(a) An acknowledgement that, if approval is granted, the applicant will pay all permit fees within 21 days after receipt of the department's invoice.

(b) The address to which invoices and other correspondence concerning permits issued by telephone may be sent. An applicant may request separate invoices. The department shall assign a separate account number to each address.

The amount of the bond shall be not less than twice the total fees which the applicant estimates may be incurred in any calendar month. The form of the bond and the surety shall be in a form approved by the department.

(2) Any bond filed with the department under this section shall contain a clause stating that the bonding company shall notify the department at least 30 days prior to the effective date of any suspension, revocation or cancellation of a bond. No suspension, revocation or cancellation of a bond under this section is effective until 30 days after the date it is received by the department.
