Register, July, 1978, No. 271

- (4) Entrepreneurs, promoters, sponsors or managers of an amusement, entertainment or recreational event shall be regarded as retailers for the purposes of section 77.51 (7) (c), Wis. Stats., if said entrepreneurs, promoters, sponsors or managers have control and direction of the event including activities such as controlling the sale of admissions or admission tickets; controlling or regulating the admittance of all persons to the event or place; determining the nature of the amusement, entertainment or recreation to be offered; deciding the scale of prices to be charged for admission; receiving the proceeds from ticket sales, including amounts from ticket agents or brokers; and deciding, or having the right to decide, the disposition of the net profits, if any, realized from the event.

- (2) DISCLOSED PRINCIPAL. (a) Gross receipts from the sale of tangible personal property made by a person with possession of the property, who is acting for a known or disclosed principal, are taxable to the principal if the principal is engaged in the full or part-time business of selling tangible personal property. If the principal fails to pay the tax, the agent may be liable for it.
- (b) A principal shall be deemed disclosed to a purchaser only when the evidence shows that the identity of the principal is made known to the purchaser at the time of the sale, and when the name and address of the principal appear on the books and records of the agent.
- (3) Enforcement of liens. Pawnbrokers, storage persons and others selling tangible personal property to enforce a lien are retailers with respect to such sales and tax applies to the gross receipts from such sales.
- (4) Repossessions. Repossessions of tangible personal property by a seller from a purchaser when the only consideration is cancellation of

the purchaser's obligation to pay for the property is not a taxable transaction. However, sales at retail of repossessed property (e.g., by finance companies, insurance companies, banks and other financial institutions) are taxable sales.

Note: The interpretations in this rule are effective under the general sales and use tax law effective September 1, 1969.

- (b) If the tax on sales to veterinarians is not collected by a supplier (for example, because the supplier is located out-of-state and is not required to be registered with the department), the veterinarian shall be responsible for and shall report and pay a use tax on such purchases directly to the department.

History: Cr. Register, August, 1976, No. 248, eff. 9-1-76; am. (2) (a), Register, January, 1978, No. 265, eff. 2-1-78.

- Tax 11.62 Barbers and beauty shop operators. (section 77.51 (7) (i) and 77.52 (2) (a) 10, Wis. Stats.) (1) Nontaxable sales and services. (a) Barbers and beauty shop operators are engaged primarily in a service occupation and charges for services on human beings shall be exempt from the sales tax.
- (b) Barbers and beauty shop operators shall not be required to register as retailers with the department if their gross receipts from sales of tangible personal property or taxable services are \$1,000 or less within a

Wisconsin based on an order received from an unregistered out-of-state seller (who had received the original order from the Wisconsin purchaser), the manufacturer shall report the Wisconsin tax measured by the retail selling price. However, a Wisconsin manufacturer may drop ship an item to a purchaser in Wisconsin without the tax being applicable, if the purchaser is entitled to purchase the property without tax and gives the manufacturer a properly completed exemption certificate.

- (2) TAXABLE TRANSPORTATION CHARGES. (a) When a seller charges a purchaser for the delivery of taxable tangible personal property, the seller's total charge, including any transportation charge, shall be subject to the sales or use tax. It is immaterial whether delivery is made by the seller's vehicle, a common or contract carrier, or the United States postal service.
- (b) An example of the correct computation of the tax when a seller charges the purchaser for delivery of the taxable tangible personal property follows:

Selling price of merchandise Delivery charge	\$100.00 10.00
Subtotal	$\frac{10.00}{\$110.00}$
Tax at 4% (\$110 x 4%)	4.40
Total	\$114.40

- (c) If a shipment includes both taxable and nontaxable property, the seller shall determine and set forth on the invoice the portion of the delivery charge resasonably allocable to the taxable property. The portion allocated to nontaxable property is not taxable. If no such allocation is made, the total delivery charge shall be taxable.
- (d) A Wisconsin purchaser who purchases taxable goods without tax for use in Wisconsin is subject to the use tax based on the "sales price" shall include transportation charges paid by the Wisconsin purchaser to the seller for shipment of the goods to the purchaser.
- (e) When taxable tangible personal property is sold for a "delivered price", tax applies to the charge for transporting the property to the purchaser even though the purchaser may directly pay the transportation charges. Property is sold for a "delivered price" when the price agreed upon includes all costs or charges for transporting the property directly to the purchaser, and under circumstances such that if there is an increase or decrease in the cost of transportation, it is borne by the seller. For example, if the "delivered price" of a carload of lumber is \$6,000 (including transportation) and the purchaser pays the transportation charges directly to the common carrier and deducts the payment from the amount due the seller, the transportation charges are borne by the seller and are included in the seller's measure of the tax.

Note: The interpretations in the rule are effective under the general sales and use tax law effective September 1, 1969.

History: Cr. Register, January, 1978, No. 265, eff. 2-1-78.

Tax 11.95 Retailer's discount. (section 77.61 (4) (b), Wis. Stats.) (1) DISCOUNT EFFECTIVE APRIL 1, 1976. For reporting sales or use tax collected on their retail sales, retailers may deduct 1% of the total of sales or use tax payable for each tax reporting period if the tax payment is not delinquent. This discount shall be allowed only if the taxes are paid on or before the due date of the return, or on or before the expiration of any

extension period if one has been granted. The discount is also not allowed on deficiency determinations or amended returns. On and after April 1, 1976, the discount shall be prohibited for consumer's use tax imposed pursuant to section 77.53 (2), Wis. Stats.

The rate was reduced to 1% by statute effective January 1, 1972.

Tax 11.97 "Engaged in business" in Wisconsin (sections 77.51 (4) (j), (7) (c) and (k); 77.53 (3), (5), (7), (9) and (9m), Wis. Stats.) (1) General. (a) Out-of-state retailers are required to register and collect a state's use tax if the retailer is subject to the state's jurisdiction. The United States supreme court has resolved certain jurisdictional questions by interpreting the due process clause of the Fourteenth Amendment to the U.S. Constitution. Over the last 30 years the court has said due process requires that there be some definite link, some minimum connection between the state and the person, property or transaction it seeks to tax. If this minimum connection, often called "nexus", is established; the out-of-state seller is required to register and collect the state's use tax.

(b) Some United State supreme court decisions concerning nexus include:

Nelson vs. Sears Roebuck & Co., 312 U.S. 359 (1941)

Nelson vs. Montogomery Ward & Co., 312 U.S. 373 (1941)

General Trading Co. vs. State Tax Commission of the State of Iowa, 322 U.S. 335 (1944)

Miller Bros. Co. vs. Maryland, 347 U.S. 340 (1954)

Scripto, Inc. vs. Carson, 362 U.S. 207 (1960)

National Bellas Hess, Inc. vs. Illinois Department of Revenue, 368 U.S. 753 (1967)

National Geographic Society vs. California Board of Equalization, 430 U.S. 551 (1977)

- (2) STATUTES. (a) Section 77.51 (7) (k), Wis. Stats., defines "retailer" to include any person deriving rentals from a lease of tangible personal property situated in this state, and section 77.51 (4) (j), Wis. Stats., defines a lease as a continuing sale.
 - (b) Section 77.53 (3), Wis. Stats., provides in part as follows:
- "(3) 'Retailer engaged in business in this state', unless otherwise limited by federal statute, means any of the following:
- (a) Any retailer owning any real property in this state or leasing or renting out any tangible personal property located in this state or maintaining, occupying or using, permanently or temporarily, directly or indirectly, or through a subsidiary or agent, by whatever name called, an
