Note: Form I-827 or form 1NPR may be obtained from the Department of Revenue at 4638 University Avenue, Madison, or from any other Department of Revenue office located throughout the state, or by mail request to Wisconsin Department of Revenue, P.O. Box 8903, Madison, WI 53708.

Tax 2.02 Reciprocity. (ss. 71.05 (2) and 71.64 (8), Stats.) (1) **PURPOSE.** This section explains the reciprocity agreements between Wisconsin and other states.

(2) **DEFINITIONS.** The following definitions pertain only to Wisconsin. Definitions of the same terms in other states may vary. In this section:

(a) "Personal service income" means all salaries, wages, commissions and fees earned by an employe and all commissions and fees earned by a self-employed person in the conduct of a profession or vocation. Personal service income does not include income derived from activities involving the substantial use of capital or labor of others.

(b) "Resident" means a natural person who is domiciled in this state.

(3) **WISCONSIN LAW.** (a) Under s. 71.05 (2), Stats., income earned by a nonresident individual for performing personal services in Wisconsin shall be excluded from Wisconsin gross income to the extent the individual's state of residence imposes an income tax on the personal service income, if the state of residence allows either of the following:

1. A similar exclusion for personal service income earned by individuals domiciled in Wisconsin while working in that state.

2. A credit against the tax imposed by that state on the personal service income equal to the Wisconsin tax on the personal service income.

(b) Under s. 71.64 (8), Stats., a Wisconsin employer of a nonresident individual residing in a state with which Wisconsin has a reciprocity agreement under sub. (4) need not withhold Wisconsin income tax from personal service income earned in Wisconsin by the nonresident.

(4) **AGREEMENTS WITH OTHER STATES.** (a) Wisconsin has formal reciprocity agreements with:

1. Kentucky, for the years beginning on and after January 1, 1961.

2. Illinois, for the years beginning on and after January 1, 1971.

3. Michigan, for income earned after October 1, 1967 and years beginning on and after January 1, 1968.

4. Minnesota, for the years beginning on and after January 1, 1968.

(b) Wisconsin practices reciprocity with Indiana, since prior to 1960, on the basis of an informal agreement and acquiescence by Wisconsin and Indiana.

(5) **EFFECT OF RECIPROCITY.** (a) Personal service income included under reciprocity agreements is taxed by an employe's state of residence rather than by an employe's state of employment. Wisconsin will not tax personal service income earned in Wisconsin by residents of states with which Wisconsin has reciprocity, and those states may not tax personal service income which a Wisconsin resident earns in those states, except as described in subs. (6), (7), (8) and (9).

(b) For personal service income included under reciprocity agreements, an employer need only withhold income tax for the state of residence of an employe.

per month from the end of the extension period until the date of payment.

(b) Any required installments of estimated tax unpaid as of the original due date of the return are subject to interest at 1½% per month until paid regardless of any extensions granted for filing the return.

(c) A corporation return filed after the extension period is subject to a \$10 late filing fee.

(4) CONSOLIDATED RETURNS. Because Wisconsin does not permit the filing of consolidated returns, a copy of the automatic federal extension, form 7004, shall be attached to the Wisconsin franchise or income tax return of each member of an affiliated group filing a Wisconsin tax return.

(5) DOMESTIC INTERNATIONAL SALES CORPORATIONS. Since a domestic international sales corporation's (DISC's) federal annual information return, form 1120-IC-DISC, is not due for federal purposes until the 15th day of the 9th month following the end of the taxable year and the DISC's Wisconsin return, form 4 or 5, is due on or before the 15th day of the 3rd month following the end of the taxable year, a federal extension from a DISC cannot apply to the Wisconsin return. If a complete Wisconsin return cannot be filed by the due date, the corporation may obtain an extension from the department for a period not to exceed 6 months, if the extension is requested prior to the original due date of the return.

Note: Requests for extensions and related correspondence, documents or remittances shall be mailed to the Wisconsin Department of Revenue, P.O. Box 8908, Madison, WI 53708.

Tax 2.98 Disaster area losses. (ss. 71.01 (6) and 71.22 (4), Stats.) (1) (a) Hurricanes, fires, storms, floods, and other similar casualties may cause persons to suffer losses from damage to property used in a trade or business or for income-producing purposes for which insurance coverage is nominal or nonexistent. Losses sustained from casualties of this kind may be deductible on a federal and a Wisconsin income tax return.

(b) If a taxpayer sustains a casualty loss from a disaster in an area subsequently determined by the president of the United States to warrant federal assistance, s. 165 (h) of the internal revenue code gives taxpayers the election to deduct the loss on the return for the current tax year or on the return for the immediately preceding tax year.

(2) (a) The Wisconsin income tax treatment is determined under the federal internal revenue code in effect under s. 71.22 (4), Stats., for corporations and s. 71.01 (6), Stats., for individuals.

(b) If a corporation or an individual desires to make the election after having filed a Wisconsin income tax return for the preceding taxable year, the casualty loss may be claimed by filing an amended Wisconsin return for that year. To simplify the filing of an amended return, Wisconsin form 4X may be used by corporations and Wisconsin form 1X may be used by individuals.

Note: 1) For taxable years prior to 1987, the Wisconsin corporation tax law was contained in ch. 71, Stats., and was not referenced to the federal law in regard to disaster losses. Therefore, the election provisions in the internal revenue code were not available to corporations for

Tax 2

Wisconsin franchise and income tax purposes for those years. The amendment allowing disaster losses for corporations was enacted by 1987 Wis. Act 27.

2) Section 71.02 (2) (d), 1983 Stats., which defines "Wisconsin taxable income," was renumbered 71.02 (2) (me), 1985 Stats., and amended by 1985 Wis. Act 29, effective with 1986 individual income tax returns filed in taxable year 1987. This amendment is reflected in s. Tax 2.98. Section 71.02 (2) (me), 1985 Stats., was again renumbered, s. 71.01 (16), Stats., by 1987 Wis. Act 312. For 1985 and prior year income tax returns filed in 1986 and prior taxable years, disaster area losses from damage to property used for personal purposes were also allowed, as an itemized deduction, using the provisions in sub. (1) (b) and the individual treatment in sub. (2) (b).

3) As an example of Note 2) on March 23, 1976, the president of the United States declared that 22 Wisconsin counties warranted assistance by the federal government under the Disaster Relief Act of 1974. This resulted from the damage during the severe rain and ice storm which occurred March 1 through 12, 1976 in the following 22 counties:

Calumet	Iowa	Rock
Columbia	Jefferson	Sauk
Crawford	LaFayette	Sheboygan
Dane	Manitowoc	Vernon
Dodge	Milwaukee	Walworth
Fond du Lac	Ozaukee	Washington
Grant	Richland	Waukesha
Green		

An individual who sustained a casualty loss from this disaster in any of these 22 counties, regardless of where that individual resided, could have elected to deduct the loss on the individual's 1975 Wisconsin income tax return. The election had to have been made on or before April 15, 1977 for calendar year taxpayers, assuming the due date for filing the 1975 Wisconsin return was not extended beyond April 15, 1977. If the election was not made, the loss was deductible on the taxpayer's 1976 return.

4) Tax 2.98 explains some federal provisions relating to disaster area losses and how the Wisconsin law for individuals conforms to the federal law, however, it does not explain all the details regarding casualty losses. Internal Revenue Service Publication 549, entitled "Condemnations and Business Casualties and Thefts," may be helpful in understanding such details as how to deduct a casualty loss, what to do if the loss exceeds income, how to adjust the basis of property damaged or replaced, how to report the amount received from insurance or other sources, and related casualty loss problems.
