Analysis by the Legislative Reference Bureau

Under current law, the maximum penalty for littering is a forfeiture (civil monetary penalty) of \$500. Littering includes depositing solid waste along a highway, in the waters of the state, or on public or private property, other than in a trash receptacle or a solid waste facility, and failing to remove within 30 days, or otherwise abandoning, a vehicle in the waters of the state.

This bill provides that a person who deposits a large item of solid waste along a highway, in the waters of the state, or on public or private property, other than in a trash receptacle or a solid waste facility, is subject to a forfeiture of not more than \$1,000. Large items of solid waste are appliances, furniture, tires, motor vehicles, nonmotorized vehicles, boats, aircraft, building materials, and demolition waste.
