Subchapter II — Adoption Assistance

HFS 50.02 Adoption with adoption assistance. Sections HFS 50.03 to 50.06 specify procedures and criteria to be used in granting adoption assistance and apply to the department, adoption agencies and adoptive parents, except that the adoption of American Indian children is subject to 25 USC 1901 to 1963.

History: Cr. Register, July, 1985, No. 355, eff. 8-1-85; am. Register, December, 1988, No. 396, eff. 1-1-89.

HFS 50.03 Eligibility for adoption assistance. In order for a child to be adopted with adoption assistance the child must be available for adoption and the following circumstances shall exist:

(1) **ELIGIBILITY CRITERIA FOR THE CHILD.** (a) *Age.* The child shall be under 18 years of age at the time of adoption.

(b) *Special needs.* The child shall have at least one of the following special needs at the time of the adoptive placement:

1. The child is 10 years of age or older if age is the only factor in determining eligibility;

2. The child is a member of a sibling group of 3 or more children that must be placed together;

3. The child exhibits special need characteristics judged to be moderate or intensive under the schedule of difficulty-of-care levels specified in s. HFS 56.11 (3);

4. The child belongs to a minority race and children of that minority race cannot be readily placed due to a lack of appropriate placement resources; or

5. The child is a child at high risk of developing a moderate or intensive level of special needs under subd. 3.

(c) *Availability for adoption.* A child shall be considered available for adoption if the child is in the guardianship of the department, a county department under s. 48.57 (1) (hm), Stats., or an adoption agency and the department, county department, or adoption agency decides that the child cannot or should not return to the home of his or her parents. If the child is an American Indian, adoption procedures shall be in accordance with 25 USC 1901 to 1963.

(d) *Wisconsin responsibility.* A child brought to Wisconsin for adoption from another state under the interstate compact on the placement of children, ss. 48.988 and 48.989, Stats., except as mandated by federal statutes and regulations, or from another nation under an orphan, relative or medical immigrant visa may not be provided adoption assistance from this state.

Note: Federal law interpretations as provided in ACYF-CB-PA-01-01 and ACYF-CB-IM-01-08 require that in an interstate adoption, when the sending state public child welfare agency does not have responsibility for placement and care of a child, the public child welfare agency in the adoptive parents' state of residence is responsible for determining whether the child meets the definition of special needs, entering into the adoption assistance agreement, and paying the subsidy for a child who meets eligibility requirements for federally funded adoption assistance.

(2) **REASONABLE PLACEMENT EFFORTS TO ASSURE ADOPTION PLACEMENT.** (a) Reasonable efforts shall be made to assure a timely placement of the child with the best available family without adoption assistance. The agency shall make efforts to consider a number of families in order to locate the most suitable family for the child, including a review of all approved families associated with the agency, and consideration given, as required by s. 48.833, Stats., to the availability of an adoptive placement with a relative of the child, and those efforts shall be documented in the child's record. If 2 or more appropriate families are not approved and available within the agency, the agency shall make a timely effort to locate additional families by doing any of the following:

1. Contacting other adoption agencies.

2. Photolisting the child with the adoption information exchange.

3. Working through the adoption information exchange to photolist the child with a national adoption exchange.

(b) Once the agency has determined that placement with a specific family would be the most suitable for the child, the agency shall make a full disclosure to the family of the child's background, to the extent known, as well as any existing or potential problem related to the child known to the adoption unit of the agency.

(c) If the child has a special need under sub. (1) (b) and if the circumstances of either this subsection or sub. (3) exist, the agency shall inform the family of the adoption assistance program and ask the proposed adoptive parents whether they are willing to adopt without adoption assistance. If the family is not willing to adopt without adoption assistance, the requirement that a reasonable, but unsuccessful, effort to place the child without adoption assistance is met. A request for adoption assistance shall not be a basis for removing a child from a current adoptive placement.

(3) **EXCEPTIONS.** (a) Subsection (2) shall be waived if the child has developed significant emotional ties with the foster family and it can be demonstrated that the child:

1. Identifies himself or herself as a member of the family;

2. Is regarded by the foster parents, foster siblings, community and school as belonging to that family; and

3. Has, because of his or her attachment to the foster family and other factors such as age and number of previous placements,

a diminished probability of forming new attachments if denied permanence with this family.

(b) Subsection (2) shall be waived if a child is in an adoptive placement without adoption assistance and, prior to making the adoption final, problems specified under sub. (1) (b) 3. or s. HFS 50.05 (4) arise and the family requests adoption assistance.

HFS 50.044 Request to amend the adoption assistance agreement for a child at high risk of developing special needs.

(1) REQUEST FOR REVIEW. At least 12 months after the date of adoption, the adoptive parents who signed an adoption assistance agreement for a child at high risk may request that the agreement be amended because they now believe a substantial change in circumstances has occurred. If the request results in an amended agreement, any subsequent request for an amended agreement shall be made under s. HFS 50.045. If the request does not result in an amended agreement, the adoptive parents may request that the agreement be amended no earlier than 12 months after the date of the receipt of the last request by the department.

(2) FAMILY RESPONSIBILITY. To request that an agreement be amended, the adoptive family shall do all of the following:

(a) Complete and return the request for adoption assistance amendment form available from the department to record the family's observations of the child's physical, behavioral and emotional needs.

(b) Provide documentation by appropriate professionals of the child's current special needs to the department at the time of filing the request for adoption assistance amendment form to verify any substantial change in circumstances. That documentation may be a statement by the professional indicating that he or she concurs with the nature and level of special needs identified on the request for adoption assistance form. The report or statement of an appropriate professional shall be dated within 6 months prior to the date of the request for an adoption assistance amendment.

(c) If requested by the department, provide additional information about the child's current functioning.

(d) If requested by the department, have the child evaluated by a specialist of the department's choice and at the department's expense to provide information necessary in making the determination.

(e) Sign and return an amended agreement offered by the department to authorize a payment amount other than the amount in the original agreement.

Note: A copy of the Request for Adoption Assistance Amendment form, CFS 2092, may be obtained from the Department by writing to: Bureau of Program and Policies, Division of Children and Family Services, P. O. Box 8916, Madison WI 53708-8916.

(3) DEPARTMENT RESPONSIBILITY. If a request to amend an agreement is received, the department shall do all of the following:

(a) From a review of the information submitted by the family under sub. (2), determine whether a substantial change in circumstances exists to meet the eligibility requirements of s. HFS 50.03 (1) (b) 3. If additional information is needed to make the determination, the department shall notify the family of the need for the information and request that the information be submitted within 90 days from the date of the letter requesting the information and that failure to provide the requested information within 90 days may result in the request being denied by the department. The department may obtain technical assistance from a specialist or may require the family to have the child evaluated by a specialist of the department's choice and at the department's expense to provide information necessary in making the determination.

(b) Contact the appropriate human service agency or agencies in the jurisdiction where the adoptive parents have resided since the placement of the child to request information concerning any substantiated report of abuse or neglect of the child by the adoptive or proposed adoptive parents.

(c) If having determined that there has been a substantial change in circumstances documented by uniform rate determination which establishes a moderate or an intensive level in one or more categories of the supplemental payments schedule, and there has not been a substantiated report of abuse or neglect of the child or any other child by the adoptive or proposed adoptive par-

ents, offer to adjust the amount of adoption assistance for maintenance for up to one year based upon the uniform foster care rate in effect under s. HFS 56.11 (2) and (3) at the time the request for adoption assistance amendment form is received in the department. Payment shall include the basic rate, plus any supplemental payment calculated under s. HFS 56.11 (2) and (3) indicated in the uniform foster care rate. No exceptional payment may be established.

(d) If the adoptive or proposed adoptive parent agrees with the proposed amount of adoption assistance maintenance payment, offer to amend the original agreement in writing for up to one year to specify the new monthly adoption assistance maintenance payment amount.

(e) Review under s. HFS 50.045 (3) (e) the circumstances of a child with a previously amended adoption assistance agreement under this section by contacting the adoptive parent or parents prior to the expiration of the amended agreement. The department shall notify the adoptive parents, in writing, at least 120 days before the expiration of the amended adoption assistance agreement and provide the adoptive parents the expiration date, a request for an adoption assistance amendment form and instructions for completing the form.

HFS 50.03 (1) (b) 1., 2., 3. or 4., at least 12 months since the receipt of a previous request under this section by the department, at least 12 months following an amended agreement under s. HFS 50.044, or within 120 days prior to the expiration of an amended agreement, adoptive parents with a current adoption assistance agreement and with a maintenance payment in the amount of \$0 or greater may file a request with the department for amendment of the agreement because they believe a substantial change in circumstances has occurred since the agreement was signed. If an amendment is in effect as a result of approval of an adoption assistance amendment request, the amendment will be in effect until the expiration date specified. The purpose of the amended agreement would be to change the amount of the monthly adoption assistance maintenance payment. An adoption assistance agreement may be amended more than once under the provisions of this section.

(2) FAMILY RESPONSIBILITY. To request that an agreement be amended, the adoptive family shall do all of the following:

(a) Complete and return the request for adoption assistance amendment form available from the department to record the family's observations of the child's physical, behavioral and emotional needs.

(b) Provide documentation by appropriate professionals of the child's current special needs to the department at the time of filing the request for adoption assistance amendment form to verify any substantial change in circumstances. That documentation may be a statement by the professional indicating that he or she concurs with the nature and level of special needs identified on the request for adoption assistance form. The report or statement of an appropriate professional shall be dated within 6 months prior to the date of the request for an adoption assistance amendment.

(c) If requested by the department, provide additional information about the child's current functioning.

(d) If requested by the department, have the child evaluated by a specialist of the department's choice and at the department's expense to provide information necessary in making the determination.

(e) Sign and return an amended agreement offered by the department to authorize a payment amount other than the amount in the original agreement.

(3) DEPARTMENT RESPONSIBILITY. If a request to amend an agreement is received, the department shall do all of the following:

(a) From the information submitted by the family under sub. (2), determine whether a substantial change in circumstances exists. If additional information is needed to make the determination, the department shall notify the family of the need for the information and request that the information be submitted within 90 days from the date of the letter requesting the information and that failure to provide the requested information within 90 days may result in the request being denied by the department. The department may obtain technical assistance from a specialist or may require the family to have the child evaluated by a specialist of the department's choice and at the department's expense so that the department will have the information it needs to make the determination.

(b) Contact the appropriate human services agency or agencies in the jurisdiction where the adoptive parents have resided since the placement of the child to request information concerning any substantiated report of abuse or neglect of the child by the adoptive parents.

(c) If having determined that there has been a substantial change in circumstances documented by uniform rate determination which establishes an increase in special needs to the moderate or intensive level in one or more categories of the supplemental payments schedule, or a new category of special needs at the minimum, moderate or intensive level, and there is no substantiated report of abuse or neglect of the child by the adoptive parents, offer to amend the amount of adoption assistance for maintenance for up to one year. The department may not increase the amount in the agreement above the amount allowed under 42 USC 673 or any other federal law. The new rate shall include the basic rate in the existing agreement and any exceptional rate in the existing agreement and an adjusted supplemental payment calculated under s. HFS 56.11 (2) and (3) indicated in the uniform foster care rate. If the original or amended agreement has not established a basic rate, the new rate shall include the basic rate effective on the date the request was received in the department and an adjusted supplemental payment calculated under s. HFS 56.11 (2) and (3) indicated in the uniform foster care rate. If the level of points in a supplemental rate category is at the highest number of points in an intensive level of need category, no increase in payment may be offered in that category. No adjustment may be made to an existing exceptional rate and no exceptional rate may be established.

(d) If the adoptive parent agrees with the proposed amount of the payment, offer to amend the agreement in writing to specify the new monthly adoption assistance amount.

(e) Review an amended adoption assistance agreement, as follows:

1. Prior to the expiration of the amended agreement and annually thereafter for the duration of the adoption assistance agreement the department shall contact the adoptive parent or parents to request information concerning the circumstances of the child. The department shall notify the adoptive parents, in writing, at least 120 days before the expiration of the amended adoption assistance agreement and provide the adoptive parents the expiration date, a request for an adoption assistance amendment form and instructions for completing the form.

2. The department may require the adoptive parent or parents to provide documentation of the current circumstances of the child. The department shall review the information to determine whether the reasons for the change in circumstances continue to exist or not and shall notify the family whether the amount of adoption assistance will be continued, reduced, or returned to the amount in the original agreement or previous amended agreement.

History: Emerg. cr. eff. 11-16-99; cr. Register, July, 2000, No. 535, eff. 8-1-00; corrections in (3) (c) made under s. 13.93 (2m) (b) 7., Stats., Register November 2002 No. 563.

HFS 50.05 Amount of adoption assistance. To determine the amount of adoption assistance, the following procedures shall apply:

(1) MONTHLY ADOPTION ASSISTANCE PAYMENT. (a) Each adoptive child's situation shall be considered individually in computing the adoption assistance which shall be based on the uniform foster care rates specified in s. 48.62 (4), Stats., and difficulty-of-care levels specified in s. HFS 56.11 (3).

(b) The amount of adoption assistance shall be the total monthly adoption assistance payment as indicated on the adoption assistance agreement or as revised by an amendment to the adoption assistance agreement signed by both the adoptive parent or parents and the department. The initial rate for a child at high risk is \$0 in the original adoption assistance agreement if no special needs category under s. HFS 50.03 (1) (b) 1., 2., 3. or 4. applies to the child. The rate may increase or decrease as described in an amendment to the original agreement and law.

(c) The effective date for a rate increase for an amended agreement shall be the first day of the month the department received the request to amend the adoption assistance agreement, except that no increase shall be made prior to 12 months from a prior rate increase. The effective date for a rate decrease for an amended agreement shall be the first day of the month following the month that the amended agreement expires. The effective date for discontinuing adoption assistance for any reason shall be the last day of the month that eligibility for benefits ends.

(2) MEDICAL ADOPTION ASSISTANCE. (a) Adoption assistance for medical care shall be granted to all cases with an approved adoption assistance agreement.

(b) Adoptive families covered by private health insurance policies shall provide information to the department regarding their coverage.

(c) The medical assistance card may not be used for care of the adoptive child covered by the family's insurance.

(d) Medical benefits provided under title XIX of the Social Security Act of 1935, as amended, are available to the adoptee in accordance with the procedures of the state in which the adoptee resides. If an adoptee with Wisconsin adoption assistance is not eligible in the state of residence, the department shall provide medical assistance in accordance with ss. 49.43 to 49.497, Stats., and chs. HFS 101 to 108. The department shall facilitate provision of eligible medical benefits through the interstate compact on adoption and medical assistance referenced in s. 48.9985, Stats.

(3) NON-RECURRING ADOPTION EXPENSES. When a child is adopted with an approved adoption assistance agreement, the department shall reimburse adoptive parents for non-recurring adoption expenses up to a \$2000 maximum. In this subsection, "non-recurring adoption expenses" means reasonable and necessary adoption fees, court costs, attorney fees and other expenses which are directly related to the legal adoption of a child with special needs and which are not incurred in violation of state or federal laws.

(4) FAMILY CIRCUMSTANCES. The amount of adoption assistance shall take into consideration the circumstances of the adoptive family and the needs of the child being adopted. In negotiating the amount of the monthly adoption assistance payment within the

limits of sub. (1), the department shall consider family circumstances such as the following:

(a) The burden on the family's financial resources is significant because of a need to provide for the adoptee;

(b) Although the family's financial resources are substantial, unusual circumstances have placed demands on the family income to the extent that providing for an adoptee would result in a significant financial burden;

(c) The family lacks health insurance or sufficient insurance to cover the expected medical needs of the adoptee; and

(d) Resources needed by the adoptee are not available in the family's community and the expense of gaining access to the necessary resources would place a significant financial burden on the family.

Subchapter III — Adoption Information Exchange

HFS 50.07 Adoption information exchange. Sections HFS 50.07 to 50.09 establish an adoption information exchange to be operated by the department directly or through a contract with an individual or a private agency. These sections apply to the department, adoption agencies, prospective adoptive parents and to an individual or private agency if under contract with the department to operate the adoption information exchange, except that Indian tribal child-placing agencies may draw upon services of the adoption information exchange but are not obligated under these rules to participate in the exchange.

History: Cr. Register, July, 1985, No. 355, eff. 8-1-85; **CR 02-101: am. Register November 2002 No. 563, eff. 12-1-02.**

(c) The exchange shall register prospective adoptive families who have either referred themselves to the exchange or who have been referred to the exchange by an adoption agency.

(d) The exchange may register or photolist, as appropriate, special needs children with out-of-state exchanges and use the resources of those exchanges, but only with written permission from the child's guardian or the agency responsible for the child. The exchange may recommend the use of specific out-of-state exchanges for a particular child.

(e) The exchange shall withdraw a child's photolisting when the adoption agency notifies the exchange in writing that the child has been adopted, has reached age 18, has been emancipated by marriage or has died.

(f) The exchange shall withdraw a prospective adoptive family's registration when the family or agency notifies the exchange in writing that the family has adopted a child, that they are no longer interested in adopting a special needs child or after one year if the family or agency has not responded to inquiries from the exchange.

(2) MATCHING SERVICE. The exchange shall attempt to match children listed in the adoption photolisting under sub. (3) and prospective adoptive families registered with the exchange by:

(b) Contacting adoption agencies to provide them with information on registered prospective adoptive families that would be appropriate for a photolisted child based on the child's needs and circumstances.

(c) Be updated at least quarterly to revise, add to or delete from the listing of available special needs children; and

(d) Include a listing of out-of-state special needs children. If the exchange is operated by an individual or private agency under a contract with the department, there shall be written case-by-case approval by the department for each out-of-state special needs child listed.

(4) PROGRESS INQUIRIES. The exchange shall make inquiries of adoption agencies at least semi-annually to determine the progress toward adoption of children photolisted with the exchange.

(5) TELEPHONE INFORMATION SERVICE. The exchange shall maintain a central telephone number which people can call to get information about the exchange and about adoption of special needs children and shall publish and disseminate the telephone number of the exchange.

(6) PUBLIC INFORMATION. The exchange shall develop and distribute informational pamphlets, brochures, displays and media

outreach materials to provide information regarding the services available from the exchange and to promote the adoption of special needs children.

(7) STATISTICAL REPORTING. The exchange shall compile statistics. If the exchange is operated by an individual or private agency under a contract, a semi-annual statistical report shall be submitted to the department and shall include the following information:

(d) The number of adoption inquiries received for each child photolisted during the reporting period;

(e) A semi-annual financial report; and

(f) Any other information requested by the department for program management.

(9) DISCONTINUANCE OF RECRUITMENT EFFORTS. The exchange shall discontinue photolisting and any other recruitment efforts for a child following receipt of a written notice from the adoption agency.
