9 this state in the 1994–95 fiscal year that was funded from each revenue source except  
10 federal revenue.

11 (c) Except as provided in paragraph (h), no state agency may make total  
12 expenditures from each revenue source except federal revenue in the 1995–96 fiscal  
13 year or the 1996–97 fiscal year for travel expenses incurred by its officers or employees

18 year and the 1996-97 fiscal year from program revenue or segregated revenue  
19 derived from specific program receipts is decreased by an amount equivalent to 10%  
20 of the total amount expended by that agency for travel expenses incurred by its  
21 officers and employes outside this state from that appropriation in the 1994-95 fiscal

8 twice the amount lapsed from that appropriation account under paragraph (e) or an  
9 amount equal to twice the amount of any appropriation decrease applied under  
10 paragraph (f) for the 1995-96 fiscal year. The secretary shall similarly exclude from
