The applications and required documents for a regular license and for a temporary license may be reviewed by 2 members of the board, and upon the finding by the 2 members that the applicant is qualified for admission to examination for a regular license to practice physical therapy, the board, acting through the 2 members, may issue a temporary license to practice physical therapy under supervision to the applicant.

Practice under a temporary license may not exceed 9 months total duration. In this subsection, "hardship" means an applicant's inability to take or complete a scheduled examination because of illness, family illness or death, accident or disaster, or because the applicant is waiting for examination results.
