History: Cr. Register, March, 1990, No. 411, eff. 4-1-90.

RACE 7.05 Grading system. (1) **GRADE CLASSIFICATIONS.** (a) The racing secretary shall be responsible for the proper grading of greyhounds under provisions of this section. Before the first day of a race meet the racing secretary, after sufficiently schooling all greyhounds and considering their past performances, shall classify and assign greyhounds to proper grades.

(b) The racing secretary shall use the following 6 grades; A, B, C, D, E and M.

Register, March, 1990, No. 411

(c) Grade M refers to maiden classification which indicates a greyhound has not won an official race at a pari-mutuel racetrack supervised by a regulatory agency.

(d) A greyhound that falls in a race shall be considered a starter. However, a greyhound shall not be considered a starter if the start would result in the greyhound being graded off.

(e) For a greyhound that transfers to the racetrack from another racetrack during a race meeting, the racing secretary shall assign the grade held by the greyhound at the time of the transfer or the equivalent grade of such track, depending on the previous track's grading system, or the next 2 grades higher or lower.

(f) The racing secretary may re-grade a greyhound at anytime within its first 3 starts, but not more than one grade higher or lower.

(g) A greyhound that has advanced from grade M and has been dropped from further racing without winning another official start may be re-qualified after a period of 30 days. Upon requalification the greyhound shall be placed in grade E by the racing secretary.

(h) Greyhounds not racing because of illness or injury for 30 days or more may be re-classified.

(i) All stakes races shall be indicated by the letter "S" and the grade.

(2) **ADVANCE IN GRADE.** (a) The racing secretary shall advance a greyhound that wins a maiden race to grade E.

(b) The racing secretary shall advance a greyhound that wins a race 1 grade until reaching grade A.

(c) On request by a kennel owner or trainer, the racing secretary may advance a greyhound that finishes second, third or fourth in a maiden race to grade E and then must advance as provided in this section. For a greyhound re-graded on request under this subsection, the association shall place the letter "M" after the greyhound's name in the racing program.

(3) **DECLINE IN GRADE.** The racing secretary shall lower a greyhound to the next lower grade for the following reasons:

(a) If the greyhound fails to finish in the top 3 positions in three consecutive starts; or

(b) If the greyhound fails to finish better than third at least once in 4 consecutive starts.

(4) **DROP IN ELIGIBILITY.** (a) If a greyhound in grade E fails to finish in the top 4 positions in 4 consecutive starts the greyhound shall be dropped from further racing at that race meeting. However, a greyhound that wins a maiden race and advances to grade E in its initial entry in that grade may fail to finish in the top 4 finishing positions in 6 consecutive starts before being dropped from further racing.

(b) If a maiden fails to finish in the top 4 positions in 6 consecutive starts, the greyhound shall be dropped from further racing at the meeting, except that if it re-qualifies, the greyhound shall be given 2 additional starts. If the greyhound fails to finish in the top 4 positions in those

2 starts, the greyhound shall be dropped from further racing at the race meeting.

(d) Entrance money shall not be refunded on the death of a greyhound or failure to start.

(2) **ELIGIBILITY FOR ENTRY.** (a) A greyhound shall not be qualified to be entered or to start in any race if owned in whole or in part or is under the control, directly or indirectly, of a disqualified person. Any purse money won shall be returned.

(b) No greyhound shall be permitted to enter or to start unless conditioned by a licensed trainer as registered with the board.

(c) No greyhound on the schooling list or the veterinarian's list shall be allowed to enter.

(d) Female greyhounds coming in season during the race meeting shall not be accepted for entry within 30 days from the date noted the greyhound came in season. Before being accepted for entry the greyhound shall be examined by the board's veterinarian and schooled to the satisfaction of the stewards.

(e) Lactating females shall not be eligible to enter, school or race.

(f) No greyhound under the age of 14 months may enter any official race.

(3) **STAKES.** (a) Entries for stakes races, the conditions of which have previously been published, shall close at the time advertised in such publication and no entry shall be received after that time. 1. When an hour for closing is designated entries and declarations for stakes shall not be received afterwards;

2. If an hour is not designated entries and declarations shall be mailed up to midnight of the day entries close, provided they are received in time for compliance with every other condition of the race.

(b) In the event the number of entries to any stake race is in excess of the number of greyhounds that may be permitted to start, the starters for the race shall be determined by the racing secretary according to the published conditions of the race.

(c) An entry in a stakes race shall not be withdrawn. However, in a multiple race series an entry may be scratched if the board veterinarian Register, March, 1990, No. 411

determines that it is unable to compete. A greyhound scratched from a stakes race shall not start officially before the stakes race is final.

(d) In the absence of notice to the contrary, entrance and declarations for stakes races which close during or on the eve of a racing meet shall close at the office of the racing secretary. Closing at all other times for stakes races shall be at the office of the association.

(e) All stakes races shall be indicated by the letter "S" and the grade. The letter "S" shall appear at the top of each page of the program for this type of race. After racing in a grade S race, the greyhound's grade shall include the S followed by the greyhound's current grade.

(f) A person entering a greyhound shall be liable for the entrance money or stake. Should the subscriber transfer the entry, the subscriber shall be liable.

(g) If a stakes race is not run all stakes or entrance money shall be refunded.

(h) If the racing secretary allows a greyhound to start in a race without its entrance money or stake having been paid, the racing secretary shall be liable for the money due.

(i) Subscription of entry or right of entry shall survive the death of nominator or subscriber of the greyhound.

(4) DRAWING. (a) The post positions of greyhounds starting shall be assigned by random lot or drawing, including computerized drawing.

(b) Entries shall not be drawn and assigned a post position unless a steward representing the board and the racing secretary are present. The kennel owner or trainer may be present, but their absence at the time of drawing shall constitute a waiver of their right to be present.

(c) The racing secretary shall post, in an area previously designated for this purpose, the date, time and place for the drawing of entries and assignment of post positions at least one day prior to the running of the race.

(d) The following provisions apply to the listing of greyhounds not drawn:

4. The racing secretary shall maintain on the list a balance of greyhounds in different grades and distances.

(e) In purse races, there shall be at least 7 greyhounds of completely different ownership. No trainer or owner shall have more than 2 greyhounds in any race except in stakes or sweepstakes. In all other purse races, the following conditions shall apply:

RACE 7

(c) All greyhounds must be weighed in and weighed out with the muzzle, collar and lead strap approved by the board's paddock judge.

(f) In an emergency, when a vacancy occurs among the racing officials other than the stewards, the stewards shall immediately fill the vacancy:

1. The appointment shall be effective only for one day unless the stewards determine continuation of such appointment is required.

2. Such appointment shall be reported immediately to the director by the stewards.

(g) In an emergency when a vacancy occurs for an association steward, the presiding steward shall appoint a racing official to serve for that program. The appointment shall only be effective for one day, unless the presiding steward determines continuation of such appointment is required.

(h) The question of whether a start was a fair start shall be the decision of the stewards and such decision shall be final and if the stewards decide that a start was not a fair start the race shall be declared a "no race."

(i) The stewards shall determine the finish of the race by the relative position of the muzzles of the greyhounds. In cases where the muzzle is off, hanging or in the mouth the stewards shall consider the relative position of the nose of the greyhound.

(j) The stewards shall display the numbers of the first 3 greyhounds in each race in order of their finish. If the stewards differ in their placing, the majority shall prevail. Nothing in these rules shall be construed to prevent the stewards from correcting an error before the display of the sign "official."
