DEFINITIONS FOR PRACTICE OF SOCIAL WORK

SFC 2.01 Definitions.

Note: Chapter SFC 2 was created as an emergency rule effective April 26, 1993.

SFC 2.01 Definitions. In chs. SFC 2 to 7:

(1) "Accredited" means accredited by the council on social work education.

(2) "Certified advanced practice social worker" means a person who holds a certificate under s. 457.08 (2), Stats.

(3) "Certified independent clinical social worker" means a person who holds a certificate under s. 457.08 (4), Stats.

(4) "Certified independent social worker" means a person who holds a certificate under s. 457.08 (3), Stats.

(5) "Certified social worker" means a person who holds a certificate under s. 457.08 (1) or 457.09, Stats.

(6) "Client" means the individual, group, business, agency, school, organization, or association for whom the social worker provides professional services. The term "client" includes the term and concept of "patient."

(7) "Clinical field training" means a minimum of one academic year in the supervised practice of clinical social work services consisting of assessment; diagnosis; treatment, including psychotherapy and counseling; client-centered advocacy; consultation; and evaluation. "Clinical field training" does not include indirect social work service, administrative, research, or other practice emphasis.

(8) "Clinical social work" means social work with a clinical emphasis consisting of assessment; diagnosis; treatment, including psychotherapy and counseling; client-centered advocacy; consultation; and evaluation. "Clinical social work" does not include indirect social work service, administrative, research, or other practice emphasis.

(9) "Clinical social work concentration" means graduate studies in social work with a predominantly clinical emphasis consisting of assessment; diagnosis; treatment, including psychotherapy

and counseling; client-centered advocacy; consultation; and evaluation. The term includes limited indirect social work service, administrative, research, or other social work practice elements which do not significantly shift the focus of the social work studies from the clinical emphasis.

(10) "Counseling" means the process of identifying and providing options for the resolution or mitigation of an undesired circumstance. Counseling characteristically involves the provision of education, support, advice, guidance, or assistance with planning, and other services of a similar character but does not necessarily involve a long term counselor-client relationship.
