Tax 17.01 Administrative provisions. (ss. 77.63, 77.64, 77.65, 77.655, 77.66 and 77.67, Stats.) (1) **PURPOSE.** This section describes the administrative provisions pertaining to the property tax deferral loan program, as authorized by ss. 77.66 (3) and 77.67 (4), Stats.

(2) **DEFINITIONS.** In this chapter and ch. 77, subch. IV, Stats.:

(a) "Applicant" means the person who has filed an application for a loan but has not yet been accepted into this program.

(b)1. "Co-owner" means a natural person who, on the date the initial application is submitted to the department, has an ownership interest in the qualifying dwelling unit and meets one of the following:

- a. Is at least 60 years of age.
- b. Is the applicant's spouse and is permanently disabled.
- c. Is the applicant's spouse and the applicant is permanently disabled.

2. For purposes of this section, the spouse of a participant has an ownership interest in the dwelling unit. The spouse of a co-owner who is not a participant is not a co-owner unless the spouse has an ownership interest.

(c) "Income" means household income as defined in s. 71.52 (5), Stats., and ss. Tax 14.01 (2) (e) and 14.03.

(d) "Loan agreement" means an application signed by the participant and all co-owners, which has been approved by the department and on which a loan check has been issued.

(e) "Ownership interest" means to be named as an owner on a title instrument which is recorded in the records of the register of deeds for the county in which the dwelling unit is located, except that ownership interest for a spouse under s. 77.64 (1), Stats., does not have to be recorded.

(f) "Permanently disabled" means to be certified in writing by a licensed physician as having a permanent disability.

(g) "Property taxes" means the net real estate taxes after application of statutory state tax credits levied on a qualifying dwelling unit in 1985 or thereafter under ch. 70, Stats. If the qualifying dwelling unit is purchased during the year in which the loan application applies and the buyer is given credit in the closing agreement for the portion of property taxes allocable to the seller for that year, only the buyer's portion of the property taxes shall be used in applying for a loan under this program. In this paragraph, "real estate taxes" do not include any of the following:

1. Special assessments pertaining to realty.
2. Delinquent taxes, including delinquent interest and penalties, for years prior to the year for which the loan application applies.

3. Charges for service or other charges added to the property tax bill.

(h) "Qualifying dwelling unit" includes a unit in a condominium or cooperative building, regardless of the number of dwelling units within the building. However, it does not include a unit in other buildings with more than 4 units, such as an apartment building; nor does it include a mobile home as defined in s. 66.058, Stats. If 100% of a dwelling unit is not used exclusively as the applicant's personal residence and other use exceeds 20%, only the percentage used for personal residence shall qualify as a dwelling unit under this program. A qualifying dwelling unit also includes up to one acre of land connected to the qualifying improvements. It may also include an allocable portion of a garage and other buildings used to maintain the dwelling unit.

(i) "Temporary residency in a health care facility" means a stay in a hospital or nursing home which has not exceeded 18 months.

(3) ALLOCATION OF PROPERTY TAXES. To determine the proportion of property taxes eligible for a loan when the parcel of property includes more than a qualifying dwelling unit as defined in s. 77.64 (7), Stats. and sub. (2) (g) or more than one acre of land connected to it, or both the portion eligible for a loan may be determined on any reasonable basis, subject to the department's approval. The allocation may include consideration of any of the following factors:

(a) The fraction the assessed value of the qualifying dwelling unit and up to one acre of land connected to it on the current tax bill bears to the total assessed value of the property on the same tax bill.

(b) The fraction the insured value of the qualifying dwelling unit on the current insurance policy bears to the total insured value of the property on the same insurance policy.

(c) The fraction the square footage, or number of rooms or units, that are part of the qualifying dwelling unit bears to the total square footage, or number of rooms or units, in the property.

(d) The fraction the appraised value of the qualifying dwelling unit and up to one acre of land connected to it bears to the total appraised value of the property according to a current appraisal by a certified Wisconsin appraiser.

(4) FLOOD PLAIN INSURANCE. In addition to fire and extended casualty insurance required by s. 77.65 (3), Stats., separate flood insurance is required if the dwelling unit is located in a designated flood plain as defined under the National Flood Insurance Act of 1968, 42 United State Code §4001, et. seq.

(5) ISSUANCE OF LOAN CHECK. (a) The loan check shall be made payable to the participant only when satisfactory proof of payment in full of the property tax is furnished to the department.

(b) If satisfactory proof of payment in full is not furnished and if there is no prior year's property tax owed, the loan check shall be made payable to the participant and either the municipal or county treasurer according to which has authority to receive the property tax payment at the time the state's loan check is mailed.

(c) If the participant owes prior year's property tax on the qualifying dwelling unit, the loan check shall be made payable to the participant

and either the municipal or county treasurer according to which has authority to receive the prior year's property tax payment at the time the state's loan check is mailed.

(6) **PROHIBITED USE OF LOAN PROCEEDS.** (a) The department may not setoff any portion of a loan approved under this program against any delinquent account owed the department or another state agency by the participant, the participant's spouse or any co-owner.

(b) The loan may not be subject to garnishment, levy or attachment by any other creditor of the participant.

(7) **ASSUMPTION OF PARTICIPANT'S ACCOUNT BY CO-OWNER.** (a) If a participant ceases to reside in a qualifying dwelling unit or if the participant's total ownership interest in the qualifying dwelling unit is transferred to one or more co-owners, or if both of these events occur, a co-owner may assume the participant's account under this program if both of the following occur:

1. The co-owner applies to assume the outstanding loan within 90 days of the date the participant ceases to reside in the qualified dwelling unit or the date when the participant transfers his or her ownership interest in the qualifying dwelling unit, whichever occurs first.

2. The co-owner permanently resides in the qualifying dwelling unit on the date that he or she submits the application to assume the participant's account.

(b) A co-owner who meets all of the requirements of this program may qualify for additional loans by submitting an application under s. Tax 17.02 (2).

(8) **DISAGREEMENT WITH DEPARTMENT.** Applicants and participants who are aggrieved by the department's determination with respect to an application for a loan under this program or with respect to loan repayment may within 60 days after receipt of a notice of determination, file a written petition for redetermination with the department's appellate bureau. The appellate bureau shall render a decision on the petition and notify the petitioner of its decision within 60 days after the petition is filed. Applicants and participants aggrieved by the department's decision may appeal the decision to the circuit court as provided in s. 77.66 (8), Stats.

The signatures shall denote acceptance of all terms of the application.

(4) **PROPERTY TAX PAID BY COOWNERS.** An applicant living in a qualifying dwelling unit having one or more co-owners who do not reside in the dwelling unit but who pay all or part of the unit's property taxes, shall not be ineligible for a loan under this program because of the payment arrangements.

(5) **TRANSFER OF ACCOUNT UPON DEATH OF A PARTICIPANT.** Upon the death of a participant, a co-owner who has no ownership interest in the qualifying dwelling unit, other than a surviving spouse who acquires title to the property, shall not be eligible for transfer of the loan account under s. 77.655, Stats.

(7) **TWO OR MORE PERSONS QUALIFYING FOR LOAN.** Only one person may apply for a loan for payment of real estate taxes for a year, on a qualifying dwelling unit, regardless of the number of co-owners. When 2 or more persons are qualified to apply for a loan on a single dwelling unit, they shall determine between them who the applicant shall be.

(8) **CO-OWNERS AS PARTICIPANTS.** Co-owners as defined in s. 77.64 (1), Stats., who could individually qualify as participants and who reside in separate dwelling units in an otherwise qualifying multi-unit building, may each apply for a loan under this program for the unit in which they each reside. The loan may not exceed the amount of the property tax allocable to the dwelling unit in which they each reside and when added to the sum of the taxes which are allocable to all other units, may not exceed the total of the property taxes for the entire multi-unit building.

(9) **NOMINAL LOANS.** Under s. 77.66 (1), Stats., the interest accruing on loans shall be sufficient to meet the expenses arising from the operation of this program. To satisfy the intent of the law and to insure equitable disbursement of program costs among all loans, loans will not be approved for amounts less than \$100.00, unless the applicant provides evi-

dence to the satisfaction of the department that a financial hardship exists to pay property taxes.

(a) A co-owner who assumes the participant's account under s. 77.655, Stats.

(b) A participant, or co-owner who has assumed the participant's account under s. 77.655, Stats., who ceases to reside in the qualifying dwelling unit. (3) **AUTHORITY AND ORDER OF APPLICATION OF REPAYMENT.** All loans issued under this program shall be repaid to the department of revenue as provided in this section and s. 77.66 (4) (b) and (c), Stats. In the case of multiple loans on any one dwelling unit, payment shall be applied to the loans as specified by the payor, and if not specified, the department shall apply the payment to the loan bearing the earliest issue date. (6) **CEASING TO MEET ELIGIBILITY REQUIREMENTS.** Under s. 77.66 (5), Stats., the department may require partial repayment of outstanding loans if a participant ceases to meet this program's eligibility requirements. In this event the department may determine the amount of the repayment due, including interest, and demand payment of that amount by a specified date.

(7) **EXCESSIVE LOANS ISSUED.** When the department determines that an excessive loan was issued, the department may accelerate and demand payment of a portion or all of the loan by a specified date.

(8) **INTEREST DUE ON LOANS.** (a) The annual rate of interest payable on loans issued under this program shall be determined each year by the secretary and specified in the loan agreement, on Form PT, between the department and the participant and co-owners.

(b) The rate of interest shall be simple interest, not compounded, and shall remain fixed at the rate specified for the life of the loan.

(c) The interest shall begin to accrue on the date the loan check is issued and shall be due and payable at the same time the loan is repayable.

(d) The interest rate shall be sufficient to recover all operating expenses of the program. Normal operating expenses may include the following:
