

Chapter HFS 12
APPENDIX A
OFFENSES AFFECTING CAREGIVER ELIGIBILITY
SEPTEMBER, 2000

INTRODUCTION

This document lists Wisconsin crimes and other offenses that the Wisconsin State Legislature, under the Caregiver Law, ss. 48.685 and 50.065, Stats., has determined either require rehabilitation review approval before a person may receive regulatory approval, may work as a caregiver, may reside as a nonclient resident at or contract with an entity, or that act to permanently bar a person from receiving regulatory approval to be a foster parent.

Note: This table reflects changes in the caregiver law made by 1999 Wisconsin Act 9.

If a person has been convicted of a crime in another state or jurisdiction, the entity or regulatory agency must locate on the table below the Wisconsin crime that is identical or most similar to the crime for which the person was convicted and apply the consequence identified. This instruction also applies if the person was convicted in Wisconsin, but the statute number or crime title has been changed or amended. For example, convictions under Chapter 961, the Uniform Controlled Substances Act, were previously convictions under Chapter 161.

Notwithstanding s. 111.335, Stats., ss. 48.685 (5m) and 50.065 (5m), Stats., permit a regulatory agency to deny regulatory approval or an entity to refuse to employ, contract with or permit to reside at the entity a person whom the regulatory agency or entity determines has been convicted of a crime that is “substantially related” to the care of a client. The agency or entity may review a conviction to make that determination when: (a) The person has been convicted in Wisconsin or another state or jurisdiction of any crime that is not listed in this appendix; or (b) The person has been convicted of a crime that is listed in part III. of this appendix for foster care purposes only.

Under the Caregiver Law, current limitations on a person’s professional credentials may limit the person’s eligibility for employment or licensure in a position for which the person must be credentialed by the department of regulation and licensing.

If a Background Information Disclosure form, a caregiver background check, or any other information shows that a person was convicted of any of the offenses immediately below within 5 years before the information was obtained, the department, county department, child welfare agency, school board, or entity, as applicable, shall make every reasonable effort to contact the clerk of courts to obtain a copy of the criminal complaint and judgment of conviction relating to that conviction.
