules which establish reasonable standards for measuring probable variations in hazards, expenses, or both.

6. Classifications shall be reviewed by the board of governors at least once each year.

(c) Filings. 1. All filings of rates, classifications and supporting information of the Plan and all changes and amendments thereof shall be filed with the commissioner within 30 days after they become effective.

2. These filings shall be open to public inspection during the usual business hours of the office of the commissioner of insurance.

(13) **VOLUNTARY BUSINESS - CANCELLATION AND NONRENEWAL.** Any member cancelling or not renewing voluntarily written health care liability insurance covering any risk eligible under this Plan shall inform the policyholder of the availability of insurance under the Plan. Any such notice of cancellation or nonrenewal shall allow ample time for application to the Plan and for the issuance of coverage. A copy of such cancellation or nonrenewal notice shall be filed with the office of the commissioner of insurance.

(14) **PLAN BUSINESS - CANCELLATION AND NONRENEWAL.** (a) The Plan shall not cancel or refuse to renew a policy issued under the Plan except for:

1. Nonpayment of premium; or
2. Revocation of the license of the insured by the appropriate licensing board.

(b) Notice of cancellation or nonrenewal under paragraph (a), containing a statement of the reasons therefor, shall be sent to the insured with a copy to the Plan. Any cancellation or nonrenewal notice to the insured shall be accompanied by a conspicuous statement that the insured has a right of appeal as provided in subsection (16).

(15) **COMMISSION.** Commission to the licensed agent designated by the applicant shall be \$125.00 for each new or renewal policy issued to medical or osteopathic physicians; \$15.00 for each new or renewal policy issued to podiatrists or nurse anesthetists; and 5% of the annual premium for each new or renewal policy issued to operating cooperative sickness care plans, or to teaching facilities for medical or osteopathic physicians, or to hospitals, or to health care facilities owned and operated by a political subdivision of the state of Wisconsin, not to exceed \$2,500.00 per policy period. The agent need not be licensed with the servicing company.

(16) **RIGHT OF APPEAL.** Any affected person may appeal to the board of governors within 30 days after notice of any final ruling, action or decision of the Plan. Decisions of the board of governors may be further appealed in accordance with chapter 227, Wis. Stats.

(17) **REVIEW BY COMMISSIONER.** The board of governors shall report to the commissioner the name of any member or agent which fails to comply with the provisions of the Plan or with any rules prescribed thereunder by the board of governors or to pay within 30 days any assessment levied.

(18) **INDEMNIFICATION.** Each person serving on the board of governors or any subcommittee thereof, each member of the Plan, and the manager and each officer and employe of the Plan shall be indemnified by the Plan against all cost, settlement, judgment, and expense actually and necessarily incurred by him or it in connection with the defense of any action, suit, or proceeding in which he or it is made a party by reason of his or its being or having been a member of the board of governors, or a member or manager or officer or employe of the Plan except in relation to matters as to which he or it has been judged in such action, suit, or proceeding to be liable by reason of willful or criminal misconduct in the performance of his or its duties as a member of such board of governors, or a member or manager or officer or employe of the Plan. This indemnification shall not apply to

any loss, cost, or expense on insurance policy claims under the Plan. Indemnification hereunder shall not be exclusive of other rights to which the member, manager, officer, or employe may be entitled as a matter of law.
