Analysis by the Legislative Reference Bureau

Under current law, the Department of Revenue (DOR) issues various permits related to intoxicating liquor (which includes wine), including winery permits, manufacturer's permits, rectifier's permits, wholesaler's permits, and out-of-state shipper's permits. Wine may be produced and distributed under a winery permit, manufacturer's permit, or rectifier's permit.

This substitute amendment makes changes to the way in which wine may be produced and distributed in this state, including the following:

1. *Direct shipments of wine to consumers.* Under current law, a winery located outside this state may ship wine into this state without an out-of-state shipper's permit and directly to an individual if the winery is located in a state that has a reciprocal agreement with this state pertaining to out-of-state shipments of wine to individuals in the respective states (reciprocal agreement) and if certain other conditions are met. An individual in this state may not receive more than 27 liters of wine annually from out-of-state wineries. Also, a winery located in this state that holds a winery permit, as well as a person in this state holding an intoxicating liquor manufacturer's or rectifier's permit, may ship wine from this state to individuals in another state under authorization of a reciprocal agreement if certain conditions are met. DOR is required to negotiate and, if possible, enter into reciprocal agreements with other states. Currently this state is a party to such a reciprocal agreement only with California. Current law also does not authorize intrastate shipments of wine directly to consumers.

This substitute amendment repeals the reciprocal agreement system for authorizing interstate wine shipments directly to consumers and replaces it with a new permit system available for both interstate and intrastate shipments of wine directly to consumers. The substitute amendment requires DOR to issue a new permit called a direct wine shipper's permit that authorizes the permittee to ship wine directly to an individual in this state who is of the legal drinking age, who acknowledges receipt of the wine shipped, and who is not intoxicated at the time of delivery. A direct wine shipper's permit may be issued to any person that manufactures and bottles wine on premises covered by a winery, manufacturer's, or rectifier's permit issued by DOR, a winery permit issued by another state, or a federal winery permit. Containers of wine shipped to an individual in this state must be clearly labeled to indicate that the package may not be delivered to an underage person or to an intoxicated person. No individual may resell, or use for a commercial purpose, wine that the individual receives by direct shipment under the permit. No individual in this state may receive more than 108 liters of wine annually that is shipped under authority of the permit. Holders of direct wine shippers' permits must report quarterly to DOR specified information related to wine shipments made under authority of the permit and must include the amount of the occupational tax in the

sales price of the wine and pay the sales or use tax on the sale of the wine shipped under authority of the permit.

2. *Distribution of intoxicating liquor to other licensees and permittees, except by cooperative wholesalers.* Under current law, a winery permit authorizes a winery to manufacture and bottle wine on the winery premises for sale at wholesale to other licensees or permittees, such as retailers, other wholesalers, and manufacturers. A manufacturer's permit or rectifier's permit authorizes a manufacturer or rectifier to manufacture, bottle, and wholesale wine on the manufacturing or rectifying premises. A rectifier's permit authorizes the rectifier to sell its own intoxicating liquor to retailers.

This substitute amendment eliminates the authorization of wineries, manufacturers, and rectifiers to sell wine at wholesale and eliminates the authorization of rectifiers to sell intoxicating liquor directly to retailers. Under the substitute amendment, wineries, manufacturers, and rectifiers may not sell wine directly to retailers. A winery may only sell wine to wholesalers. A manufacturer or rectifier may only sell intoxicating liquor, including wine, to wholesalers, wineries, and other manufacturers and rectifiers.

Under current law, an out-of-state shipper's permit authorizes a person located outside this state to sell or ship intoxicating liquor into this state to a person holding a manufacturer's, rectifier's, wholesaler's, industrial alcohol, or medicinal alcohol permit.

Under this substitute amendment, a person holding an out-of-state shipper's permit may only sell or ship intoxicating liquor into this state to a person holding a wholesaler's permit or, if shipped from a manufacturer or rectifier in another state, to a person holding a manufacturer's or rectifier's permit or a winery permit.

The substitute amendment also requires each wholesaler to negotiate in good faith with any manufacturer, rectifier, or winery that seeks to sell its products through the wholesaler. All wholesalers must work diligently to ensure that distribution channels are available for the sale of intoxicating liquor products through wholesalers to retailers in this state.

3. *Distribution of wine by cooperative wholesalers.* The substitute amendment allows certain wineries holding a winery permit and certain out-of-state wineries to form a cooperative for purposes of wholesaling their wine. However, the substitute amendment requires any such cooperative to be created between October 1, 2008, and December 31, 2008, and limits the total number of these cooperatives to six.

Under the substitute amendment, a winery that produces and bottles less than 25,000 gallons of wine in a calendar year (small winery) may organize with other small wineries as a cooperative known as a small winery cooperative wholesaler (cooperative wholesaler). The principal purpose of a cooperative wholesaler is to sell and distribute wine produced and bottled by the members of the cooperative wholesaler. The membership of a cooperative wholesaler must consist exclusively of small wineries that hold direct shippers' permits and that are certified as small wineries by DOR. To form the cooperative, three or more individuals, at least one of whom must be a resident of this state and all of which must be owners of small wineries, must sign and file articles of incorporation with the Department of

Financial Institutions. A cooperative wholesaler may not employ any owner or employee of its member wineries, but such an owner or employee may act as a volunteer to assist the cooperative wholesaler.

Under the substitute amendment, no cooperative wholesaler may operate without a wholesaler's permit issued by DOR. Within seven days after filing its articles of incorporation as a cooperative, a cooperative wholesaler must apply to DOR for a wholesaler's permit. DOR may issue only one wholesaler's permit to any cooperative wholesaler. DOR may not issue more than a total of six wholesalers' permits to cooperative wholesalers and DOR may not issue any new wholesaler's permit to a cooperative wholesaler after December 31, 2008. A cooperative wholesaler issued a wholesaler's permit is authorized to sell and distribute only wine, including blended or mixed products sold as wine, and ancillary wine industry trade goods such as bottles, corks, and other supplies used by wineries, but may not sell or distribute any other product. A cooperative wholesaler may not purchase wine from any person other than a member and may not resell or distribute wine unless it has been purchased on consignment from a member. A cooperative wholesaler may only sell or distribute wine to a retailer or to another wholesaler and may only sell ancillary wine industry trade goods to the cooperative wholesaler's members or former members.

Under the substitute amendment, a member of a cooperative wholesaler may not sell its wine directly to any other wholesaler or directly to a retailer; it must make its wine available to retailers and other wholesalers only through the cooperative wholesaler.

Under the substitute amendment, a cooperative wholesaler is not subject to certain provisions of current law requiring a wholesaler to physically unload intoxicating liquor at a warehouse location prior to distribution and requiring a wholesaler to annually sell and deliver intoxicating liquor to at least ten retailers that do not have any direct or indirect interest in each other or in the wholesaler. Neither a cooperative wholesaler nor its winery members are subject to certain provisions of current law restricting common ownership interests in wineries and wholesalers. Except as provided in the substitute amendment, all provisions of law that apply to a wholesaler also apply to a cooperative wholesaler.

The substitute amendment requires DOR to certify applicants as small wineries if the applicant is a winery that produces and bottles less than 25,000 gallons of wine in a calendar year, holds a direct shipper's permit, and submits any other information that DOR determines is necessary to certify that the winery is operating as a small winery and is eligible for membership in a cooperative wholesaler. In certifying a winery as a small winery, DOR must classify the winery as either a Wisconsin winery or an out-of-state winery. A cooperative wholesaler may not give preferential treatment to a member that is a Wisconsin winery or discriminate against a member that is an out-of-state winery.

The substitute amendment requires the board of directors of a cooperative wholesaler, at least once every six months, to meet in person with DOR and the University of Wisconsin Center for Cooperatives. The substitute amendment specifies various requirements related to these meetings, including that publicly

available reports be prepared by DOR and the Center for Cooperatives as a result of these meetings. The substitute amendment also requires each cooperative wholesaler to biennially file a report with DOR that includes specified information.

Under the substitute amendment, any winery that sells or distributes its wine directly to a retailer, rather than through a wholesaler or cooperative wholesaler, is subject to a fine of not more than \$10,000 and revocation of the permits issued to it by DOR. Any cooperative wholesaler that provides preferential treatment to a Wisconsin winery or discriminates against an out-of-state winery is subject to a fine of not more than \$10,000 and revocation of its wholesaler's permit.

4. *Blending or mixing wine or distilled spirits.* Current law is unclear as to whether a winery operating under a winery permit may mix or blend wine with other intoxicating liquor to produce fortified wine and whether a winery may receive shipments of bulk wine or other intoxicating liquor directly from out-of-state producers holding an out-of-state shipper's permit.

This substitute amendment clarifies that a winery operating under a winery permit may, without obtaining a rectifier's permit, possess intoxicating liquor and mix or blend intoxicating liquor to produce wine sold to wholesalers. The substitute amendment also clarifies the definition of "wine" by specifying that wine contains not more than 21 percent of alcohol by volume.

The substitute amendment specifically authorizes wholesalers to sell intoxicating liquor to wineries, manufacturers, and rectifiers for production purposes. The substitute amendment also specifies that an out-of-state shipper's permittee may sell or ship intoxicating liquor into this state directly to a winery.

5. *Face-to-face retail sales.* The substitute amendment specifies that an intoxicating liquor or fermented malt beverages retail license or permit, with limited exceptions, authorizes only face-to-face sales to consumers at the premises described in the retail license or permit.

6. *Common ownership interests.* The substitute amendment specifies that certain restrictions on common ownership interests that apply under current law to manufacturers, rectifiers, and wholesalers also apply to wineries and out-of-state shipper permittees. The substitute amendment further provides that rectifiers, wineries, and out-of-state shipper permittees may not hold any direct or indirect interest in any wholesale permit or establishment and that, except for a retail license issued to a winery, no retail licensee may hold any direct or indirect interest in any manufacturer, rectifier, winery, or out-of-state shipper permittee.

Under current law, an exception to the common ownership restrictions allows a winery to hold one retail license, which may be a "Class A" license or a "Class B" license. The substitute amendment clarifies this exception, including specifying that the retail licensed premises may be on the winery premises or on real estate owned or leased by the winery and that the winery may distribute its own wine to its own retail premises without going through a wholesaler.

7. *DOR industry reports.* The substitute amendment requires DOR to publish monthly reports containing specified information related to the intoxicating liquor industry.

8. *Wine collectors.* The substitute amendment specifically authorizes, by creating a new license or permit exception, a wine collector to sell to any other wine collector manufacturer–sealed bottles or containers of wine that the seller has held for at least eight years, but limits this exception to one sale in a 12–month period. The substitute amendment also authorizes a wine collector to donate manufacturer–sealed bottles or containers of wine to any charitable organization and allows the charitable organization to use the wine in any event held by the charitable organization or other fund–raising effort of the charitable organization.

9. *Effective date.* The general effective date of the substitute amendment is October 1, 2008. Notwithstanding any other provision of the substitute amendment, a winery holding a winery permit issued prior to the substitute amendment’s effective date may continue to sell its wine at wholesale, in the manner authorized under current law, until June 30, 2009.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 20.566 (1) (ha) of the statutes is amended to read:

2 20.566 (1) (ha) *Administration of liquor tax and alcohol beverages enforcement.*

3 The amounts in the schedule for computer, audit, and enforcement costs incurred in
4 administering the tax under s. 139.03 (2m) and for costs incurred in enforcing the
5 3–tier system for alcohol beverages production, distribution, and sale under ch. 125.

6 All moneys received from the administration fee under s. 139.06 (1) (a) and any
7 permit fee under s. 125.535 (2) shall be credited to this appropriation.

8 Notwithstanding s. 20.001 (3) (a), at the end of each fiscal year, the unencumbered
9 balance of this appropriation account, minus an amount equal to 10% of the sum of
10 the amounts expended and the amounts encumbered from the account during the
11 fiscal year, shall lapse to the general fund.

12 **SECTION 2.** 36.11 (40) of the statutes is amended to read:

13 36.11 (40) **CENTER FOR COOPERATIVES.** The board shall maintain a center for
14 cooperatives at the University of Wisconsin–Madison. The center shall comply with
15 the requirements specified in s. 125.545 (5) (a).

1 **SECTION 3.** 125.01 of the statutes is amended to read:

2 **125.01 Legislative intent.** This chapter shall be construed as an enactment
3 of the legislature's support for the 3-tier system for alcohol beverages production,
4 distribution, and sale that, through uniform statewide regulation, provides this
5 state regulatory authority over the production, storage, distribution, transportation,
6 sale, and consumption of alcohol beverages by and to its citizens, for the benefit of
7 the public health and welfare and this state's economic stability. Without the 3-tier
8 system, the effective statewide regulation and collection of state taxes on alcohol
9 beverages sales would be seriously jeopardized. It is further the intent of the
10 legislature that without a specific statutory exception, all sales of alcohol beverages
11 shall occur through the 3-tier system, from manufacturers to licensed wholesalers
12 to retailers to consumers. Face-to-face retail sales at licensed premises directly
13 advance the state's interest in preventing alcohol sales to underage or intoxicated
14 persons and the state's interest in efficient and effective collection of tax.

15 **SECTION 4.** 125.02 (22) of the statutes is amended to read:

16 125.02 (22) "Wine" means products obtained from the normal alcohol
17 fermentation of the juice or must of sound, ripe grapes, other fruits or other
18 agricultural products, imitation wine, compounds sold as wine, vermouth, cider,
19 perry, mead and sake, if such products contain ~~0.5% or more~~ not less than 0.5 percent
20 nor more than 21 percent of alcohol by volume.

21 **SECTION 5.** 125.02 (23) of the statutes is created to read:

22 125.02 (23) "Wine collector" means an individual who meets the standards
23 established by the department by rule and who is registered with the department as
24 a collector of wine.

25 **SECTION 6.** 125.03 (1) of the statutes is renumbered 125.03 (1) (a).

1 **SECTION 7.** 125.03 (1) (b) of the statutes is created to read:

2 125.03 (1) (b) The department shall promulgate rules providing for registration
3 of wine collectors and establishing standards of eligibility for registration as a wine
4 collector. The rules shall also specify the form and manner of notice required under
5 s. 125.06 (11m) (a).

6 **SECTION 8.** 125.03 (3) of the statutes is amended to read:

7 125.03 (3) VIOLATIONS. No person may violate a rule promulgated under sub.
8 (1) (a) or (2).

9 **SECTION 9.** 125.04 (3) (a) 4m. of the statutes is created to read:

10 125.04 (3) (a) 4m. If the applicant is a cooperative organized under ch. 185, the
11 identity of the cooperative members, board of directors, and agent.

12 **SECTION 10.** 125.06 (11m) of the statutes is created to read:

13 125.06 (11m) WINE COLLECTORS. (a) The sale by a wine collector to any other
14 wine collector of manufacturer–sealed bottles or containers of wine that the selling
15 wine collector has held for at least 8 years if the selling wine collector has provided
16 prior notice of the sale to the department. No more than one sale in any 12–month
17 period may be conducted by a wine collector under this paragraph.

18 (b) The donation by a wine collector of manufacturer–sealed bottles or
19 containers of wine to any charitable organization for use by the charitable
20 organization in any event held by the charitable organization or other fund–raising
21 effort of the charitable organization, and no license or permit under this chapter is
22 required of the charitable organization for such use of the donated wine.

23 **SECTION 11.** 125.12 (5) of the statutes is amended to read:

24 125.12 (5) REVOCATIONS OR SUSPENSIONS OF, OR REFUSALS TO RENEW, PERMITS BY
25 THE DEPARTMENT. The department may, after notice and an opportunity for hearing,

1 revoke, suspend or refuse to renew any retail permit issued by it for the causes
2 provided in sub. (4) and any other permit issued by it under this chapter for any
3 violation of this chapter or ch. 139, except that, for a violation of sub. (4) (ag) 6. with
4 respect to a license issued under s. 125.51 (4) (v) or a violation of s. 125.535 or
5 139.035, the department shall revoke the license or permit. A revocation, suspension
6 or refusal to renew is a contested case under ch. 227.

7 **SECTION 12.** 125.272 of the statutes is created to read:

10 125.26, and a retail permit issued under s. 125.27, authorizes only face-to-face sales
11 to consumers at the premises described in the retail license or permit.

12 **SECTION 13.** 125.51 (6) of the statutes is created to read:

13 125.51 (6) FACE-TO-FACE RETAIL SALES. Except as provided in sub. (3) (bm) and
14 (bs) and except with respect to caterers, a retail license or permit issued under this
15 section authorizes only face-to-face sales to consumers at the premises described in
16 the retail license or permit.

17 **SECTION 14.** 125.52 (1) of the statutes is amended to read:

18 125.52 (1) AUTHORIZED ACTIVITIES. The department shall issue manufacturers'
19 and rectifiers' permits which authorize the manufacture or rectification,
20 respectively, of intoxicating liquor on the premises covered by the permit. A person
21 holding a manufacturer's or rectifier's permit may manufacture, and bottle ~~or~~
22 ~~wholesale~~ wine, pursuant to the terms of the permit, without procuring a winery
23 permit. A manufacturer's or rectifier's permit entitles the permittee to sell
24 intoxicating liquor to wholesalers holding a permit under s. 125.54, to wineries
25 holding a permit under s. 125.53, and to other manufacturers and rectifiers holding

1 ~~a permit under this section, from the premises described in the permit. Holders of~~
2 ~~rectifiers' permits may sell intoxicating liquor rectified by the permittee to retailers~~
3 ~~without any other permit. No sales may be made for consumption on the premises~~
4 ~~of the permittee. Possession of a permit under this section does not authorize the~~
5 ~~permittee to sell tax-free intoxicating liquor and wines brought into this state under~~
6 ~~s. 139.03 (5).~~

7 **SECTION 15.** 125.52 (6) of the statutes is repealed.

8 **SECTION 16.** 125.52 (8) of the statutes is repealed.

9 **SECTION 17.** 125.53 (1) of the statutes is amended to read:

10 125.53 (1) The department shall issue only to a manufacturing winery in this
11 state that holds a valid certificate issued under s. 73.03 (50) a winery permit
12 authorizing the manufacture and bottling of wine on the premises covered by the
13 permit for sale at wholesale to other licensees or permittees to wholesalers holding
14 a permit under s. 125.54. A winery permit also authorizes the permittee to, on the
15 winery premises and without obtaining a rectifier's permit, possess intoxicating
16 liquor and mix or blend intoxicating liquor to produce wine sold to wholesalers
17 holding a permit under s. 125.54. A permittee winery holding a permit under this
18 section may offer on the premises taste samples of wine manufactured on the
19 premises to persons who have attained the legal drinking age. A permittee under
20 this section may also have either ~~a~~ one "Class A" license or one "Class B" license,
21 but not both. The "Class A" license or "Class B" license may either be issued for the
22 winery premises or for real estate owned or leased by the winery. If a "Class A" or
23 "Class B" liquor license has also been issued to the winery, the winery may provide
24 wine manufactured, mixed, or blended on the winery premises directly to the "Class

1 A” or “Class B” premises and may offer the taste samples on the “Class A” or “Class
2 B” premises.

3 **SECTION 18.** 125.53 (3) of the statutes is repealed.

4 **SECTION 19.** 125.535 of the statutes is created to read:

5 **125.535 Direct wine shippers’ permits. (1) AUTHORIZED ACTIVITIES.** The
6 department shall issue direct wine shippers’ permits authorizing the permittee to
7 ship wine directly to an individual in this state who is of the legal drinking age, who

9 delivery.

10 **(2) ANNUAL PERMIT FEE.** The department may, by rule, establish an annual fee,
11 not to exceed \$100, for each permit issued under this section. All fees collected under
12 this subsection shall be credited to the appropriation account under s. 20.566 (1) (ha).

13 **(3) PERSONS ELIGIBLE. (a)** A direct wine shipper’s permit may be issued under
14 this section to any person that manufactures and bottles wine on premises covered
15 by any of the following:

16 1. A manufacturer’s or rectifier’s permit under s. 125.52.

17 2. A winery permit under s. 125.53.

18 3. A winery license, permit, or other authorization issued to the winery by any
19 state from which the winery will ship wine into this state.

20 4. A federal basic permit for a winery under 27 USC 203 and 204.

21 (b) A winery located outside of this state is eligible for a direct wine shipper’s
22 permit under par. (a) 3. or 4. if all of the following apply:

23 1. The winery holds a valid business tax registration certificate issued under
24 s. 73.03 (50).

1 2. The winery submits to the department, with any initial application or
2 renewal for a certificate under s. 73.03 (50) or a permit under par. (a) 3. or 4., a copy
3 of any current license, permit, or authorization issued to the winery by the state from
4 which the winery will ship wine into this state or the winery's federal basic permit.

5 (c) Notwithstanding s. 125.04 (5) (a), natural persons obtaining direct wine
6 shippers' permits are not required to be residents of this state. Notwithstanding s.
7 125.04 (5) (a) 5., a person is not required to complete a responsible beverage server
8 training course to be eligible for a permit under this section. Corporations and
9 limited liability companies obtaining direct wine shippers' permits are subject to s.
10 125.04 (6) and any other person, including any natural person or cooperative,
11 obtaining a direct wine shipper's permit shall appoint an agent, and be subject to all
12 provisions of s. 125.04 (6), in the same manner applicable to corporations and limited
13 liability companies.

14 **(4) LABELS.** Containers of wine shipped to an individual in this state under this
15 section shall be clearly labeled to indicate that the package may not be delivered to
16 an underage person or to an intoxicated person.

17 **(5) RESTRICTIONS.** No individual may resell, or use for a commercial purpose,
18 wine received by the individual that is shipped under authority of this section.

19 **(6) ANNUAL LIMIT.** No individual in this state may receive more than 108 liters
20 of wine annually shipped under authority of this section. Each individual shall be
21 responsible for compliance with this annual limit. An individual who violates this

5 manufacturers, rectifiers, and wineries for production purposes. The permittee may
6 not sell intoxicating liquor for consumption on the premises. ~~If a wholesale permit~~
7 ~~is issued to a brewery that holds a “Class B” license, the permit shall authorize the~~
8 ~~wholesale sale of wine only.~~ Possession of a permit under this section does not
9 authorize the permittee to sell tax-free intoxicating liquor and wine brought into
10 this state under s. 139.03 (5).

11 **SECTION 21.** 125.54 (7) (e) of the statutes is created to read:

13 s. 125.545.

14 **SECTION 22.** 125.54 (8) of the statutes is created to read:

16 negotiate in good faith with any manufacturer, rectifier, or winery that seeks to sell
17 its products in this state through the wholesaler. To this end, all wholesalers shall
18 work diligently to ensure that distribution channels are available for the sale of
19 intoxicating liquor products through wholesalers to retailers in this state.

20 **SECTION 23.** 125.545 of the statutes is created to read:

9 (f) “Wisconsin winery” means a winery operating under a permit issued under
10 s. 125.53.

11 **(2) CREATION AND ORGANIZATION.** (a) 1. A cooperative wholesaler may only be
12 created as provided under s. 185.043 (2) and this section. Each cooperative
13 wholesaler operating under authority of this section shall be organized under ch. 185
14 but shall be subject to the limitations on such cooperatives imposed by this section.
15 Subject to subd. 3., only small wineries may be members of a cooperative wholesaler.
16 The principal purpose of a cooperative wholesaler shall be to sell and distribute wine
17 manufactured, blended, or mixed, and also bottled, by its members.

18 2. Notwithstanding s. 185.08 (1), a cooperative wholesaler shall include in its
19 articles of incorporation under ch. 185 a single location for its agent and principal
20 office, which location shall be in this state.

21 3. A small winery may become a member of a cooperative wholesaler only if all
22 of the following apply:

23 a. The small winery holds a direct shipper’s permit under s. 125.535.

24 b. The small winery is certified by the department under sub. (6) (a) as a small
25 winery.

1 (b) In addition to the requirements specified in s. 185.31 for the board of
2 directors of a cooperative wholesaler, a director representing a member that is a
3 Wisconsin winery shall be either an owner or an employee of that Wisconsin winery.
4 If any out-of-state winery is a member of the cooperative wholesaler, at least one
5 director shall be either an owner or an employee of an out-of-state winery that is a
6 member of the cooperative wholesaler.

7 (c) Notwithstanding any provision of ch. 185, a cooperative wholesaler may not
8 employ any owner or employee of a member. However, an individual that is an owner
9 or an employee of a member may act as a volunteer to assist that cooperative
10 wholesaler in the sale and distribution of wine to retailers and other wholesalers in
11 the manner authorized under this section.

12 **(3) AUTHORIZATION AND ACTIVITIES.** (a) 1. Within 7 days after filing its articles
13 of incorporation under ch. 185, a cooperative wholesaler shall apply to the
14 department for a wholesaler's permit under s. 125.54. The provisions of s. 125.04 (5)
15 (c) and (6) shall apply to a cooperative wholesaler as if the cooperative wholesaler
16 were a corporation or a limited liability company and, for each of these provisions,
17 the department shall determine whether the cooperative wholesaler is most similar
18 to a corporation or a limited liability company in the context of that provision and
19 apply that provision to the cooperative wholesaler accordingly.

20 2. Notwithstanding s. 125.54 (6), the department may issue not more than one
21 wholesaler's permit to any cooperative wholesaler. The department may not issue
22 more than a total of 6 wholesalers' permits to cooperative wholesalers in this state.
23 The department may not issue any new wholesaler's permit to a cooperative
24 wholesaler after December 31, 2008, but may renew wholesalers' permits that were
25 initially issued to cooperative wholesalers prior to that date.

1 3. No cooperative wholesaler may operate in this state without a wholesaler's
2 permit.

3 (b) 1. Notwithstanding s. 125.54 (1), and except as provided in subd. 3., a
4 cooperative wholesaler issued a wholesaler's permit under par. (a) is authorized to
5 sell and distribute only wine. Except as provided in subd. 3., a cooperative
6 wholesaler may not sell or distribute any alcohol beverages, or any other product,
7 except wine.

8 2. A cooperative wholesaler shall purchase on consignment wine from its
9 members to be resold to retailers and other wholesalers. Notwithstanding s. 125.69
10 (5), a cooperative wholesaler may not purchase wine from any person other than a
11 member. A cooperative wholesaler may not resell or distribute wine unless it has
12 been purchased on consignment from a member. Notwithstanding s. 125.54 (1), a
13 cooperative wholesaler may not sell or distribute wine except to a retailer or to a
14 wholesaler holding a permit under s. 125.54.

15 3. A cooperative wholesaler may purchase ancillary wine industry trade goods
16 such as bottles, corks, and other supplies used by wineries in the bottling and sale
17 of wine if such trade goods do not include any alcohol beverages. Any wine industry
18 trade goods purchased by a cooperative wholesaler under this subdivision may be
19 offered for resale to the cooperative wholesaler's members or to any winery that was
20 formerly a member of the cooperative wholesaler.

21 4. A cooperative wholesaler shall work with all of its members on evenhanded
22 terms. Any preferential treatment by a cooperative wholesaler for the benefit of a
23 member that is a Wisconsin winery, and any discrimination against a member that
24 is an out-of-state winery, is prohibited.

1 (c) Neither a cooperative wholesaler nor its members are subject to any
2 restriction on dealings under s. 125.69 (1) between wholesalers and wineries. Except
3 as provided in s. 125.54 (7) (e) and as otherwise provided in this section, all provisions
4 of this chapter and ch. 139 that apply to a wholesaler issued a permit under s. 125.54
5 also apply to a cooperative wholesaler issued a permit under s. 125.54.

6 **(4) EXCLUSIVE DISTRIBUTION.** A member of a cooperative wholesaler may make
7 its wine available for purchase by a retailer or another wholesaler only through the
8 cooperative wholesaler of which it is a member. A member of a cooperative
9 wholesaler may not sell its wine directly to any other wholesaler or directly to a
10 retailer.

11 **(5) SEMIANNUAL MEETINGS AND BIENNIAL REPORTS.** (a) At least once every 6
12 months, the board of directors of a cooperative wholesaler shall meet in person with
13 an employee of the department. At each of these meetings, the cooperative
14 wholesaler shall provide a detailed report of its operations and sales activities, bring
15 whatever documentation the department considers reasonably necessary for the
16 department to conduct its review of the cooperative wholesaler, and answer any
17 questions the department may have about the cooperative wholesaler's activities.
18 A representative of the University of Wisconsin Center for Cooperatives shall also
19 attend each of these meetings. Within 7 days after each of these meetings, the
20 department shall submit in writing to the cooperative wholesaler all additional
21 questions for which the department requests an answer of the cooperative
22 wholesaler. The cooperative wholesaler shall provide answers to the department's
23 questions within 7 days. Within 6 weeks after each of these meetings, the
24 department shall issue a report stating whether the cooperative wholesaler is
25 operating properly under this state's law and shall detail any problem areas that the

1 cooperative wholesaler must correct. The University of Wisconsin Center for
2 Cooperatives shall also issue a report within 6 weeks of each of these meetings and
3 detail in that report all recommendations on how the cooperative wholesaler can
4 improve its operations and better comply with this state's law. All reports issued by
5 the department and by the University of Wisconsin Center for Cooperatives shall be
6 publicly available.

7 (b) With each application for renewal of a wholesaler's permit issued to a
8 cooperative wholesaler, each cooperative wholesaler shall file with the department,
9 in the form and manner prescribed by the department by rule, a biennial report that
10 includes detailed information on its members, board of directors, and sale and
11 distribution activities.

12 **(6) DEPARTMENT CERTIFICATION AND RULE MAKING.** (a) 1. The department shall,
13 upon application, certify eligible applicants as small wineries and renew prior
14 certifications of eligible applicants as small wineries.

15 2. Any winery seeking to become a member of, or to maintain its membership
16 in, a cooperative wholesaler may apply to the department for certification as a small
17 winery. If the winery meets the definition of a small winery under this section,
18 satisfies the requirement under sub. (2) (a) 3. a., and submits any other information
19 that the department determines is necessary to certify that the winery is operating
20 as a small winery and is eligible for membership in a cooperative wholesaler, the
21 department shall certify the winery as a small winery. This certification shall remain
22 valid for one year.

23 3. In certifying any winery under subd. 2., the department shall classify the
24 winery as either a Wisconsin winery or an out-of-state winery.

1 4. The department shall refuse to certify under this paragraph any winery that
2 cannot demonstrate it holds all necessary permits for its operations or that the
3 department finds is otherwise not in full compliance with the laws of this state.

4 (b) The department shall promulgate rules to administer and enforce the
5 requirements under this section.

6 **(7) PENALTIES.** (a) Any winery that sells or distributes its wine directly to a
7 retailer, rather than through a wholesaler or cooperative wholesaler, is subject to a
8 fine of not more than \$10,000 and revocation of all of its permits by the department
9 under s. 125.12 (5).

10 (b) Any cooperative wholesaler that provides preferential treatment to a
11 Wisconsin winery or discriminates against an out-of-state winery is subject to a fine
12 of not more than \$10,000 and revocation of its wholesaler's permit by the department
13 under s. 125.12 (5).
