**Ph-Int 1.01 Introduction.** (1) Germane to the requirements for an internship program are the characteristics or attributes of the practitioner, in this case, the registered pharmacist. A registered pharmacist:

- (a) Contributes to the health and well being of the community;
- (b) Is the legal guardian for the procurement, storage and distribution of drugs;
- (c) Is the provider of drug information and other pharmaceutical services; and,
- (d) Is licensed by state government to practice in the manner defined by the pharmacy examining board.

(2) In his or her capacity as drug and drug-product expert in the health care community, the pharmacist must draw on the following backgrounds to fulfill adequately his or her responsibilities as enumerated in sub. (1):

- (a) Theoretical education;
- (b) Development of judgmental skills through practice experience;
- (c) Consultation with other health professionals;
- (d) Consultation with the public;
- (e) Continued education; and
- (f) General awareness of patients' health status and overall drug utilization.

History: Cr. Register, September, 1990, No. 417, eff. 10-1-90.

**Ph-Int 1.02 Registration as intern.** (1) In this chapter, "pharmacy intern", shall apply to all persons included in the following categories:

- (a) A person engaged in internship-for-credit as defined in s. Ph-Int 1.03(2);
- (b) A student engaged in internship practice activities on a part-time basis concurrent with academic registration as a student or as part of a professional experience program sponsored by a professional Bachelor of Science degree in pharmacy or Doctor of Pharmacy degree granting institution; and
- (c) A person who has successfully completed the internship requirement and is engaged in practice activities while preparing for the licensing examinations conducted by the pharmacy examining board.

(2) Registration as an intern is required of all individuals practicing as an intern regardless of credit or non-credit status.

(3) Internship registration may be granted to any one person who has successfully completed the fourth year of an accredited school of pharmacy curriculum.

(4) Initial internship registration must be for a period of internship-for-credit of not less than 60 days, except at the discretion of the pharmacy internship board.

(5) An intern shall actively pursue licensure as a pharmacist as evidenced by participation when eligible in the licensing examination; or, by active pursuit of a Bachelor of Science degree

in Pharmacy (B.S. Pharmacy) or a Doctor of Pharmacy degree (Pharm.D. degree), either entry-level or advanced degree.

(6) The internship application is to be accompanied by a registration fee of \$50.00.

(7) Registration as an intern expires on July 1 in the fourth year succeeding the year in which the registration fee was recorded, unless revoked, suspended or cancelled.

(8) Registration as an intern is valid for internship training only in the pharmacy listed on the internship application (except for a period of internship training not to exceed 30 days in a different pharmacy, which may be allowed at the discretion of the pharmacy internship board.

(9) The intern may not change place of internship without prior approval of the pharmacy internship board. The filing of a completed internship application with the pharmacy internship board shall be considered a binding agreement on both parties thereto for the normal period of internship for which it was intended. In the event of a breach of this agreement without the prior approval of the pharmacy internship board, no subsequent internship application signed by the party initiating the breach shall be accepted and approved within 180 days after the date that written information regarding such breach is received by the pharmacy internship board.

(10) In the event of a change of place of internship training, a new internship application must be completed and filed with the pharmacy internship board.

(11) Application for internship training should be received by the pharmacy internship board at least one week prior to the beginning of internship training.

(12) In the event of an interference with the relationship or internship agreement between a preceptor and intern by management, another preceptor or the management of any other pharmacy, a 12 or 24 month exclusion from the pharmacy internship program can be imposed on a preceptor and/or a pharmacy at the discretion of the pharmacy internship board.

History: Cr. Register, September, 1990, No. 417, eff. 10-1-90; am. (6) and (7), Register, November, 1995, No. 479, eff. 1-1-96.

**Ph-Int 1.03 Time of internship.** (1) PRACTICE AND EXPERIENCE. Candidates for licensure as a pharmacist shall have on file with the pharmacy internship board proof of having satisfactorily completed an aggregate of at least 1500 hours of internship-for-credit under the personal supervision of a registered pharmacist who is certified as a preceptor by the pharmacy internship board.

(2) INTERNSHIP FOR CREDIT. Internship-for-credit includes those periods of internship training which meet the requirements of the internship program. In granting or denying credit the director of pharmacy internship shall consider whether the applicant's entire 1500 hours of internship present a balanced practice and experience of the responsibilities of a licensed pharmacist. Credit shall be allowed in accord with the following conditions:

(a) No more than 1000 hours of internship credit shall be granted for periods of internship training completed prior to successful completion of all academic requirements for a Bachelor of Science degree in Pharmacy.

(b) Not less than 500 hours of internship-for-credit shall be completed after successful completion of all academic requirements for a Bachelor of Science degree in pharmacy at an institution recognized by the pharmacy examining board.

(c) Credit shall be allowed only for periods of internship training of at least 160 hours over four weeks, unless the pharmacy internship board for adequate cause allows lesser periods;

(d) Except as provided under par. (h), not more than 500 hours of internship-for-credit may be concurrent with academic registration;

(e) Credit may be allowed under par. (a) for non-traditional experience not to exceed 200 hours. Credit shall be allowed only upon prior approval by the pharmacy internship board and successful completion of the experience. Requirements of the internship program may be waived on a case by case basis provided the practice and experience relate to the responsibilities of a licensed pharmacist;

(f) Credit may be allowed under par. (a) for successful completion of a professional experience program sponsored by a professional Bachelor of Science degree in pharmacy or Doctor of Pharmacy degree granting institution. Credit shall be granted only where the program related to the responsibilities of a licensed pharmacist and the individual course meets preceptor, site and course content criteria established by the pharmacy internship board.

(g) No more than 300 hours of internship credit, in aggregate, shall be granted for less than full-time internship training concurrent with academic registration in a Doctor of Pharmacy degree program.

(h) Internship credit exceeding 500 hours may be granted for full-time internship training concurrent with academic registration in the Doctor of Pharmacy degree program at the discretion of the pharmacy internship board.

**(3) RECORDING OF CREDIT.** (a) Full-time training shall be an average of 40 hours per week;

(b) Credit shall be granted only for full-time training unless the pharmacy internship board, for adequate cause, allows periods of less than full-time training and grants credit on a pro-rata basis;

(c) No affidavit will be accepted unless submitted by the preceptor on the form provided by the pharmacy internship board;

(d) Credit for periods of internship shall be allowed at the discretion of the pharmacy internship board or at the discretion of the director of pharmacy internship to the extent that such authority may be delegated by the pharmacy internship board;

(e) The pharmacy internship board may, for due cause, override the recommendation of a preceptor regarding internship credit;

(f) Internship credit may be denied if the intern has not demonstrated acceptable progress and competence, and the granting of such credit would not be in the public interest, as deemed by the pharmacy internship board.

**History:** Cr. Register, September, 1990, No. 417, eff. 10-1-90; am. (2) (a), (b) and (f), r. and recr. (2) (g), cr. (2) (h) and r. (4), Register, November, 1995, No. 479, eff. 1-1-96; correction in (2) (d) made under s. 13.93(2m) (b) 7., Stats., Register, March, 1996, No. 483.

**Ph-Int 1.04 Supervision of intern.** (1) The preceptor pharmacist may supervise, and be responsible for, only one intern at a time.

(2) The preceptor shall have the responsible of the overall training of the intern in the practice of pharmacy as defined in s. 450.01(16), Stats. The work and training activities may at times be supervised by a pharmacist other than the preceptor.

(3) All "Internship-for-Credit" shall be under the supervision of a preceptor who is certified by the pharmacy internship board.

(4) Non-credit internship practice activities subsequent to the 1500 hours of internship-for-credit may be under the supervision of any pharmacist who is currently licensed and in good standing.

**History:** Cr. Register, September, 1990, No. 417, eff. 10-1-90; am. (4), Register, November, 1995, No. 479, eff. 1-1-96.

**Ph-Int 1.05 Out-of-state internship.** Credit for internship experience gained in a state other than Wisconsin may be granted toward the Wisconsin requirement provided that the preceptor, practice environment, time considerations and all other aspects of the internship meet the same criteria required of in-state internship situations.

**History:** Cr. Register, September, 1990, No. 417, eff. 10-1-90.

**Ph-Int 1.06 Preceptor certification.** (1) Application for preceptor certification may be obtained from the office of the pharmacy internship board.

(2) Certification must be renewed biennially on a calendar-year basis.

(3) A certificate attesting to the certification of a preceptor may be issued by the pharmacy internship board and renewal stickers may be issued biennially.

(4) An applicant for certification as a preceptor shall meet the following:

(a) Completion of 36 months of practice as a registered pharmacist.

(b) Completion of 6 months of practice at the internship site; a waiver may be granted if the applicant is transferred to a site within the same institution or company and is subject to the same operational policies and procedures.

(c) Current full-time practice as a registered pharmacist.

(d) Participation in continuing education program and professional activities accredited by the pharmacy internship board, with the applicant accumulating a minimum total of 20 units in the 24 months preceding certification as a preceptor.

(e) Participation in a preceptor conference at least once every 2 years. Credit for participation will be granted toward the continuing education and professional activities requirement as directed in par. (d).

(f) A history of exemplary professional and personal conduct.

(5) Certification as a preceptor is for a specific location of practice, a preceptor shall notify the pharmacy internship board of a change in place of practice, and shall re-apply for certification at the new location of practice.

**History:** Cr. Register, September, 1990, No. 417, eff. 10-1-90; r. and recr. (4), Register, November, 1995, No. 479, eff. 1-1-96.

**Ph-Int 1.07 Pharmacy and practice environment.** (1) **SCOPE.** (a) The pharmacy in which internship training is practice must exemplify comprehensive pharmaceutical practice;

(b) If a pharmacy practice is of limited scope, as defined in the guidelines of the pharmacy internship board, the intern may acquire only a specific portion of his or her total internship in that pharmacy practice at the discretion of the pharmacy internship board.

(2) **PATIENT AND INTER-PROFESSIONAL RELATIONS.** The pharmacy practice must provide an environment in which pharmacist-patient and pharmacist-physician interactions and consultations occur at sufficient frequency to inculcate a generally acceptable level of expertise in this phase of practice.

(3) **PATIENT MEDICATION PROFILES.** (a) The pharmacy practice shall include maintenance and utilization of patient-medication profiles by the preceptor and intern;

(b) In a hospital pharmacy practice in which patient medication profiles are not maintained and utilized in the pharmacy itself, the preceptor and intern must review patient charts on a routine basis.
