NR 150.10 Assistance to applicants. (1) Prior to making a formal application, any person considering a project that will require department approval may provide the department with a preliminary description of the proposed project and request that the department make a preliminary determination on the need for an EIR. The preliminary project description shall include a description of:

- (a) The planned development,
- (b) Major facilities and anticipated by-products or pollutant discharges, and
- (c) The specific locations being considered for the project.

(2) Upon receipt of a request under this section, the department shall, based on the information provided, provide the person with a list of department authorizations, permits and approvals that may be required, other available information that may affect the feasibility of the proposed project, and within 45 days of a request complying with this section, make a preliminary determination on the need for an EIR.

(3) A final determination will not be made until formal applications are submitted to the department.
