

consin conservation commission for the purpose of taking or holding fish therein at any time, or for any person or persons to lift, molest, cut or destroy any fish net, fish holding net, fish trap, fish pond, or any structure or net placed in any of the waters of the state by the Wisconsin conservation commission for the purpose of taking or holding fish therein.

(2) It shall be unlawful for any person or persons to take, catch, capture or kill fish or pursue fish in any fishing operations within 500 feet above or 500 feet below any net, dam or weir wherein the state of Wisconsin is fishing or holding fish for commercial, scientific, or biological purposes, when the area is properly posted by the Wisconsin conservation commission.

(3) No provisions in this section shall prohibit the state conservation commission or department of Wisconsin, its agents, deputy conservation wardens or representatives of the fisheries division of such commission or department from taking any of the fish mentioned in any of the sections of this order at any time or from lifting, setting, or transferring any nets or structures used in holding or capturing fish, wherein they deem it advisable and necessary to promote the general conservation program.

**WCD 19.07 Shooting preserves. (1) LAND OWNERSHIP OR LEASES.** Any person making application to the commission for a shooting preserve license must file with the commission a verified copy of any lease of lands contained in the area for which they are making application for a shooting preserve license after the area has been inspected and found eligible for license. In the event the person making application for a shooting preserve license is owner of the land, he shall file with the commission a sworn affidavit stating that he is the owner of such lands and has legal title to them.

(2) **THE OPEN SEASON.** The season for taking pheasants on shooting preserves shall be concurrent with the general pheasant season in the county or portion thereof in which the preserve is located, and end on January 31. An additional season for the shooting of cocks only, extending through the last day of February, will be granted on those shooting preserves where a game management plan approved by the department is being followed.

(3) **HUNTING LICENSE REQUIREMENTS.** No person shall hunt, take, capture, or kill pheasants, or any other game or wild animals, on any licensed shooting preserve areas authorized under section 29.573, Wis. Stats., unless he has in his possession at the time of doing such hunting, shooting, or killing of game or wild animals, a hunting license as required under the provision of sections 29.10, 29.11, 29.12, and 29.147, Wis. Stats.

(4) **AVAILABILITY OF RULES.** Shooting preserve licensees shall have available for the review of each person hunting, taking, catching, or killing pheasants on the licensed shooting preserve areas a copy of the rules of the commission regulating such shooting preserve.

(5) **SIZE AND LOCATION OF AREAS.** No shooting preserve license shall be issued after the effective date of this section (December 1, 1959), other than for those already in operation, for any land area larger than 640 acres or smaller than 120 acres, or for any area less than one-quarter mile from the exterior boundaries of a planned or approved

state or federal wildlife area, public hunting ground or refuge which is managed in whole or in part for pheasants. All lands under one license shall be contiguous.

(6) INVESTIGATION BEFORE LICENSING. The conservation department shall make such investigation necessary to determine that all provisions of section 29.573, Wis. Stats., and this section are complied with. All licenses are subject to the approval of the conservation director.

(7) POSTING REQUIREMENTS. All shooting preserve signs posted around licensed shooting preserve areas shall be purchased through the conservation department, and shall be placed at intervals of not more than 400 feet along the boundary lines of such areas.

(8) STOCKING PROCEDURE, TAGGING AND CREDITS. (a) All licensed shooting preserves shall be required to make a yearly minimum stocking of pheasants in the ratio of not less than one pheasant for each 4 acres of the area licensed, except that the minimum stocking requirement for any shooting preserve in excess of 640 acres licensed prior to the effective date of this section (December 1, 1959), shall be 160 pheasants. Failure to comply with the minimum stocking requirements during each licensed year shall automatically prohibit the renewal of the license, and also prohibit the licensing of any of the lands involved in any new license for a period of one year. Shooting preserves licensed prior to the effective date of this section (December 1, 1959), shall be subject to the minimum stocking requirement beginning July 1, 1960.

(b) All pheasants liberated shall be of the best quality stock and not less than 12 weeks of age. Upon written certification by the conservation department representative, listing the number and varieties of pheasants stocked, or leg-banded and placed in holding pens (see (e) below) and the date of such stocking or holding, regulation shooting preserve wing tags shall be furnished by the conservation department at a cost of 5 cents each to the licensee at a ratio of 75% of the total birds certified. All shooting preserve tags and tag credits shall expire on March 1.

(c) No person shall have in his possession or under his control any dead pheasant or pheasants of any species or varieties showing indications that they have been shot, unless the proper shooting preserve tag or seal has been immediately attached and locked through a slit in one wing of each pheasant. Such seals shall be supplied by the conservation commission at a cost of 5 cents each. This regulation will apply both during the general open season for pheasants and during the special pheasant season prescribed in this section for licensed shooting preserves.

(d) Whenever a shooting preserve licensee indicates to the commission that he desires to stock pheasants on a shooting preserve area, the commission shall furnish an authorized representative of the commission who shall count and certify to all pheasants liberated. Such representative shall thereafter notify the conservation department in writing of the number and varieties stocked and the day and date when such stocking occurred, except as provided in subsection (e).

(e) During the pheasant hunting season for shooting preserves, any shooting preserve shall be authorized to retain and stock pheasants from an approved holding pen, provided such birds have been counted,

banded on the left leg, and certified to by a conservation department representative. Leg bands will be provided by the commission at cost. The licensee agrees to stock all pheasants so retained.

(f) A daily record shall be kept by the licensee of all pheasant stocking and harvesting, including stocking or removal from holding pens. Such daily records and inspection of the licensed area, holding pen, and pheasants, shall be open to representatives of the commission at any time. Reports shall be filed with the commission on forms and on dates as specified by the commission.

(9) Duly authorized representatives of the commission in connection with preliminary inspections of areas which are licensed, and in conjunction with releases and holding of pheasants in pens, shall be reimbursed by the licensee for the actual mileage incurred in travel both to and from his station at the rate of 10 cents per mile.

**History:** 1-2-56; r. and recr. Register, November, 1959, No. 47, eff. 12-1-59.

**WCD 19.08 Tagging canned pheasants.** Pheasants produced on licensed game farms pursuant to section 29.574, Wis. Stats., and processed in cans shall be tagged by the licensee in the following manner: each such can containing a pheasant produced on a licensed game farm pursuant to said section 29.574 shall be marked and tagged by having embossed in either lid thereof the following legend: "WIS. L. G. F. NO. ", including in such legend the license number of the license issued to the licensee pursuant to said section 29.574.
