

2. If, after making reasonable efforts, the agency is unable to locate an appropriate person to whom protective payments can be made, payments for the remaining eligible group members may continue to be made to a caretaker relative who has been sanctioned under s. HSS 201.19 (2) for failure to meet JOBS requirements or who has failed to meet child support requirements under s. HSS 201.18.

(c) If continued mismanagement of funds is a threat to the health and safety of the child, all or part of the grant may be a protective payment or part of the grant may be a direct payment and part a protective or vendor payment or both. The agency shall investigate reports of mismanagement before instituting protective or vendor payments.

(d) The agency director or designee shall authorize all protective and vendor payments. The reason for the authorization shall be documented in the case record and shall show the name of the eligible recipient, the name of the protective or vendor payee, and the amount and form of payment authorized. Authorization shall only be made with the recipient's knowledge, providing he or she is able to understand it.

(2m) METHOD OF PAYMENT. Payment shall be made by check or by means of electronic funds transfer under sub. (4).

(3) RESTRICTION ON USE OF ASSISTANCE NOT PERMITTED. Payment shall consist of an unconditional transfer and delivery of the benefits to the payee with no restrictions imposed by the agency on the use of the funds.

(4) ELECTRONIC FUNDS TRANSFER. (a) In this subsection:

1. "EFT" or "electronic funds transfer" means a computerized mechanism for the direct deposit of payments into a checking or savings account in a bank, credit union, or savings and loan association located in Wisconsin, Illinois, Iowa, Minnesota, or Michigan. EFT functions as a "warrant" as that term is used in 45 CFR 234.11 (a).

2. "State account" means a savings account owned by the department for which a record of transactions is provided by the bank, credit union or savings and loan association to the account's owner on a regular basis.

3. "State co-owned account" means a savings account owned jointly by the department and an AFDC recipient and for which a record of transactions is provided by the bank, credit union or savings and loan association to the account's owners on a regular basis.

(b) Payment of monthly AFDC benefits by means of EFT shall be made no later than the 5th working day of the month.

(c) Except as provided under par. (e), payment shall be made by means of EFT if:

1. A recipient who has an individual checking or savings account in a bank, credit union or savings and loan association that accepts electronic funds transfers requests that payments be transferred into that account by means of EFT; or

2. A recipient is required by the agency director or the director's designee to receive assistance payments by means of EFT. An agency may require EFT participation for a recipient who has:

- a. Made 2 or more requests for duplicate checks in the past 6 months;
- b. Been found guilty of fraud under s. 49.12 or 49.49, Stats., in the past 6 months;
- c. Requested EFT participation but been refused ownership of an individual checking or savings account and, in the judgment of the agency director or the director's designee, would benefit from receiving payments by means of EFT; or
- d. Failed to provide verification of a home address and there is reason to believe that the recipient is not a resident of the county in which the AFDC payments are made.

(d) A recipient shall apply to receive assistance payments by means of EFT on a form prescribed by the department.

Note: Application forms are available from county or tribal income maintenance agencies.

(e) The agency director or the director's designee may deny payments by means of EFT to a recipient who cannot produce verification of a home address and there is reason to believe that the recipient is not a resident of the county in which the AFDC payments are made or to a recipient who does not have a checking or savings account in a bank, credit union or savings and loan association in the community in which he or she lives and there is a bank, credit union or savings and loan association located in that community.

(f) If EFT participation is required under par. (c) 2, payments shall be deposited in a state co-owned account. Financial transactions made with an account required under this paragraph shall be limited to AFDC benefit deposits by means of EFT and in-person withdrawals.

(g) If a recipient is required under par. (c) 2 to receive assistance payments by means of EFT and refuses to cooperate in establishing a state co-owned account, payments shall be deposited in a state account. Financial transactions made with an account required under this paragraph shall be limited to AFDC benefit deposits by means of EFT and in-person withdrawals by the recipient.

(h) If it is necessary to identify the AFDC grant in an account, a first-in, first-out accounting procedure shall be used to distinguish the AFDC grant from non-AFDC funds. In this paragraph, "first-in, first-out accounting procedure" means an accounting method under which it is assumed that funds are withdrawn from an account in the order in which they are deposited.

Note: For example, an AFDC grant of \$250.00 is deposited in an account on April 1. The balance in the account is \$250.00. On April 3, a deposit of \$25.00 is made, bringing the new balance to \$275.00. With first-in, first-out accounting, the AFDC funds are identified as the first \$250.00 to be withdrawn from the account after the deposit is made. If a portion of the \$250.00 has been withdrawn from the account and a portion remains in the account, the AFDC funds are the amount of withdrawals plus the amount remaining in the account equal to \$250.00. The non-AFDC funds are the monies remaining after the \$250.00 AFDC grant deposit has been accounted for.

(i) 1. The agency director or the director's designee shall authorize mandatory EFT participation under par. (c) 2 for a period not to exceed 12 months. This authorization shall be reviewed when redetermining the recipient's eligibility as provided in s. HSS 201.09 (3) or whenever the circumstances that required EFT participation change.

2. The agency director or the director's designee may terminate mandatory EFT participation under par. (c) 2 if the circumstances which
