(b) *Plan review fees.* Fees relating to the submittal of all building plans, heating, ventilating and air conditioning (HVAC) plans,

and fire protection system plans shall be computed on the basis of the total gross square footage of each building or affected area. The fees shall be determined in accordance with Table 302.31-1 for buildings not located in municipalities that have assumed building inspection responsibilities. The fees shall be determined in accordance with Table 302.31-2 for buildings located in agent municipalities and counties that have assumed the building inspection responsibilities specified under s. 101.12 (3) (g), Stats., and ch. SPS 361.

(c) *Multiple identical buildings.* The fees set forth in this paragraph may be applied to a project which contains multiple identical buildings. In order to qualify for the multiple identical building fee, plans for all buildings shall be submitted at the same time. The fees for the submittal of plans for the first building shall be determined in accordance with Table 302.31-1 or 302.31-2 on the basis of the total gross area of one building. The fee for each of the remaining identical buildings shall be computed on the basis of an area of less than 2,500 square feet.

(d) *Miscellaneous plans.* The fee for miscellaneous plans shall be \$250 per plan. Miscellaneous plans are plans which have no building, HVAC or fire protection system plan submissions and those plans for which no area may be associated. Miscellaneous plans include, but are not limited to, all of the following:

1. Footing and foundation plans submitted prior to the submission of the building plans.
2. Exhaust systems for dust, fumes, vapors and gases.
3. Stadium, grandstand and bleacher plans, and interior bleacher plans submitted as independent projects.
4. Any building component, other than building, HVAC and fire protection systems, submitted after installation.

(e) *Permission to start construction.* The fee for a permission to start construction shall be \$75.00.
