(2) COMPUTING CONTINUOUS SERVICE. (a) Only the most recent period in continuous employment status in either the unclassified service under s. 230.08 (2), Stats., or as a permanent employee in the classified service or both shall be counted in determining an employee's length of continuous service. This excludes time served as a limited term employee or in those positions under s. 230.08 (2) (k), Stats., regarding youth camps and students respectively. The inclusion of time served in a project appointment is governed by s. ER 18.05 (3) and (4).

(b) The continuous employment status of an employee eligible for annual leave shall not be considered interrupted if the employee:

1. Was on an approved leave of absence.

2. Left the service prior to July 5, 1998 and is reemployed within 3 years, subject to the following:

a. Employment prior to leaving the service and upon returning to the service within 3 years must be as a permanent, classified employee or as an unclassified employee other than a limited term employee.

b. Any return to service following termination for misconduct or delinquency is deemed to not be a qualifying reemployment under this subdivision, even though the return is within the 3 year period.

2m. Left the service on or after July 5, 1998 and is reemployed within 5 years, subject to the following:

a. Employment prior to leaving the service and upon returning to the service within 5 years must be as a permanent, classified employee or as an unclassified employee other than a limited term employee.

b. Any return to service following termination for misconduct or delinquency is deemed to not be a qualifying reemployment under this provision, even though the return is within the 5 year period.

Continuous service credits earned during employment in the unclassified service do not count toward this 6 month qualifying period. Employees who terminate during this 6 month period are deemed to have earned annual leave credits but have not acquired eligibility to take annual leave or receive any payment for the annual leave credits earned during this 6 month period.

(b) Unclassified employees are not required to complete a qualifying period prior to taking annual leave.

(4) COMPUTING ANNUAL LEAVE. (a) Annual leave credits in any given year shall not be earned for any period of absence without pay except periods of absence due to temporary layoff under s. ER-MRS 22.14.

(b) Annual leave for employees covered in sub. (3) (c) 1., 2. and 3. and persons included under s. 20.923 (4), (8) and (9), Stats., shall be prorated during the calendar year in which the rate of earning changes.

(c) Upon termination of employment, annual leave shall be prorated and payment for unused leave for which an employee is eligible under sub. (4) shall be made in accordance with sub. (9).

(d) The amount of annual leave earned by an employee during a calendar year is based on the employee's hours in pay status up to a maximum of 80 hours per biweekly pay period. An election under this paragraph shall be made in the year in which the annual leave is earned.

(c) The number of hours available for use under pars. (a), (b) and (bm) shall be prorated at the pertinent annual leave rate or rates for employees who work less than 2088 hours during the calendar year.

(6) WHEN ANNUAL LEAVE MAY BE TAKEN. (a) Pursuant to s. 230.35 (1) (b), Stats., employees may anticipate annual leave which they can earn during the calendar year. Anticipated annual leave shall be based upon a projection of the employee's number of hours in pay status during the calendar year and the conversion factors provided under sub. (4) (d).

(b) *When annual leave may be taken.* In determining annual leave schedules, the appointing authority shall respect the wishes of the eligible employees as to the time of taking their annual leave insofar as the needs of the service will permit. Annual leave allowance shall be taken during the calendar year except as follows:

1. Employees who request and receive approval from their appointing authority or who are required by their appointing authority to defer all or part of their annual leave for a given calendar year shall be permitted to take it within the first 6 months of the ensuing calendar year.

2. However, employees who are unable to take unused annual leave as provided in subd. 1. due to their work responsibilities shall be granted an additional 6 month extension of time in which to use the annual leave. Any extension under this subdivision shall be approved by the appointing authority. Any authorized leave credits, carried over from the previous calendar year, shall be dropped as of December 31 of the following calendar year. This paragraph shall not apply to any carried over leave credited under sub. (5) (a) 2. and (b) 2.

3. Employees completing an original probationary period during the first 6 months of the calendar year shall have the remainder of the calendar year in which to use annual leave earned in the previous year.

4. Employees completing an original probationary period during the last 6 months of the calendar year shall have the remainder of the calendar year and the first 6 months of the following calendar year in which to use annual leave earned in the previous year.

5. If the projected number of hours in pay status used to anticipate an employee's annual leave under par. (a) changes during the calendar year, the employee's anticipated annual leave balance

shall be adjusted in accordance with sub. (4). Employees granted additional leave during the last 6 months of the calendar year due to changes in the projected number of hours in pay status shall have the remainder of the calendar year and the first 6 months of the ensuing calendar year in which to use the additional annual leave earned in the previous year.

6. Employees may use annual leave as provided in s. ER 18.15 (4) (f) and (g).

(7) WHEN SABBATICAL LEAVE MAY BE TAKEN. In determining sabbatical leave schedules, the appointing authority shall respect the wishes of eligible employees as to the time of taking sabbatical leave subject to the needs of the service.

Note: See s. ER 21.04 regarding treatment of leave credits upon resignation from state service.

(c) Those employees referenced in s. 230.08 (2) (j), 1993 Stats.

This section also applies to unclassified staff of the legislature not identified under s. 20.923 (4), Stats., unclassified staff of a legislative service agency under subch. IV of ch. 13, Stats., staff of the state court system, and the one stenographer employed by each elective executive officer under s. 230.08 (2) (g), Stats. These persons shall be considered "employees" for the provisions regarding sick leave under this chapter.

(1m) CERTAIN ELECTED OFFICIALS' SICK LEAVE. This section also applies to elected officials except members of the legislature, circuit and appeals court judges and justices of the supreme court.

Note: See ss. 13.121 (4) and 757.02 (5), Stats., for accrual of sick leave credits for health insurance premiums for members of the legislature and circuit and appeals court judges and justices of the supreme court, respectively.

(2) ACCRUAL OF SICK LEAVE. (a) Sick leave credit shall accrue at the rate of .0625 hour for each hour in pay status, not to exceed 5 hours in any biweekly pay period.

(b) Sick leave credits in any given year shall not be earned for any period of absence without pay or time otherwise not worked or paid for, except that for administrative purposes, any approved absence or absences without pay totaling 4 work hours or less in any biweekly pay period will be disregarded. This paragraph does not apply to persons on temporary layoff under s. ER-MRS 22.14 who shall earn sick leave credits at the rate specified under par. (a) for the time spent on such temporary layoff.

(c) Unused sick leave shall accumulate from year to year in the employee's sick leave account pursuant to s. 230.35 (2), Stats.

Note: See s. ER 18.05 for sick leave carry-over provisions for project employees.

(d) Sick leave shall not be used until it has been accrued.

(3) ACCOUNTING FOR USE OF SICK LEAVE. The use of sick leave shall be charged to the employee's account by the appointing authority.

(4) ELIGIBILITY FOR AND USE OF SICK LEAVE. Each employee who has accrued sick leave credits shall be eligible to use sick leave for periods of absence from employment, as follows:

- (a) For personal illnesses, bodily injuries, maternity, or exposure to contagious disease:

(b) For immediate family or personal medical or dental appointments which cannot be scheduled at times other than during work hours.

(c) For temporary emergency medical care of ill or injured members of the immediate family for a limited period of time to permit the employee to make other arrangements. Use of sick leave for temporary emergency care of immediate family members is limited to 5 work days for any one illness or injury; however, the use of sick leave may be extended to cover unusual circumstances provided prior approval is obtained from the appointing authority.

(d) For a death in the immediate family, use of accrued sick leave due to a death in the immediate family is limited to a total of 3 work days, plus required travel time not to exceed 4 additional work days. However the appointing authority may extend the use of sick leave to cover unusual circumstances.

(e) An appointing authority may require a medical certificate to justify the granting of sick leave or to verify the fitness of an employee to return to work.

(5) SICK LEAVE CREDIT CONTINUATION. (a) Previously accumulated sick leave shall not be canceled by absence on approved leave under s. ER 18.14. Termination from the service for misconduct or delinquency shall cancel all unused accumulated sick leave. Whenever an unclassified employee covered by this section or a permanent classified employee is laid off, terminated due to lack of work or funds, or resigns prior to July 5, 1998, any unused accumulated sick leave credit shall remain on record and be restored if the person is reemployed in a position covered by this section within 3 years. Whenever an unclassified employee covered by this section or a permanent classified employee is laid off, terminated due to lack of work or funds, or resigns on or after July 5, 1998, any unused accumulated sick leave credit shall remain on record and be restored if the person is reemployed in a position covered by this section within 5 years. This provision shall also apply to project employees eligible to transfer credits under s. ER 18.05 (3).

Any additional sick leave credits will be credited to the employee's sick leave balance and are available for prospective use only.

(7) ADJUSTMENT TO SICK LEAVE BALANCE. (a) The sick leave balances of all employees in pay status on October 12, 1997 and

former employees who retired or were laid off from a position during the period from July 6, 1997 to October 12, 1997 shall be recomputed at the rate of .0625 for each hour in pay status, not to exceed 5 hours in any biweekly pay period, based on the number of hours in pay status in a position covered by this section during that time period. Any additional sick leave credits will be credited to the employee's sick leave balance and are available for prospective use only, except that former employees who retired or were laid off after July 6, 1997 and before October 12, 1997 may use the additional sick leave credits for the payment of health insurance premiums in the same manner as any sick leave credits that were available to them for that purpose at the time of retirement or layoff.

(b) The sick leave balances of all employees who move after October 12, 1997 from a position covered by a collective bargaining agreement under subch. V of ch. 111, Stats., to a position covered by this section shall be recomputed at the rate of .0625 for each hour in pay status, not to exceed 5 hours in any biweekly pay period, based on the number of hours in pay status in a position or positions covered by a collective bargaining agreement between July 6, 1997 and the effective date of the employee's move to a position covered by this section. The sick leave balance of an employee may not be adjusted for any hours in pay status during that time period if the employee's sick leave balance previously has been adjusted for those hours under sub. (6) or par. (a) or under terms of a collective bargaining agreement. Any additional sick leave credits will be credited to the employee's sick leave balance and are available for prospective use only. This paragraph does not apply after June 30, 1999.

Note: For provisions regarding sick leave conversion credit at the time of retirement, in the event of death or at the time of layoff, see s. 40.05 (4) (b) and (bm), Stats., regarding health insurance premiums.

5. Compensatory time off shall not be used until after the holiday during which it has accrued occurs. Prospective use of compensatory time off shall not be permitted.

(3) ELIGIBILITY FOR LEGAL HOLIDAYS. (a) For the purposes of this subsection, "scheduled work day" for an employee on a leave of absence without pay means the day the employee would have been scheduled to work had the employee been in pay status.

(b) To be eligible for any legal holiday with pay, a person must be in employment status on the holiday and do at least one of the following:

1. Work on the holiday;
2. Be in pay status on the last scheduled work day immediately preceding the holiday; or
