Tour 2.04 Department determination. With the advice of the heritage tourism committees, the department may select no more than 2 areas of the state in a fiscal biennium to participate in the heritage tourism pilot program. Before selecting an area under this chapter, the department shall determine all of the following:

(1) That the applicant will contribute cash, from a source other than the state in an amount at least equal to the grant requested under s. 41.19 (2m) (d), Stats. and sub. (2).

(2) That the applicant shall use the grant and matching cash contribution only to promote heritage tourism within the area.

(3) That, in comparison to other applicants, the applicant has the interest and experience to preserve and promote the area's historic or prehistoric resources.

(4) That, in comparison to other applications, it is desirable to preserve the area's historic and prehistoric resources when considering their authenticity, educational value, current state of preservation and protection, local capacity and priority for heritage preservation and promotion and cooperation among tourism businesses, operators of historic sites and political subdivisions for heritage tourism.

(5) That, in comparison to other applications, the proposed area contains a cohesive grouping of historic or prehistoric resources that can be effectively managed as a single local heritage tourism project.
