

specified in sub. (6). The terms and conditions of the license shall remain in force during the extension period.

(8) PERIODIC REVIEW. Each plan approval for a land disposal facility shall be reviewed by the department 5 years after issuance of the initial operating license and at 5 year intervals thereafter while the facility remains licensed. The plan approval and license may be modified as necessary under s. NR 680.07.

| 670         | Miscellaneous | Yes                 | Yes                        | 500                          | 1,000              | 2,500   | 500              | 250                  | 1,000                  | 1,000                        | 250                          | 1,000                  | 2,000                   | 4,000                           | 500                                 | 1,000                     |                                     |                           |

(1) In accordance with s. NR 680.05, all reports and plan sheets shall be made under the seal of a registered professional engineer. Reports where interpretation of geology or hydrogeology is necessary shall be signed by a hydrogeologist.

(2) The plan review fees specified in Table XII cover the department's review from initial submittal through approval or denial of a report or plan. An applicant may revise or supplement a report or plan deemed incomplete and resubmit it without paying an additional review fee. The applicant shall pay a plan review fee as specified in Table XII for resubmittal of a plan which has been previously denied or withdrawn after having been determined to be complete. The department may waive any plan review fee if it determines that the total review time is not likely to exceed 4 hours.

(3) A facility must have a separate license for each hazardous waste management activity it conducts. Final licenses and variances must be renewed annually.

(4) A plan modification, as referred to in Table XII, is a submittal which proposes to modify a license, variance, or plan previously approved by the department.

(5) Certain small storage facilities may not be required to submit a feasibility and plan of operation report in accordance with s. NR 640.07.

(6) Applicants submitting a closure plan as part of a plan of operation or a feasibility and plan of operation report may not be required to pay the closure plan review fee.

- (7) The owner or operator of the facility shall pay a total of \$1,000 plan review fee for each phase of the corrective action program. The phases are facility investigation; selection of alternatives; and remedial design and operation.
- (8) Any facility which cannot clean close will be required to obtain a closure and long-term care license and will be required to pay a \$5,000 Closure and Long-Term Care License Fee. This is a one-time only fee to cover the entire 30-year long-term care period. Transportation services and recycling facilities are exempt from this requirement.
- (9) This fee is a one-time only payment to cover the interim license period until a final determination on the issuance of an operating license is made by the department.
- (10) A commercial facility has the definition in s. NR 600.03 (37).
- (11) A non-commercial facility has the definition in s. NR 600.03 (144).

- (1) In accordance with s. NR 680.05, all reports and plan sheets shall be made under the seal of a registered professional engineer. Reports where interpretation of geology or hydrogeology is necessary shall be signed by a hydrogeologist.
- (2) The plan review fees specified in Table XIII cover the department's review from initial submittal through approval or denial of a report or plan. An applicant may revise or supplement a report or plan deemed incomplete and resubmit it without paying an additional review fee. The applicant shall pay a plan review fee as specified in Table

XIII for resubmittal of a plan which has been previously denied or withdrawn after having been determined to be complete. The department may waive any plan review fee if it determines that the total review time is not likely to exceed 4 hours.

- (3) A facility must have a separate license for each hazardous waste management activity it conducts. Final licenses must be renewed annually.
- (4) A plan modification, as referred to in Table XIII, is a submittal which proposes to modify a license, variance, or plan previously approved by the department.
- (5) Applicants submitting a closure plan with a feasibility and plan of operation report may not be required to pay the closure plan review fee.
- (6) The owner or operator shall pay a construction inspection fee as required by s. NR 680.09.
- (7) The owner or operator of the facility shall pay a total of \$5000 plan review fee for each phase of the corrective action program. The phases are facility investigation; selection of alternatives; and remedial design and operation.
- (8) Facilities which clean close are not required to obtain a closure and long-term care license. This is a one-time only fee to cover the entire 30-year long-term care period. All facilities subject to this requirement must pay this one-time fee even if they previously obtained a long-term care license.
- (9) This fee is a one-time only payment to cover the interim license period until a final determination on the issuance of an operating license is made by the Department.
- (10) A commercial facility has the definition in s. NR 600.03 (37).
- (11) A non-commercial facility has the definition in s. NR 600.03 (144).
