

(c) *Permit application procedures.* Any person possessing a valid hunting license authorizing the hunting of game birds may apply for a turkey hunting permit as follows:

1. Application shall be made on forms provided by the department.

2. All application forms must be postmarked no later than the first Friday in November to be considered for the succeeding wild turkey hunting season.

3. If a maximum of 2 persons wish to hunt together, each must complete an application form for individual permits and submit them together in a single envelope clearly marked "group application". Such group application shall be treated as one application for purposes of random selection or consideration for a permit. Preference may be requested by group applicants provided both individuals are eligible under par. (b).

(d) *Random selection.* If the number of applications for permits exceed the available number of permits as determined under this section, successful applicants shall be determined by random selection.

(e) *Permit and tag restrictions.* 1. Permit and carcass tags issued under this section are only valid for the zone and time period indicated on the permit.

2. Permits or carcass tags issued under this section may not be transferred to or used by any person other than the permittee.

(2) **TAGGING PROCEDURE.** (a) *Carcass tag use.* When a wild turkey is killed and before it is carried by hand or transported in any manner, the hunter shall:

1. Validate the permit by tearing or cutting out notches on the carcass tag designating the day of kill. Failure to follow the validation procedure in this manner invalidates the permit.

2. Completely attach and seal the carcass tag, utilizing its own adhesive, around the leg of the turkey.

(b) *Transportation and possession.* No person may possess or transport a wild turkey unless the person has lawfully killed and tagged it.

(3) **REGISTRATION.** A person who possesses a wild turkey shall exhibit and register the bird at a department registration station no later than 1:30 p.m. on the day killed. The department shall affix a registration tag to lawfully taken wild turkeys and the tag shall be kept until the turkey meat is consumed.

(4) **RESTRICTIONS.** No person may hunt wild turkeys:

(a) By any means other than a shotgun or muzzle-loading shotgun fired from the shoulder or a bow and arrow.

(b) With the aid of recorded bird calls or sounds or electrically amplified imitations of bird calls or sounds.

(c) With the aid of dogs.

(d) With live decoys for the purposes of enticing wild turkeys.
