Note: Migratory bird rules, including seasons, limits, hours and areas where authorized, are established by emergency rule procedure in September of each year. The emergency rules will be published in their entirety in the official state newspaper and published in summary form in the current year migratory bird regulation pamphlet. Copies of the emergency rules may be obtained by contacting: State of Wisconsin Department of Natural Resources, Bureau of Wildlife Management, P.O. Box 7921, Madison, Wisconsin 53707.

(h) *Canada goose limits.* The daily bag limit on Canada geese statewide is not more than that permitted in any one zone within the state and no person may possess or transport more than the daily bag limit or aggregate daily limit, whichever applies, or migratory game birds, tagged or not tagged, at or between the place where taken and either the person's personal abode or temporary or transient place of lodging; or a commercial preservation facility.

(i) *Horicon intensive management zone.* The following described area is established as the Horicon Intensive Management Zone:

All that part of the counties of Dodge and Fond du Lac enclosed by a line beginning at the junction of state highway 26, with the east-west center line of sections 9, 10, 11 and 12 in township 12 north, range 15 east, thence eastward along said center line and continuing eastward along the east-west center of sections 7, 8, 9 and 10 in township 12 north, range 16 east to its junction with county highway TW, thence north and east on said highway TW to its junction with county highway Y, thence northerly on said highway Y to its junction with county highway YY, thence northerly on said highway YY to its junction with county highway Y, thence northerly on said highway Y to its junction with county highway B, thence southwesterly on said highway B to its junction with county highway D, thence westerly on said highway D to its junction with highway AS, thence westerly on said highway AS to its junction with U.S. highway 151, thence southwesterly on said highway 151 to its junction with the C.M.St.P. and Pacific railroad, thence southerly along said C.M.St.P & Pacific railroad to its junction with state highway 26, thence north on said highway 26 to its junction with the east-west center-line of sections 9, 10, 11 and 12 in township 12 north, range 15 east, which is the point of beginning.

(j) *Horicon zone.* The following described area is established as the Horicon zone: All that part of the counties of Fond du Lac, Green Lake, Washington and Dodge enclosed by a line beginning at the intersection of state highway 45 and state highway 23 in Fond du Lac county, then south on state highway 45 to its intersection with state highway 33, then west on state highway 33 to the city of Beaver Dam, then north on state highway 33 to its intersection with county highway A, then north on county highway A to its intersection with county highway S, then east on county highway S and continuing east on county highway AS to its intersection with county highway E, then north on county highway E to its intersection with state highway 23, then east on state highway 23 to the point of beginning.

(k) *Central zone.* The following described area is established as the Central zone:

All of Fond du Lac, Winnebago, Green Lake, Marquette, Columbia and Dodge counties except for the Horicon zone as described in par. (j) and the waters of Lake Poygan in Waushara county and Lake Winnebago in Fond du Lac and Winnebago counties.

(1) *Horicon and Central zone restrictions.* 1. Canada goose permit and tag requirement. It is unlawful to hunt Canada geese without being in possession of a current Canada goose hunting permit, Canada goose tags and valid state hunting license. Permits and tags are valid only in the zone and time period of issue.

2. Permit application procedures. Application forms supplied by the department shall be completed and submitted by the applicant. Applications shall be postmarked no later than the Friday nearest September 15 or received by the department license section, 101 South Webster, Box 7924, Madison, WI 53707, no later than 4:30 p.m. on that Friday each year.

a. It shall be unlawful for any person to submit more than one application per year or an application containing false information.

b. In the Horicon and Central zones, applicants may indicate preference for the following seasons as established in par. (g):

- 1) Horicon zone Oct. 5-Oct. 20; or
- 2) Horicon zone Oct. 21-Nov. 6; or
- 3) Central zone Oct. 5-Nov. 6; or
- 4) Combined Horicon and Central zones Dec. 7-13.

c. If 2 or more persons wish to hunt together, each must fill out an application form and submit them together in one envelope clearly marked "group application" on the outside. A group application will be considered one application.

3. Permit and tag issuance procedures. a. Permits and tags are not transferable or replaceable and shall not be reused, altered or defaced.

b. If applications for permits as required under subd. 2 exceed the number of permits available, successful applicants will be randomly selected and priority given to persons who applied for a permit but were unsuccessful the previous year under s. 29.174, Stats.

5. Permit quota. The department shall issue the following numbers of Canada goose permits for the 1985 hunting season:

- a. Horicon zone—13,750.
- b. Central zone—11,750.
- c. Combined Horicon and Central zones—1,600.

6. Tagging requirements. When a Canada goose is killed, captured or taken in any lawful manner and before it is carried by hand or transported in any manner the hunter shall:

a. Completely attach and seal the paper tag, utilizing its own adhesive, to the neck of the goose.

b. Validate the permit by tearing or cutting out notches on the tag designating the month, day and time of kill. Failure to follow the validation procedure in this manner invalidates the permit.

c. No person may possess or transport a Canada goose unless it is tagged with a validated tag.

7. Transportation restrictions. The hunter shall:

a. Transport the goose in a motor vehicle in such a manner that the tag attached to the goose cannot be handled or manipulated by any occupant of the vehicle.

b. Keep the tag attached to the goose until it reaches the personal abode of the person taking it.

8. Reporting requirements. Permit holders may be required to provide the department a goose hunting report. Such report forms will be mailed only to certain hunters. The selected hunter shall be required to complete the report and mail such report within 24 hours of receipt.

(m) *Burnett county zone*. The following described area is established as the Burnett county zone:

All that part of Burnett county lying northerly and westerly of a line beginning at the junction with state highway 70 with the west boundary of said county, thence easterly along said highway to its junction with county highway N, thence northerly along said highway to its junction with county highway D, thence northerly along said highway and continuing northerly along a town road to the south line of section 16, township 39 north, range 17 west, town of Lincoln, thence westerly along a town road to the southwest corner of said section, thence northerly along a town road on the west line of said section and continuing northerly along the west line of section 9, township 39 north, range 17 west to the west bank of the Clam river, thence westerly along the west bank of said river to its intersection with the west boundary of said county.

(n) *Brown county zone*. The following described area is established as the Brown county zone: The Brown county portion of Green Bay waters lying east of the ship channel and all that part of Brown county lying south and east of a line formed by state highway 29 in western Brown county and the center line of the Fox river.

(o) *New Auburn zone*. The following described area is established as the New Auburn zone: All those parts of Chippewa, Barron and Rusk counties enclosed by a line beginning at the intersection of state highway 40 and state highway 64 in Chippewa county, thence westerly on said highway 64 to its intersection with U.S. highway 53, thence northerly on said highway 53 to its intersection with county highway D in Barron county, thence easterly on said highway D to its intersection with state highway 40 in Rusk county, thence southerly on said highway 40 to the point of beginning.

(p) *Rock Prairie zone*. The following described area is established as the Rock Prairie zone: All those part of Rock and Walworth counties enclosed by a line beginning at the intersection of interstate 90 and the Illinois state line in Rock county, thence northerly on said interstate 90 to its intersection with county highway A, thence easterly on said highway A to the intersection with U.S. highway 12, thence southerly on said highway 12 to its intersection with state highway 50, thence southwesterly on said highway 50 to its intersection with state highway 120, thence southerly on said highway 120 to its intersection with the Illinois state line, thence westerly to the point of beginning.

(q) *MVP area*. The following described area is established as the MVP (Mississippi valley population) goose management area: Adams, Calumet, Dane, Jefferson, Juneau, Manitowoc, Rock, Sauk, Sheboygan, Walworth, Washington, except that portion described in par. (j), Waukesha, Waushara, and Wood counties and the waters of Lake Winnebago in Fond du Lac and Winnebago counties.

(r) *MVP area restrictions.* MVP goose management area restrictions. 1. Canada goose permit requirement. It is unlawful to hunt or possess Canada geese without being in possession of a Canada goose hunting permit and valid state hunting license.

2. Permit application procedures. The application portion of the form supplied by the department shall be completed and submitted to the department by the applicant prior to hunting Canada geese. The self-completed permit portion of the application shall be retained by the applicant.

3. Permit procedures. The self-completed permit is not transferable and may not be altered or defaced.

4. Reporting requirements. Permit holders may be required to provide to the department a goose hunting report. Such report forms will be mailed only to selected hunters. The selected hunter shall be required to complete and mail the report within 24 hours of receipt.

(s) *Mississippi river zone.* The following described area is established as the Mississippi river zone: All that part of the state lying west of the Burlington Northern railway and extending southerly from Prescott in Pierce county to the state line.

(t) *Theresa zone.* The following described area is established as the Theresa zone: All that part of Dodge, Fond du Lac and Washington counties enclosed by a line beginning at the intersection of U.S. highway 45 and state highway 67, then south on U.S. highway 45 to its intersection with state highway 33, then west on state highway 33 to its intersection with state highway 175, then north on state highway 175 to its intersection with state highway 67, then west on state highway 67 to its intersection with county highway AY, then north on county highway AY and continuing north on county highway Y to its intersection with county highway H, then east on county highway H and continuing east on state highway 67 to the point of beginning.

(tm) *Theresa zone restrictions.* Theresa goose management zone restrictions. 1. Canada goose permit and tag requirement. No person may hunt or possess Canada geese without possessing a Canada goose hunting permit, Canada goose carcass tags and valid state hunting license. Permits and tags are valid only in the zone of issue.

2. Permit application procedures. Application forms supplied by the department shall be completed in person by each applicant at the department station located adjoining the village of Theresa Station. Department station hours are 9:00 A.M.-4:00 P.M., October 8-12 and 5:30 A.M.-3:00 P.M. October 13 through season close. Persons receiving a Horicon or Central zone permit are not eligible for a Theresa zone permit.

3. Permit issuance procedures. All eligible applicants shall receive a Theresa zone hunting permit and one carcass tag through October 13. Additional carcass tags may be obtained from the department station located adjoining the village of Theresa station October 14 through November 17 provided the harvest quota has not been reached. Permits and tags are not transferable or replaceable and may not be reused, altered or defaced.

4. Tagging, transportation and reporting requirements. As established by par. (k)6. through 8.

5. Registration requirements. Each Canada goose killed in the Theresa zone shall be registered at the department station adjoining Theresa Station no later than 3:00 p.m. of the day killed.

6. For the purpose of this subsection, "blind" means any framed enclosure or pit not more than 15 feet in its greatest dimension and camouflaged to provide concealment to hunters within.

(5) TAKING METHODS. No person shall hunt any migratory bird:

(a) *Guns and devices.* With a trap, snare, net, rifle, pistol, crossbow other than in s. 29.104, Stats., swivel gun, punt gun, battery gun, machine gun, fishhook, poison, drug, explosive, stupefying substance or shotgun of a larger bore than a no. 10 gauge.

(b) *Shotgun capabilities.* With any automatic-loading or hand-operated repeating shotgun capable of holding more than 3 shells the magazine of which has not been cut off or plugged with a one-piece filler incapable of removal without disassembling the gun so as to reduce the capacity of said gun to not more than 3 shells at one time in the magazine and chamber combined.

(c) *Legal means.* By any means other than a shotgun fired from the shoulder or a bow and arrow, or by falconry.

(d) *Non-toxic shot requirements.* 1. While hunting waterfowl and coot within any area described in part 2 of this subsection, no person may:

a. Take, catch, kill or pursue waterfowl and coot with any shotshells loaded with any metal other than non-toxic shot.

b. Possess any shotshell loaded with any metal other than non-toxic shot.

2. Non-toxic shot zones. a. Mississippi river. In that portion of the state lying west of the Burlington Northern railway in Buffalo, Crawford, Grant, La Crosse, Pepin, Pierce, Trempealeau and Vernon counties and all federal lands posted by the U.S. fish and wildlife service lying east of the railway in these same counties.

b. Eastern Wisconsin. In the Horicon and Central zones, shotshells containing non-toxic shot shall be required wherever hunting waterfowl and coot. Outside of these 2 zones, shotshells containing non-toxic shot shall be required on all waters and all areas within 150 yards of these waters in the counties of Calumet, Dane, Jefferson, Kenosha, Manitowoc, Milwaukee, Outagamie, Ozaukee, Racine, Sheboygan, Walworth, Washington, Waukesha, Waupaca, and all that part of Waushara county lying east of state highway 49.

c. Green Bay. The west 1,000 feet of Green Bay waters, all Brown county islands in Green Bay, all waters in Brown county west of the Fox river and the Green Bay ship channel and east of U.S. highway 141, all waters of Oconto and Marinette counties east of U.S. highway 41 and all areas within 150 yards of these waters.

d. Burnett county. All that part of Burnett county enclosed by a line beginning at the intersection of state highways 48 and 70, then south on highway 48 to its intersection with county highway O, then west on highway O to its intersection with the east bank of the St. Croix river, then north on the east bank of the St. Croix river to its intersection with state highway 70, then east on highway 70 to its intersection with state highway 48, then north on highway 48 and continuing north to its intersection with county highways D and F, then east on highway D to its intersection with county highway N, then south on highway N to state

highway 70, then east on highway 70 to its intersection with state highway 35, then north on highway 35 to its intersection with county highway U, then west and north on highway U and continuing north on county highway FF to its intersection with county highway F, then west and south on highway F to the point of beginning.

e. State wildlife areas. Within the zones described in subpars. b. and c., shotshells containing non-toxic shot are required for hunting waterfowl and coot anywhere on state-owned wildlife areas, all federal lands posted with the U.S. fish and wildlife service signs and on the following state wildlife areas: Mead in Marathon, Wood and Portage counties; Wood County and Sandhill in Wood county; and Meadow Valley in Juneau and Monroe counties.

(6) TAGGING. No person may give, put or leave migratory game birds at any place, other than at that person's permanent abode, or in the custody of another person unless the birds are tagged individually or collectively with tags bearing the following information:

- (a) The hunter's signature,
- (b) The hunter's address,
- (c) The total number of birds tagged, by species, and
- (d) The dates the birds were killed.

Note: Tagging is required if the birds are being transported by another person for the hunter, or if the birds have been left for cleaning, storage (including temporary storage), shipment, or taxidermy services.

(7) DRESSING. No person may completely dress any migratory game bird and then transport the bird from the field. The head or one fully feathered wing shall remain attached to all migratory game birds being transported from the field to the person's permanent abode or a preservation facility.

(8) SHIPMENT. No person may ship migratory game birds unless the package is marked on the outside with:

- (a) The name and address of the person sending the birds,
- (b) The name and address of the person to whom the birds are being sent, and
- (c) The number of birds, by species, contained in the package.

(9) IMPORTATION. (a) One fully-feathered wing shall remain attached to all migratory game birds being transported between the port of entry and the possessor's permanent abode or to a preservation facility.

(b) No person may import migratory game birds belonging to another person.

Note: Violation of state migratory game bird regulations is also a violation of federal regulations. Importation restrictions do not prohibit the importation of legally taken, fully feathered migratory game birds for mounting purposes by a taxidermist holding a valid federal permit and licensed by the U.S. department of agriculture to decontaminate birds.

NR 10.13 Furbearing animals. (1) PROHIBITED METHODS. No person may:

(a) *Hunting.* Hunt any beaver, fisher, mink, muskrat, beaver, or otter with the aid of any spear, gun or dog.

(b) *Trapping.* 1. Traps. Set out or place traps, whether set or sprung, during the closed season.

2. Bait or scent. Set out or place any bait or scent for attracting furbearing animals during the closed season. During the open season, no person may use sight exposed bait consisting of feathers, animal flesh, fur, hide or entrails within 25 feet of any trap.

3. Trap limit. Set, place or operate more than 75 traps of any kind for the purposes of capturing furbearing animals.

4. Water sets. Take, capture or kill, or attempt to take, capture, or kill any furbearing animals at any time by means of water sets except during that period when and in those areas where there is an open season for trapping muskrat, beaver, or otter.

5. Trap placement. Set any trap or traps at any time within 15 feet of any beaver house or beaver dam.

6. Trap use. It shall be unlawful for any person to set, place, operate or possess while on or adjacent to waters of this state, any trap other than a steel-jawed trap or live traps for the purpose of taking, capturing, or killing furbearing animals. Such live traps shall be constructed so that not more than one animal can be taken or captured in any single trap setting.

7. Artificial structures. No person shall construct or place on the ice of any of the waters of this state any artificial house or den for the purpose of taking, catching, or killing any fur-bearing animals, or place or set therein any trap or traps of any kind which might take, catch, or kill furbearing animals.

8. Killer traps. It shall be unlawful for any person to set, place, or operate except as a waterset any killer type trap of the conibear type that is larger than 7" x 7".

9. Steeljawed traps. It shall be unlawful for any person to set, place or operate any steel jaw trap with a spread width of more than 8 inches.

10. Toothed traps. It shall be unlawful for any person to set, place or operate any steel jawed trap with teeth except as a water set.

11. Minimum waterset. Except when the muskrat and mink season is open, it shall be unlawful for any person to set, place or operate any waterset smaller than 5½" jaw spread for steel jaw traps and 6¾" x 6¾" for killer traps of the conibear type during the beaver and otter season.

12. Killer trap placements. No person may set, place or operate any killer trap of the conibear type greater than 6" x 6" or 6" in diameter in the following locations:

a. Within 3 feet of any federal, state or county road rights-of-way culvert unless completely submerged in water.

b. Within 3 feet of any woven or welded wire mesh type fence.

c. Within 100 yards of any building devoted to human occupancy without the owner's consent.

(2) MOLESTING. While hunting or trapping, no person shall:

(a) *Raccoon*. Molest any raccoon den or den trees.

(b) *Mink*. Molest any mink den.

(c) *Muskrat and beaver*. Molest any muskrat house, muskrat feeding house, beaver house or beaver dam.

(3) TRAPPING HOURS. (a) *Legal time period*. The trapping hours shall be from 6:00 a.m. to 7:00 p.m. (CST).

(b) *Illegal time period*. It shall be unlawful for any person to set or reset any trap or traps or attend any trapline from 7:00 p.m. to 6:00 a.m. (CST).

(c) *Special checking period*. All dry land sets shall be checked and animals therein removed at least once each day.
