

Chapter PSC 70**NUMBERING RAILROAD-HIGHWAY
GRADE CROSSINGS**

PSC 70.01 Number crossings
PSC 70.02 Submit plans

PSC 70.01 Number crossings. All railroads operating in the state of Wisconsin over public highway grade crossings are required to number all such crossings in this state.

PSC 70.02 Submit plans. All railroads operating in the state of Wisconsin shall submit to this commission within 60 days of the date of this order for commission approval their plans for numbering their railroad-highway grade crossings and by January 1, 1953, all railroad-highway grade crossings in Wisconsin shall be so numbered.
