PW-PA 20.15 Reimbursement for state dependents. (1) **COUNTY CLAIMS.** Claim for reimbursement for relief granted dependent persons who do not have legal settlement in this state and who have resided less than one year in this state may be made only by a county that has granted the relief directly or has reimbursed a municipality which granted the relief.

(2) **REIMBURSABLE RELIEF.** The relief granted may be in cash or kind, but there shall be no reimbursement for work relief since the value of the labor shall be deemed to offset the payments. Any recoveries subsequently made by a county or municipality from the dependent person, his property, estate, or relatives shall be deducted from subsequent claims for reimbursement. The relief granted must be reasonable and necessary and adequate for health and decency, and there shall be no discrimination between state dependents and other recipients in the standard of relief given.

(3) **NOTIFICATION TO STATE.** (a) When a county grants relief or reimburses a municipality for relief accorded a person as a state dependent its county clerk shall file with the state department of public welfare a verified copy of the sworn statement taken under s. 49.11 (1), Stats., together with an affidavit that diligent effort has been made to ascertain the facts relating to the dependent's legal settlement and period of residence in this state and stating the facts relating to such settlement and residence.

(b) The sworn statement of the relief recipient (or other person) under s. 49.11 (1), Stats., must be taken at the time relief is granted, but the verified copy thereof and the clerk's affidavit of investigation on Form AD-256 should be filed together, and the filing with the state department

is not limited to 20 days as otherwise provided for the filing of non-resident notices under s. 49.11 (3), Stats., as between counties and municipalities.

(4) **PRESENTATION OF CLAIM TO STATE.** Claim for state reimbursement may be made by the county treasurer either monthly or in aggregate at the expiration of the state dependency status on forms prescribed by the state department of public welfare showing an itemized statement of the account.

(5) **SUPPORTING RECORDS.** Each county shall maintain sufficient records, vouchers, authorizations and receipts as may be necessary to support its claim for reimbursement, which shall be subject to inspection and audit by duly authorized representatives of the state department of public welfare.

Note: All references to the department of public welfare should be taken as references to the department of health and social services.

(6) **REQUIREMENTS FOR REIMBURSEMENT.** (a) No reimbursement for relief granted to state dependents as defined in s. 49.04 (1), Stats. shall be provided to counties unless the county claiming reimbursement for such relief has adopted written standards which apply to all parts of the county relative to the eligibility for and amount of relief granted.

1. The standards so adopted shall be made available to applicants and recipients of relief for which reimbursement is sought under s. 49.04, Stats., and to the public.

2. Benefit standards so issued shall be reasonably adequate for health and decency as provided under (2) of this section.

3. If such standards adopted by a county establish a benefit level less than that provided for the AFDC program under s. 49.19 (11), Stats., the county shall file a statement with the secretary of the department of health and social services containing detailed information demonstrating that the standard as adopted is reasonable and necessary to provide the items listed in s. 49.01 (1), Stats.

(b) No reimbursement for relief granted state dependents under s. 49.04 (1), Stats., shall be provided to counties unless the county claiming reimbursement for such relief makes provision for the following procedural safeguards which apply to all parts of the county for all persons whose applications are denied in whole or in part.

1. Any denial in whole or in part of an application for relief shall be accompanied by a written statement informing the applicant of the basis of denial with reference to the appropriate standard upon which the denial was based. Said statement shall be provided to the applicant no later than 3 working days from the date of the denial. Said statement shall also inform the applicant of a right to a timely and impartial evidentiary hearing.

2. Any hearing so requested shall be held before an impartial person who has not participated in the decision under review.

3. Any hearing so requested must be held within 5 working days after the request is received. If the hearing is not held within 5 working days

the applicant shall be provided with relief until such time as a hearing is held and a decision is rendered.

4. The applicant at the hearing shall be granted the opportunity to present evidence and argument in person or by a representative.

5. The applicant shall be given the opportunity to cross examine all witnesses relied upon by the relief agency.

6. The decision must rest upon evidence presented at the hearing and where there is an issue of credibility or veracity, the decision may not rest on mere uncorroborated hearsay.

7. A written decision shall be issued no later than 5 working days after the hearing and shall indicate the reasons for the final determination and the evidence relied upon in reaching that determination.

(c) The department shall establish a system for ongoing monitoring of compliance with this rule and for the denial of state reimbursement to counties that do not comply with this rule.

(1) **RECORDS AND OFFICES AFFECTED.** Pursuant to s. 49.53, Stats., case records and all financial data pertaining thereto on file in the county agency administering aid to dependent children, medical assistance, food stamps, social security aid payrolls on file in the offices of the county clerk and county treasurer, and old age assistance liens filed in the office of the register of deeds fall within the purview of this rule.

(2) **ADMINISTRATIVE AGENCY RECORDS.** (a) *Custody.* All agency records shall be safely kept and shall not be removed from the files and offices except when in the custody of a responsible official or employe of the agency.

(b) *Inspection of records.* Inspection of agency records by persons other than employes of the county agency administering aid to dependent children, medical assistance, and food stamps of the state department of health and social services and of the federal department of health, education and welfare shall be permitted only pursuant to signed request and written permission of the chief administrative officer of the agency, and a record shall be kept of said permission; provided that officials of the county shall not be required to sign such a request but shall be entitled to secure information for any purpose connected with the administration of the social security aids in accordance with the provisions and limitations of the law.

(c) *Privileged communications.* Social and medical information shall be deemed to be strictly confidential.

(3) **ADMINISTRATIVE USES DEFINED.** (a) Use of disclosure of information concerning applicants and recipients for any purpose connected with the administration of aid to dependent children, medical assistance and food stamps shall be deemed to permit providing pertinent information to other agencies administering relief, providing hospital or medical care or service, to assist applicants or recipients or their families so as to ame-

riorate or eliminate public dependency and to assure economical expenditures of public funds.

(b) The use or disclosure of financial information secured by proper public officials from the records of the county treasurer or county clerk in connection with fiscal governmental functions is deemed to be for a purpose directly connected with the administration of the social security aids within the meaning of s. 49.53, Stats.

(c) The use or disclosure of information secured from old age assistance liens filed in the office of the county register of deeds in connection with a proper search of title is deemed to be for a purpose directly connected with the administration of old age assistance within the meaning of s. 49.53, Stats. (4) **RESPONSIBILITY FOR USE OF INFORMATION.** In the event that information is supplied from the case records or any other source, the person or agency so informed will be held responsible for the proper use of such information.

(5) **SUBPOENAS.** Subpoenas duces tecum for the production of agency records containing information concerning applicants and recipients of aid to dependent children, medical assistance and food stamps shall be obeyed except that objection shall be raised that s. 49.53, Stats., prohibits the production of such case records for any purpose not connected with the administration of such aids, pensions, or assistance.

(6) **HEARINGS.** Hearing under s. 49.50 (8), Stats., shall be public or private in the election of the applicant or recipient.

(7) **PUBLIC NOTICE.** A printed notice containing the pertinent laws and rules relating to the misuse of the index of old age assistance liens shall be posted in plain view in the offices of the register of deeds:

Persons using the index to old age assistance liens or other records relating to old age assistance are hereby notified of the legal restrictions relating to the proper use of such information.

(b) Such report shall be open to public inspection at all times during regular office hours and may be destroyed after the next succeeding report becomes available. Any person except any public officer, seeking permission to inspect such book shall prove his identity and shall be required to sign a statement setting forth his address and his reasons for making such request and indicating that he understands the provisions of par. (c) with respect to the use of the information obtained. The use of a fictitious name is a violation of this section. Within 72 hours after any such record has been inspected, the agency shall mail to each person whose record was inspected a notification of that fact and the name and address of the person making such inspection. The agency shall keep a record of such requests.

STATE DEPARTMENT OF HEALTH &

Wilbur J. Schmidt, Secretary

History: 1-2-56; am. 7), Register, April, 1967, No. 136, eff. 5-1-67; am. Register, February, 1975, No. 230, eff. 3-1-75.

PW-PA 20.18 Fair hearings. (1) LEGAL BASIS. This rule is adopted pursuant to sections 46.03 (8) and 49.50(8) (9), Wis. Stats., and to conform with the requirements of Titles IV, XIX and XX of the U.S. Social Security Act, the U.S. Food Stamp Act and Wis. Stat. 49.046 (3) relating to complaints, hearings, and reviews of public assistance, medical assistance, social service and food stamp claims.

Register, April, 1983, No. 328
Public Welfare

(2) DEFINITIONS. (a) A claimant is defined as a person seeking an opportunity to file an application, a person who has filed an application and is awaiting the agency's decision, a person whose application has been approved, a person receiving assistance or whose assistance payment has been reduced or a person who still considers entitlement to assistance to exist although such assistance has been denied or payment has been discontinued or a person who has been denied or excluded from a service program.

(b) A hearing is defined as an orderly, readily available proceeding before an impartial employe of the state agency, in which a dissatisfied claimant or the claimant's representative may present with the help of witnesses why action or inaction in the claimant's case should be corrected by the state agency; it is not an adversary proceeding, but rather a continuation of the administrative process in which the claimant invokes the responsibility of the state agency through a quasi-judicial hearing in the particular case.

(c) A request for a hearing is defined as any clear expression of desire on the part of the claimant to go beyond the usual procedure for adjusting complaints with the county agency and an opportunity to present the case to the state department of health and social services. The specific wording of such a request is immaterial.

(d) The date of the request for hearing is defined as the date on which the request is received.

(3) PURPOSES. The major purposes of hearings are:

(a) To provide an opportunity for a dissatisfied claimant to assert personal claim to public assistance, medical assistance, food stamps or services related to any of such programs and secure, in an administrative proceeding, equity of treatment in relation to the assistance law and program.

(b) To enable the county and claimants, jointly, to ascertain the factual basis on which, through proper application of the assistance law and agency policy, a just decision may be reached.

(c) To contribute to uniformity in the application of the assistance law and policy by assuring that all claimants are fully informed of their rights, that hearings on any grievance are readily available, and that instances of inequitable treatment are speedily remedied by prompt execution of hearing decisions.

(d) To safeguard claimants from mistaken, negligent, unreasonable or arbitrary action. The hearing process is not a substitute for proper and efficient administration and is not designed to produce any result that could not have been produced through regular administrative processes.

(e) To reveal aspects of county agency policy that constitute a misconstruction of law, state rules or policy.

(f) To provide a method whereby evidence may be obtained for referral to proper state policy-making authority, which evidence may show the need for modification of a state policy or policies.

(4) REQUIREMENTS. (a) Every claimant at the time of application, and when other administrative decisions are made shall be informed in writ-

ing of the right to a fair hearing when an application is not acted upon with reasonable promptness, or if not satisfied with the action taken, and the method by which a hearing may be obtained.

(b) Every claimant may obtain a hearing before the state department of health and social services in relation to an application not acted upon with reasonable promptness, or if not satisfied with the action taken.

(c) The request for a hearing must be timely. No review will be provided in any case where the decision or inaction to be reviewed involves a case question which arose more than 90 days prior to the request for a hearing. In cases involving discontinuance or reduction of the amount of the grant aid shall not be discontinued or reduced prior to receipt of the written fair hearing decision when a petition for a hearing is received within 10 days of the date on the advance notice that the discontinuance or change in grant is effective.

(5) **REQUEST FOR A HEARING.** A complaint may be initiated orally in person, by letter or by form and if not adjusted by the county agency to the satisfaction of the claimant a request for hearing will be completed and a hearing will be scheduled. Requests for hearing shall usually be on the simple form supplied by the state agency, but no written request shall be rejected for lack of formality. An oral request for a hearing made in person will be accepted, but shall be reduced to writing and signed by the claimant before the hearing will be scheduled. No request shall be dismissed without hearing unless the claimant shall remove from the jurisdiction, die, withdraw the request in writing, or abandon the proceedings. The proceedings may be considered abandoned if neither the claimant nor the claimant's representative appears at the time and place set for hearing, and if, within a reasonable time after the mailing of an inquiry as to whether the claimant wishes any further action taken on the request for a hearing, no reply is received by the state agency.

(6) **FAIR HEARING.** (a) Hearings shall be held at a time convenient to the claimant and agency staff easily accessible to the claimant and, whenever possible, on the premises of the county department of social services, subject to the judgment of the hearing officer. Adequate preliminary notice shall be given to the claimant and representative, if any, including information about the procedure at the hearing.

(b) The hearing shall be conducted by a hearing officer, duly appointed and qualified under the state civil service laws, who has not taken any part in the particular action under consideration.

(c) The claimant shall have the opportunity to examine all documents and records used at the hearing; have the option to self representation, or to be represented; have the opportunity to bring witnesses, to establish all pertinent facts and circumstances, to advance any arguments without undue interferences, and to question or refute any testimony or evidence.

(d) The claimant may question interpretation of the law, and the reasonableness and equity of policies practiced under the law, if aggrieved by their application.

(e) The hearing is subject to the requirements of due process, but is an informal administrative procedure.

(7) **DECISIONS.** (a) The transcript of testimony and the exhibits, papers and requests filed in the proceeding constitute the exclusive record for decision and are available to the claimant at any reasonable time after the decision upon request.

(b) The decision on the hearing shall be in writing in the name of the state department of health and social services by the secretary or designee of the department.

(c) The decision shall set forth the issue or issues, citation of law or precedents, the reasoning that led to the decision, the principal and relevant facts elicited at the hearing, and the action taken. These factors shall be grouped under appropriate headings such as preliminary recitals, findings of fact, conclusions of law and order. A certified copy of the decision shall be mailed to the claimant (and attorney if any) and the county agency charged with the administration of the services, aid or assistance involved.

(d) If the decision is mandatory upon the county treasurer, a certified copy of the decision shall be mailed to the county treasurer and to the county clerk. It shall be the duty of the state agency to ascertain from subsequent payrolls and otherwise that there has been compliance with the order.

(8) **ALLOCATION OF RESPONSIBILITY.** The functions relating to fair hearings are allocated to the office of administrative hearings and rules. All final decisions, except cases wherein the request for review has been abandoned, shall be based upon hearings conducted by the hearing officer duly appointed pursuant to state civil service laws and responsible to the office of administrative hearings and rules provided that if emergency needs so require any other employe duly designated by the secretary of the state department of health and social services may serve as a hearing officer. Such decisions shall be binding upon the state and county agencies involved and shall be enforced by appropriate legal and fiscal sanctions.

PW-PA 20.19 Relief claims proceedings. (1) **PRACTICE.** Proceedings under this rule shall be considered administrative in character. The rules of practice at hearings will conform generally to the rules of practice before courts of equity. The aim is to secure the facts in as direct and simple a manner as possible.

(2) **PLEADINGS.** (a) Complaints and answers need not be verified.

(b) The proceedings shall be deemed to be at issue when an answer or demurrer is filed or when the time for answering or otherwise pleading to the complaint has expired.

(c) The answers to the complaints shall specifically and particularly set forth in writing a statement of the reasons upon which defendant relies to defeat the proceeding. For this purpose, evidentiary facts may be pleaded. A general denial shall be deemed to be no pleading. Failure to deny an allegation of the complaint shall be deemed to be an admission thereof.

d. Amendment may be made to any pleading upon application and cause shown. The department may, on its own motion, modify or change its order and findings at any time within 20 days from the date thereof, if it shall discover a mistake therein.

e. Except upon order of a court, proceedings in which an order has been rendered shall be reopened for reception of further evidence or for further consideration only upon written consent of all parties to the proceedings or in accordance with s. 270.50, Stats. Motions under s. 270.50, Stats., shall not be received after 20 days of the date of the order.

3. PROOF OF CLAIM. (a) The dates when and the amount of relief claimed to have been given to the recipient may be established prima facie by affidavit of the relief official who ordered the relief given or by affidavit of the clerk of the county or municipality which paid for and granted the relief. Such affidavit shall show the expenditures by months, listing separately for each month the total monthly expenditures for food, clothing, fuel, utilities, housing, medicine, medical and surgical treatment, hospital care, hospitalization, nursing, transportation, water, household equipment, other commodities or services, cash, or funeral expenses.

b. If relief is given only intermittently, the particular dates of the intermittent relief grants shall be stated. In order to show the date of the first and last grant of aid in a continuous series where relief is given continuously over several months, the charge for the month shall run from the date of the first order to the end of the month and the charge for the last month in the series shall run from the first of the last month to the date of the last order in that month.

c. The opposing party shall have the right to call adversely as a witness the person who made such affidavit or any other person who would otherwise have knowledge of the facts therein stated.

4. MOTIONS. (a) Motions not made on the record at the time of hearing shall be filed with the department in writing.

b. Request for recovery by default will be received upon failure to answer or plead to the complaint within the statutory period. Such request shall be accompanied by affidavit showing the fact that and the date when verified claims were filed upon the clerk of the defendant or defendants, together with copies of such claims incorporated by reference in the affidavit.

c. When a hearing has been set and a party notified fails to appear, the parties present may offer such proofs or motions as they desire, and the department shall thereafter notify the absent party that unless he files an affidavit showing reasonable excuse for absence and of merit the department will render its decision upon the record made. If the department is satisfied with such affidavit it may in its discretion set the case for further hearing on such conditions as may be just.

d. Motion for summary judgment upon the pleadings may be submitted by either party pursuant to s. 270.635, Stats., and in event of such motion, the parties shall submit affidavits setting forth the evidentiary facts, including documents or copies thereof for the purpose of determining whether there is a triable issue.

(5) **SERVICE OF PAPERS.** The fact of mailing and the date when a non-resident affidavit was mailed may be proved by affidavit of the clerk or deputy clerk who sent such notice. Such affidavit shall show compliance with the mailing statute in force at the time the notice was mailed. See s. 49.11 (7) (d), Stats., which requires the mailing of notices by registered or certified mail with return receipt requested.

(6) **CONDITIONS PRECEDENT.** No proceeding shall be maintained unless a verified claim for the amount of money due has been duly presented to and disallowed by the county or municipality sought to be charged.

(7) **RESUMES AND TRANSCRIPTS.** (a) The department may at any time prior to decision require or permit the parties to file briefs on either fact or law.

(b) Transcripts of testimony taken or proceedings had before the department will be furnished to parties upon request and payment of the sum of 10 cents per folio and 5 cents per folio for each additional copy thereof. After an appeal has been taken, transcripts will be furnished upon payment of the sum of 5 cents per folio.

(8) **WITNESS FEES.** (a) Witnesses may be paid as provided by s. 49.11 (7) (a), Stats., for attendance at hearings.

(b) Where more than one witness travels in the same car, only one mileage fee shall be allowed, except that all witnesses may receive sufficient mileage fees to cover necessary meals.

(c) Where witnesses travel by public conveyance, actual cost of conveyance plus necessary and reasonable bills for meals and hotels may be allowed.

(d) Interpreters' fees shall be the same as witness fees.

(e) In no case shall any of the above allowances be in excess of the regular mileage allowance. Witness fees shall be proved by submission of receipt of the witness.

PW-PA 20.21 Destruction of record material. (1) **PURPOSE.** The purpose of this rule is to define the limitations of s. 59.715 (21), Stats., pertaining to the destruction of case record and other record material in aid to dependent children, and in relief for which claim for state reimbursement is made under s. 49.04, Stats., and the destruction of records in Indian relief claims under s. 49.046, Stats.

(2) **RECORDS TO BE PERMANENTLY PRESERVED.** A face sheet or similar record of each case and a financial record of all payments for each aid account shall be permanently preserved.

(a) Face sheet or similar record means a sheet or sheets giving identifying data about the person or persons concerned, sufficient to distinguish the particular person or family, including such information as names, addresses, occupations, relatives, birth and marriage dates and marital status.

(b) Financial record means a financial card or ledger sheet showing all payments made to or in behalf of the individual or family aided, by month, and including a record of all refunds and collections.

(3) **CONDITIONS FOR DESTRUCTION OF OTHER RECORDS.** Records, other than those specified in sub. (2) of this rule, may be destroyed when there has been no case activity on the part of the county department and the particular person or family for a period of 5 years just preceding, except as hereinafter provided.

(a) No records may be destroyed in any case in which:

1. An estate against which the county has a claim has not been settled.

PW-PA 20.24 Student 18-year-old aid program (s. 49.20, Stats.) (1) INTRODUCTION. This program is based on s. 49.20 of the Wisconsin Statutes which was signed into law as part of chapter 418, Laws of 1977, on May 18, 1978.

(a) *Purpose.* In accordance with s. 49.20, Stats., this program is to provide state aid to 18-year-old high school students who become ineligible for aid to families with dependent children solely because of turning age 18.

(b) *Definitions.* 1. AFDC. "AFDC" means aid to families with dependent children.

2. AFDC case. For purposes of this rule the "AFDC case" consists of all those persons whose needs were being met by the same AFDC grant as the 18-year-old's, during the month in which he or she turned 18.

3. Caretaker relative. A "caretaker relative" includes all of the following: father, mother, stepfather, stepmother, brother, sister, stepbrother, stepsister, half brother or half sister, nephew, niece, aunt, uncle, first cousin, or any of these denoted by prefixes of grand, great or great-great.

4. Enrolled. "Enrolled" means having selected a program of studies for the semester in which a person is attending or plans to attend school. Confirmation of enrollment or of a plan to enroll may be obtained from a local school official.

5. Regularly attending. Persons attending classroom instruction during the normal school year shall be considered "regularly attending" school. When absence from school is due to illness, convalescence, a fam-

ily emergency, or an official school vacation, they are also considered to be regularly attending. If summer school sessions are offered as an option in a school system, a person is not required to participate in order to be considered regularly attending. Summer is considered to be an official school vacation.

6. Agency. The "agency" means the local agency that administers the AFDC program.

(2) APPLICATION. (a) Application for this program shall be made in behalf of the 18-year-old by the caretaker relative with whom the 18-year-old is living.

(b) Application for this program shall also constitute application for Medical Assistance for the 18-year-old. Eligibility of the 18-year-old for the Medical Assistance program shall be determined in accordance with the criteria specific to the Medical Assistance program.

(c) Application shall be made on the forms as prescribed by the department.

4. The nonexempt income of the person whose 18th birthday causes the AFDC payment to be reduced shall not exceed the difference between the appropriate family allowance specified in s. 49.19 (11), Stats., for the number of persons in the AFDC case including the 18-year-old and the number of persons in the AFDC case, excluding the 18-year-old.

5. Nonexempt income includes all unearned income of the 18-year-old that is not subject to the criteria in subd. 7.

6. All earned income of the 18-year-old shall be exempt.

7. If, starting with the end of the second year of high school, there is a plan for the 18-year-old to continue education or training beyond high school, unearned income set aside in an education fund shall be exempted in the financial eligibility determination. (c) The payment amount for the person whose 18th birthday causes the AFDC payment to be reduced shall be computed according to the following procedure:
