## PART II WOODLAND TAX LAW

**NR 46.10 Determination on application.** (1) Lands upon which an application has been filed shall be entered as woodland tax lands upon a finding by the department that:

(a) The lands considered for entry contain 10 or more contiguous acres;

(b) The lands do not include an entire quarter-quarter section, fractional lot or government lot as determined by U.S. government survey plat, excluding public roads and railroad rights-of-way, which would be eligible for entry under the forest croplands law.

(c) The facts give reasonable assurance that the woodland is suitable for the growing of timber.

(d) The lands are not more useful for other purposes including, but not limited to commercial, residential, recreational or landscaping.

(e) The applicant agrees to follow a management plan, approved by the department and prepared by a qualified forester representing the applicant or the department consisting of the following:

1. The name(s) and address(es) of the applicant(s).

2. The legal description of the lands.

3. An appropriate map(s) or aerial photographs of the land on which cover types are identified by conventional map symbols indicating species, size and density of vegetation.

4. A schedule by year of the required forest management practices to be carried out during the contract period which are as follows:

a. Harvesting of mature timber according to sound forestry practices.

b. Thinning of plantations and natural stands for merchantable products according to sound forestry practices.

c. The release of pine from competing vegetation.

d. The reforestation of open and understocked areas.

e. Post-harvest treatment where necessary to insure adequate regeneration.

5. Management practices which are desirable and may be carried out during the contract period at the owner's option.

6. Signatures of the landowner(s) (and the qualified forester representing the landowner if appropriate) and the inspecting department forester.

(f) The lands are not within recorded plats or the incorporated limits of cities or villages.

(g) The land does not have an improvement having an assessed value situated thereon.

(h) No more than 20% of the total contiguous proposed entry or renewal may consist of nonproductive areas.
