used in granting adoption assistance and apply to the department, adoption agencies and adoptive parents, except that the adoption of American Indian children is subject to 25 USC 1901 to 1963.

History: Cr. Register, July, 1985, No. 355, eff. 8-1-85; am. Register, December, 1988, No. 396, eff. 1-1-89.

HFS 50.03 Eligibility for adoption assistance. In order for a child to be adopted with adoption assistance the following circumstances shall exist:

(1) **ELIGIBILITY CRITERIA FOR THE CHILD.** (a) *Age.* The child shall be under 18 years of age at the time of adoption.

(b) *Special needs.* The child shall have at least one of the following special needs at the time of the adoptive placement:

1. The child is 10 years of age or older if age is the only factor in determining eligibility;

2. The child is a member of a sibling group of 3 or more children that must be placed together;

3. The child exhibits special need characteristics judged to be moderate or intensive under the schedule of difficulty-of-care levels specified in s. HSS 56.09 (3); or

4. The child belongs to a minority race and children of that minority race cannot be readily placed due to a lack of appropriate placement resources.

(c) *Availability for adoption.* A child shall be considered available for adoption if the child is in the guardianship of the department or an adoption agency and the department or adoption agency decides that the child cannot or should not return to the home of his or her parents. If the child is an American Indian, adoption procedures shall be in accordance with 25 USC 1901 to 1963.

(d) *Wisconsin responsibility.* A child brought to Wisconsin for adoption from another state under the interstate compact on the placement of children, ss. 48.988 and 48.989, Stats., or from another nation under an orphan, relative or medical immigrant visa may not be provided adoption assistance from this state.

(2) **REASONABLE PLACEMENT EFFORT.** All reasonable efforts shall be made to place the child without adoption assistance, including the following:

(a) A review of all approved and available homes associated with the adoption agency in an attempt to find a suitable home for the child; and

(b) Registration of the child with the Wisconsin adoption exchange for at least one month.

(3) **EXCEPTIONS.** (a) Subsection (2) shall be waived if the child has developed significant emotional ties with the foster family and it can be demonstrated that the child:

1. Identifies himself or herself as a member of the family;

2. Is regarded by the foster parents, foster siblings, community and school as belonging to that family; and

3. Has, because of his or her attachment to the foster family and other factors such as age and number of previous placements, a diminished probability of forming new attachments if denied permanence with this family.

(b) Subsection (2) shall be waived if a child is in an adoptive placement without adoption assistance and, prior to making the adoption final, problems specified under sub. (1) (b) 3. or s. HFS 50.05 (4) arise and the family requests adoption assistance.

HFS 50.05 Amount of adoption assistance. To determine the amount of adoption assistance, the following procedures shall apply:

(1) **MONTHLY ADOPTION ASSISTANCE PAYMENT.** (a) Each adoptive child's situation shall be considered individually in computing the adoption assistance which shall be based on the uniform foster care rates specified in s. 49.19 (12), Stats., and difficulty-of-care levels specified in s. HSS 56.09 (3).

(b) The amount of adoption assistance shall be the total monthly adoption assistance payment as indicated on the adoption assistance agreement under s. HFS 50.06 or as revised by an amendment to the adoption assistance agreement signed by both the adoptive parent or parents and the department.

(2) **MEDICAL ADOPTION ASSISTANCE.** (a) Adoption assistance for medical care shall be granted to all cases approved for monthly adoption assistance payments.

(b) Adoptive families covered by private health insurance policies shall provide information to the department regarding their coverage.

(c) The medical assistance card may not be used for care of the adoptive child covered by the family's insurance.

(d) Medical benefits provided under title XIX of the Social Security Act of 1935, as amended, are available to the adoptee in accordance with the procedures of the state in which the adoptee resides. If an adoptee with Wisconsin adoption assistance is not eligible in the state of residence, the department shall provide medical assistance in accordance with ss. 49.43 to 49.497, Stats., and chs. HFS 101 to 108. The department shall facilitate provision of eligible medical benefits through the interstate compact on adoption and medical assistance referenced in s. 48.9985, Stats.

(3) **NON-RECURRING ADOPTION EXPENSES.** When a child is adopted with adoption assistance, the department shall reimburse adoptive parents for non-recurring adoption expenses up to a \$2000 maximum. In this subsection, "non-recurring adoption expenses" means reasonable and necessary adoption fees, court costs, attorney fees and other expenses which are directly related

to the legal adoption of a child with special needs and which are not incurred in violation of state or federal laws.

(4) **FAMILY CIRCUMSTANCES.** The amount of adoption assistance shall take into consideration the circumstances of the adoptive family and the needs of the child being adopted. In negotiating the amount of the monthly adoption assistance payment within the limits of sub. (1), the department shall consider family circumstances such as the following:

(a) The burden on the family's financial resources is significant because of a need to provide for the adoptee;

(b) Although the family's financial resources are substantial, unusual circumstances have placed demands on the family income to the extent that providing for an adoptee would result in a significant financial burden;

(c) The family lacks health insurance or sufficient insurance to cover the expected medical needs of the adoptee; and

(d) Resources needed by the adoptee are not available in the family's community and the expense of gaining access to the necessary resources would place a significant financial burden on the family.

Benefits may continue to age 21 if the adopted person is a full-time student in high school or the equivalent, the department determines that the adopted person has a mental or physical handicap which warrants the continuation of assistance under 42 USC 673, the adopted person is not eligible for other benefits such as supplemental security income and the adopted person otherwise lacks adequate resources to continue in high school or the equivalent;

HFS 50.10 Deferral from listing a special needs child in the adoption photo listing book. (1) REQUEST FOR DEFERRAL.

An adoption agency may submit a written request to the exchange for a deferral from listing a special needs child in the adoption photo listing book for one or more of the following reasons:

(a) The child is in an adoptive placement but is not yet legally adopted;

(b) The child's foster parents or a prospective adoptive family has applied to adopt the child;

(c) Diagnostic study or testing is required to clarify the child's problems and provide an adequate description of the child's condition;

(d) The child is currently in a hospital or child care institution and the continuing need for daily professional care does not permit placement in a family setting; and

(e) The child is over 14 years of age and the child elects to defer listing for a period of time as determined by the child and his or her legal guardian with concurrence of the court or an administrative review.

(2) DEFERRAL DETERMINATION. Upon receipt of a written request for deferral, the exchange shall grant the request, except that a deferral based on sub. (1) (b), (c) or (d) shall be for no more than a one-time 90-day period.
