SUBCHAPTER 1 — SPORT FISHING

NR 22.03 Reciprocity: sport fishing or spearing and dip netting. Any person holding a hook and line fishing license issued by either Iowa or Wisconsin may fish in waters of the Mississippi river lying between the Chicago, Milwaukee and St. Paul railroad tracks on the Iowa side of the river, and the Burlington northern railroad tracks lying on the Wisconsin side of the river, including all sloughs and backwaters, bays and newly extended water areas connected with the main channel of the Mississippi river by a channel which is navigable when the waters are approximately equal to the normal pool elevation as created by the U.S. army corps of engineers. This reciprocity applies only to hook and line fishing, spearing, dip netting, and the taking of minnows and crayfish for such fishing. Spearing and dip netting are prohibited within 200 feet of any U.S. army corps of engineers locks and dams. Residents of either Wisconsin or Iowa may not fish in these boundary waters when the angler's state of residency license has been revoked.
