Ins 6.01 Foreign company to operate 2 years before admission. Experience has demonstrated that until a company has engaged in the business of insurance for at least 2 years there is not a sufficient basis upon which to form a judgment as to whether its methods and practices in the conduct of its business are such as to safeguard the interests of its policyholders and the people of this state. Therefore, no application of a foreign insurance company or mutual benefit society for a license to transact business in Wisconsin will be considered until it has continuously transacted the business of insurance for at least 2 years immediately prior to the making of such application for license.

Ins 6.02 Company to transact a kind of insurance 2 years before admission. (1) Experience has demonstrated that until a company has engaged in a kind of insurance or in another kind of insurance of the same class for at least 2 years, there is not a sufficient basis upon which to form a judgment as to whether its methods and practices in the conduct of its business in such kind of insurance or another kind in the same class of insurance, are such as to safeguard the interests of its policyholders and the people of this state. Therefore, no application of a foreign insurance company or mutual benefit society for a license to transact a kind of insurance business in Wisconsin will be considered until it has continuously transacted that kind of insurance, or another kind of insurance in the same class of insurance as that for which it makes such application; for at least 2 years immediately prior to making such application. For the purposes hereof, insurance is divided into kinds of insurance according to the provisions of section Ins 6.75 each subsection setting forth a separate kind, and into classes of insurance upon the basis of and including the said kinds as follows:

(a) Fire insurance includes the kinds in section Ins 6.75 (2) (a).

(b) Life insurance includes the kinds in section Ins 6.75 (1) (a) and (b) but excluding all insurance on the health of persons other than that authorized in s. 627.06, Stats., and section 6.70, Wis. Adm. Code.

(c) Casualty insurance includes the kinds in section Ins 6.75 (2) (c) through (n).

(2) Provided, however, that nothing herein shall preclude consideration of an application to transact the kind of insurance in Ins 6.75 (1) (e) or (2) (c) if the applicant company has transacted any of the kinds of insurance in Ins 6.75 (1) (a) and (b) or (2) (d), (e), (k) and (n) continuously for 2 years immediately prior to the making of application for license to transact the kind of insurance in Ins 6.75 (1) (e) or (2) (c).

(5) **LIMITATIONS.** (a) In the absence of evidence to the contrary, an intermediary-agent shall be presumed to have exceeded the occasional exchange of business if he or she places more than 5 insurance risks per calendar year with any single insurer with which he or she is not listed as an intermediary-agent, or exchanges in total more than 25 insurance risks per calendar year.

(b) The burden of showing that speciality lines, non-standard and professional liability business placed through surplus lines intermediaries in accordance with s. 618.41, Stats., or written on an excess rate or other individually rated risk basis beyond the limits prescribed for other exchanges of business in par. (a) is occasional and otherwise in compliance with this rule, shall be upon the intermediary-agent soliciting and forwarding such business.

(6) The forwarding of business from an intermediary-agent to an intermediary-broker shall be deemed an exchange of business within this section. This section shall not limit in any way the amount of business that an intermediary-broker may place or forward to an intermediary-agent.

(7) The exchange of business among intermediary-brokers and participation by intermediaries in risk sharing plans approved according to ch. 619, Stats., shall not be limited in any way by this section.

Ins 6.68 Unfair discrimination based on geographic location or age of risk (s. 628.34, Stats.) (1) PURPOSE. The purpose of this rule is to identify specific acts or practices found to be unfair trade practices that are unfairly discriminatory under s. 628.34, Stats.

(2) **APPLICABILITY AND SCOPE.** This rule shall apply to property and casualty insurance contracts delivered or issued for delivery in Wisconsin on or after the effective date of the rule.

(3) **SPECIFIC EXAMPLES OF UNFAIR TRADE PRACTICES UNDER S. 628.34, STATS.** The following are hereby identified as specific acts or practices which are unfairly discriminatory:

(a) Making or permitting any unfair discrimination between individuals or risks of the same class and of essentially the same hazards by refusing to issue, refusing to renew, cancelling or limiting the amount of insurance coverage on a property or casualty risk because of the geographic location of the risk, unless:

1. The refusal, cancellation or limitation is for a business purpose which is not a mere pretext for unfair discrimination, or

2. The refusal, cancellation or limitation is required by law or regulatory mandate.

Note: Paragraph (a) is intended to prohibit insurance underwriting shortcuts which unfairly label risks as poor risks because of their geographic location. A refusal, nonrenewal, cancellation or limitation of insurance coverage is prohibited if the reason for such refusal, nonrenewal, cancellation or limitation is the geographic location of the risk. An exception to this general rule is provided, however, in situations where the refusal, nonrenewal, cancellation or limitation is based upon a legitimate business need and the refusal, nonrenewal, cancellation or limitation is not a mere pretext for unfair discrimination. Examples of such situations include refusals to insure when the risk is located in areas prone to natural catastrophes, i.e., earthquakes, floods, hurricanes, and refusals to insure because the insurer already has a very high concentration of risks in a particular geographic area. It is intended

Register, September, 1979, No. 285

that the person charged with a violation of this rule be given the burden of proof in establishing any "business purpose" exception. The burden of proving that a refusal, nonrenewal, cancellation or limitation of insurance coverage is not a subterfuge for unfair discrimination should likewise fall upon the person charged with a violation of this rule.

(b) Making or permitting any unfair discrimination between individuals or risks of the same class and of essentially the same hazards by refusing to issue, refusing to renew, cancelling or limiting the amount of insurance coverage on a residential property risk of four units or less, or the personal property contained therein, because of the age of the residential property, unless:

1. The refusal, cancellation or limitation is for a business purpose which is not a mere pretext for unfair discrimination, or

2. The refusal, cancellation or limitation is required by law or regulatory mandate.

(c) Refusing to insure a risk solely because the applicant was previously denied coverage, terminated by another insurer or had obtained coverage in a residual market.

(4) SEVERABILITY. If any part of this rule or its application to any person or circumstances is held invalid, the invalidity does not affect other parts or applications of the rule which can be given effect without the invalid part or application, and to this end the parts of the rule are declared to be severable.

Ins 6.70 Combinations of lines and classes of insurance. This rule defines and delimits the permissible combinations of the lines and classes of insurance defined and delimited by Ins 6.75 which may be written in the same policy. Except as provided in this rule, lines and classes of insurance may not be combined in the same policy.

(1) COMBINATION WITH SEPARATE PREMIUM CHARGES. Subject to Ins 2.05, any combination of the lines and classes of insurance defined and delimited by Ins 6.75, except for those described in Ins 6.75 (2) (h), (i) and (k), may be written in the same policy if a statement of separate premium charge is shown on the declarations page or on the face of the policy or in a separate written statement furnished to the policyholder. The requirement for a statement of separate premium charge does not prohibit such charges equitably reflecting differences in expected losses or expenses as contemplated by s. 625.11 (4), Stats.

(2) COMBINATION WITH OR WITHOUT SEPARATE PREMIUM CHARGES. Any combination of the lines and classes of insurance defined and delimited by Ins 6.75 (2) (a), (b), (d), (e), (f) and (j) may be written in the same policy with or without showing separate premium charges.
