21 resources, knows that the claim is false, and fails to disclose the false claim to this  
22 state within a reasonable time after the person becomes aware that the claim is false.

23          **(3)** Except as provided in sub. (4), the court may assess against a person who  
24 violates sub. (2) not less than 2 nor more than 3 times the amount of the damages

1 sustained by the state because of the acts of the person, and may not assess any  
2 forfeiture, if the court finds all of the following:

3 (a) The person who commits the acts furnished the attorney general with all  
4 information known to the person about the acts within 30 days after the date on  
5 which the person obtained the information.

6 (b) The person fully cooperated with any investigation of the acts by this state.

7 (c) At the time that the person furnished the attorney general with information  
8 concerning the acts, no criminal prosecution or civil or administrative enforcement  
9 action had been commenced with respect to any such act, and the person did not have  
10 actual knowledge of the existence of any investigation into any such act.

11 (4) Subsections (2) and (3) do not apply to any claim, record, statement, or  
12 return made under chs. 70 to 79.

13 (5) (a) Except as provided in subs. (10) and (12), any person may bring a civil  
14 action as a qui tam plaintiff against a person who commits an act in violation of sub.  
15 (2) for the person and the state in the name of the state.

16 (b) The plaintiff shall serve upon the attorney general a copy of the complaint  
17 and documents disclosing substantially all material evidence and information that  
18 the person possesses. The plaintiff shall file a copy of the complaint with the court  
19 for inspection in camera. Except as provided in par. (c), the complaint shall remain  
20 under seal for a period of 60 days from the date of filing, and shall not be served upon  
21 the defendant until the court so orders. Within 60 days from the date of service upon  
22 the attorney general of the complaint, evidence, and information under this  
23 paragraph, the attorney general may intervene in the action.

1 (c) The attorney general may, for good cause shown, move the court for one or  
2 more extensions of the period during which a complaint in an action under this  
3 subsection remains under seal.

4 (d) Before the expiration of the period during which the complaint remains  
5 under seal, the attorney general shall do one of the following:

6 1. Proceed with the action or an alternate remedy under sub. (10), in which case  
7 the state shall prosecute the action or proceeding under sub. (10).

8 2. Notify the court that he or she declines to proceed with the action, in which  
9 case the action may not proceed.

10 (e) If a person brings a valid action under this subsection, no person other than  
11 the state may intervene or bring a related action while the original action is pending  
12 based upon the same facts underlying the pending action.

13 (f) In any action or other proceeding under sub. (10) brought under this  
14 subsection, all essential elements of the cause of action or complaint, including  
15 damages, must be proven by a preponderance of the evidence.

16 **(6)** If the state proceeds with an action under sub. (5) or an alternate remedy  
17 under sub. (10), the state has primary responsibility for prosecuting the action or  
18 proceeding under sub. (10). The state is not bound by any act of the person bringing  
19 the action, but that person has the right to continue as a party to the action, subject  
20 to the limitations under sub. (7).

21 **(7)** (a) The state may move to dismiss an action under sub. (5) or an  
22 administrative proceeding under sub. (10) to which the state is a party for good cause  
23 shown, notwithstanding objection of the person bringing the action, if that person is  
24 served with a copy of the state's motion and is provided with an opportunity to oppose

1 the motion before the court or the administrative agency before which the proceeding  
2 is conducted.

3 (b) With the approval of the governor, the attorney general may compromise  
4 and settle an action under sub. (5) or an administrative proceeding under sub. (10)  
5 to which the state is a party, notwithstanding objection of the person bringing the  
6 action, if the court determines, after affording to the person bringing the action the  
7 right to a hearing at which the person is afforded the opportunity to present evidence  
8 in opposition to the proposed settlement, that the proposed settlement is fair,  
9 adequate, and reasonable considering the relevant circumstances pertaining to the  
10 violation.

11 (c) Upon a showing by the state that unrestricted participation in the  
12 prosecution of an action under sub. (5) or an alternate proceeding to which the state  
13 is a party by the person bringing the action would interfere with or unduly delay the  
14 prosecution of the action or proceeding, or would result in consideration of  
15 repetitious or irrelevant evidence or evidence presented for purposes of harassment,  
16 the court may limit the person's participation in the prosecution in any of the  
17 following ways:

- 18 1. Limiting the number of witnesses that the person may call.
- 19 2. Limiting the length of the testimony of the witnesses.
- 20 3. Limiting the cross-examination of witnesses by the person.
- 21 4. Otherwise limiting the participation by the person in the prosecution of the  
22 action or proceeding.

23 (d) Upon showing by a defendant that unrestricted participation in the  
24 prosecution of an action under sub. (5) or alternate proceeding under sub. (10) to  
25 which the state is a party by the person bringing the action would result in

1 harassment or would cause the defendant undue burden or unnecessary expense, the  
2 court may limit the person's participation in the prosecution.

3 (9) Upon showing in camera by the attorney general that discovery by the  
4 person bringing the action would interfere with the state's ongoing investigation or  
5 prosecution of a criminal or civil matter arising out of the same facts as the facts upon  
6 which the action is based, the court may stay the discovery in whole or in part for not  
7 more than 60 days. The court may extend the stay upon further showing in camera  
8 by the attorney general that the state has pursued the criminal or civil investigation  
9 of the matter with reasonable diligence and the proposed discovery in the action  
10 brought under sub. (5) will interfere with the ongoing criminal or civil investigation  
11 or prosecution.

12 (10) The attorney general may pursue a claim relating to an alleged violation  
13 of sub. (2) through an alternate remedy available to the state or any state agency,  
14 including an administrative proceeding to assess a civil forfeiture. If the attorney  
15 general elects an alternate remedy, the attorney general shall serve timely notice of  
16 his or her election upon the person bringing the action under sub. (5), and that person  
17 has the same rights in the alternate venue as the person would have had if the action  
18 had continued under sub. (5). Any finding of fact or conclusion of law made by a court  
19 or by a state agency in the alternate venue that has become final is conclusive upon  
20 all parties named in an action under sub. (5). For purposes of this subsection, a  
21 finding or conclusion is final if it has been finally determined on appeal, if all time  
22 for filing an appeal or petition for review with respect to the finding or conclusion has  
23 expired, or if the finding or conclusion is not subject to judicial review.

24 (11) (a) Except as provided in pars. (b) and (d), if the state proceeds with an  
25 action brought by a person under sub. (5) or the state pursues an alternate remedy

1 relating to the same acts under sub. (10), the person who brings the action shall  
2 receive at least 15 percent but not more than 25 percent of the proceeds of the action  
3 or settlement of the claim, depending upon the extent to which the person  
4 contributed to the prosecution of the action or claim.

5 (b) Except as provided in par. (d), if an action or claim is one in which the court  
6 or other adjudicator finds to be based primarily upon disclosures of specific  
7 information not provided by the person who brings an action under sub. (5) relating  
8 to allegations or transactions specifically in a criminal, civil, or administrative  
9 hearing, or in a legislative or administrative report, hearing, audit, or investigation,  
10 or report made by the news media, the court or other adjudicator may award an  
11 amount that it considers appropriate but that is not more than 10 percent of the  
12 proceeds of the action or settlement of the claim, depending upon the significance of  
13 the information and the role of the person bringing the action in advancing the  
14 prosecution of the action or claim.

15 (c) Except as provided in par. (d), in addition to any amount received under par.  
16 (a) or (b), a person bringing an action under sub. (5) shall be awarded his or her  
17 reasonable expenses necessarily incurred in bringing the action together with the  
18 person's costs and reasonable actual attorney fees. The court or other adjudicator  
19 shall assess any award under this paragraph against the defendant.

20 (d) Whether the state proceeds with the action or an alternate proceeding under  
21 sub. (10), if the court or other adjudicator finds that the person who brought an action  
22 under sub. (5) also planned or initiated the violation upon which the action or  
23 proceeding is based, then the court may, to the extent that the court considers  
24 appropriate, reduce the share of the proceeds of the action that the person would  
25 otherwise receive under par. (a) or (b), taking into account the role of that person in

1     advancing the prosecution of the action or claim and any other relevant circumstance  
2     pertaining to the violation, except that if the person bringing the action is convicted  
3     of criminal conduct arising from his or her role in a violation of sub. (2), the court or  
4     other adjudicator shall dismiss the person as a party and the person shall not receive  
5     any share of the proceeds of the action or claim or any expenses, costs, or fees under  
6     par. (c).

7           **(12)** (a) No court has jurisdiction over an action brought by a private person  
8     under sub. (5) against a state public official if the action is based upon information  
9     known to the attorney general at the time that the action is brought.

10           (am) No court has jurisdiction over an action brought by a private person under  
11     sub. (5) if the action is based on public disclosure of allegations or transactions in a  
12     criminal action; in a legislative, administrative, or other governmental report,  
13     hearing, audit, or investigation; or from news media, unless the private person has  
14     direct and independent knowledge of the information on which the allegations or  
15     transactions are based and has voluntarily provided the knowledge to the attorney  
16     general under sub. (5) (b).

17           (b) No person may bring an action under sub. (5) that is based upon allegations  
18     or transactions that are the subject of a civil action or an administrative proceeding  
19     to assess a civil forfeiture in which the state is a party if that action or proceeding  
20     was commenced prior to the date that the action is filed.

21           **(13)** The state is not liable for any expenses incurred by a private person in  
22     bringing an action under sub. (5).

23           **(14)** Any employee who is discharged, demoted, suspended, threatened,  
24     harassed, or in any other manner discriminated against by his or her employer  
25     because of lawful actions taken by the employee, on behalf of the employee, or by

1 others in furtherance of an action or claim filed under this section, including  
2 investigation for, initiation of, testimony for, or assistance in an action or claim filed  
3 or to be filed under sub. (5) is entitled to all necessary relief to make the employee  
4 whole. The relief shall in each case include reinstatement with the same seniority  
5 status that the employee would have had but for the discrimination, 2 times the  
6 amount of back pay, interest on the back pay at the legal rate, and compensation for  
7 any special damages sustained as a result of the discrimination, including costs and  
8 reasonable actual attorney fees. An employee may bring an action to obtain the relief  
9 to which the employee is entitled under this subsection.

10 (15) A civil action may be brought based upon acts occurring prior to the  
11 effective date of this subsection ... [LRB inserts date], if the action is brought within  
12 the period specified in s. 893.981.

13 (16) A judgment of guilty entered against a defendant in a criminal action in  
14 which the defendant is charged with fraud or making false statements estops the  
15 defendant from denying the essential elements of the offense in any action under sub.  
16 (5) that involves the same elements as in the criminal action.

17 (17) The remedies provided for under this section are in addition to any other  
18 remedies provided for under any other law or available under the common law.

19 (18) This section shall be liberally construed and applied to promote the public  
20 interest and to effect the congressional intent in enacting 31 USC 3729 to 3733, as  
21 reflected in the act and the legislative history of the act.

22 **SECTION 23.** 25.18 (1) (a) of the statutes is amended to read:

23 25.18 (1) (a) Notwithstanding s. 20.930 and all provisions of subch. IV of ch.  
24 16, except s. 16.753, employ special legal or investment counsel in any matters  
25 arising out of the scope of its investment authority. ~~Section~~ Sections 16.753 does,

1 16.771, 16.871 and 20.932 do not apply to the employment of legal or investment  
2 counsel for the purpose of assisting the board with investments or arising out of the  
3 scope of the board's investment authority. The employment of special legal counsel  
4 shall be with the advice and consent of the attorney general whenever such special  
5 counsel is to be compensated by the board. Any expense of counsel so employed shall  
6 be borne by the fund for which the services shall be furnished.

7 **SECTION 24.** 25.18 (1) (f) of the statutes is amended to read:

8 25.18 (1) (f) Maintain and repair any building or other structure or premises  
9 which it owns in fee or in which it owns the beneficial interest and, notwithstanding  
10 all provisions of subch. IV or V of ch. 16, except s. 16.753, it shall have exclusive  
11 authority to make such agreements and enter into such contracts as it deems  
12 necessary for such purpose. ~~Section~~ Sections 16.753 does, 16.771, 16.871, and 20.932  
13 do not apply to agreements and contracts entered into by the board for the purpose  
14 of assisting the board with investments or arising out of the scope of the board's  
15 investment authority. All noncapital costs under this paragraph shall be charged to  
16 the current income accounts of the funds having an interest in the building, structure  
17 or premises.

20 except s. 16.753, employ professionals, contractors or other agents necessary to  
21 evaluate or operate any property if a fund managed by the board has an interest in,  
22 or is considering purchasing or lending money based upon the value of, that property.  
23 ~~Section~~ Sections 16.753 does, 16.771, 16.871, and 20.932 do not apply to the  
24 employment of any person for the purpose of assisting the board with investments  
25 or arising out of the scope of the board's investment authority. Costs under this

1 paragraph shall be paid by the fund and charged to the appropriate account under  
2 s. 40.04 (3).

3 **SECTION 26.** 66.0902 of the statutes is created to read:

4 **66.0902 False claims. (1) DEFINITIONS.** In this section:

12 times the amount of the damages that were sustained by the local governmental unit  
13 or would have been sustained by the local governmental unit, whichever is greater,  
14 as a result of the false claim.

15 **SECTION 27.** 84.01 (13) of the statutes is amended to read:

16 84.01 **(13) ENGINEERING SERVICES.** The department may engage such  
17 engineering, consulting, surveying, or other specialized services as it deems  
18 advisable. Any engagement of services under this subsection is exempt from ss.  
19 16.70 to ~~16.75~~ 16.7015, 16.71 to 16.751, 16.755 to 16.82, and 16.85 to 16.89, but ss.

20 16.42, 16.46, 16.528, 16.705, 16.752, 16.753, and 16.754 apply to such engagement.

21 Section 20.932 does not apply to any engagement of services under this subsection.

22 Any engagement involving an expenditure of \$3,000 or more shall be by formal  
23 contract approved by the governor. The department shall conduct a uniform  
24 cost-benefit analysis, as defined in s. 16.70 (3g), of each proposed engagement under  
25 this subsection that involves an estimated expenditure of more than ~~\$25,000~~ \$50,000

1 in accordance with standards prescribed by rule of the department. The department  
2 shall review periodically, and before any renewal, the continued appropriateness of  
3 contracting pursuant to each engagement under this subsection that involves an  
4 estimated expenditure of more than ~~\$25,000~~ \$50,000. Notwithstanding any  
5 provision of s. 16.705 or rule promulgated under s. 16.705, the department of  
6 transportation is not required to submit any proposed contractual engagement of  
7 services to, or obtain approval of any such engagement of services from, the  
8 department of administration before engaging any services under this subsection  
9 and the department of administration has no oversight authority over any such  
10 engagement of services under this subsection. Notwithstanding s. 16.705 (2), the  
11 department of transportation, rather than the department of administration, shall,  
12 before engaging any services under this subsection, satisfy itself that the  
13 justification for engaging such services conforms to the requirements of ss. 16.705,  
14 16.752, 16.753, and 16.754, and the written justification required under s. 16.705 (2)  
15 shall be submitted to the department of transportation rather than the department  
16 of administration.

17 **SECTION 28.** 84.01 (13m) of the statutes is created to read:

18 84.01 (13m) CONTRACTUAL ENGAGEMENTS OF SERVICES REPORTING. On or before  
19 October 15 of each year, the department shall submit to the governor, the joint  
20 committee on finance, the joint legislative audit committee, and the chief clerk of  
21 each house of the legislature for distribution to the appropriate standing committees

23 engagements of services authorized under sub. (13) during the preceding fiscal year.  
24 To the extent possible, the report required under this subsection may be combined  
25 with the report required under s. 16.705 (8). The report shall also include, with

2 following:

3 (a) A summary of the cost-benefit analyses completed in compliance with rules

6 services and for consolidation or resolicitation of existing contractual engagements  
7 of services.

8 **SECTION 29.** 84.01 (31) of the statutes is amended to read:

9 84.01 (31) ACCOMMODATION OF UTILITY FACILITIES WITHIN HIGHWAY RIGHTS-OF-WAY.  
10 Notwithstanding ss. 84.06 (4), 84.063, 84.065, and 84.093, the department may, upon  
11 finding that it is feasible and advantageous to the state, negotiate and enter into an  
12 agreement to accept any plant or equipment used for the conveyance, by wire, optics,  
13 radio signal, or other means, of voice, data, or other information at any frequency  
14 over any part of the electromagnetic spectrum, or to accept any services associated  
15 with the collection, storage, forwarding, switching, and delivery incidental to such  
16 communication, as payment for the accommodation of a utility facility, as defined in  
17 s. 84.063 (1) (b), within a highway right-of-way. Any agreement under this  
18 subsection is exempt from ss. 16.70 to 16.75, 16.755 to 16.82, and 16.85 to 16.89, but  
19 ss. 16.528, 16.752, and 16.754 apply to such agreement. Section 20.932 does not  
20 apply to any agreement under this subsection.

21 **SECTION 30.** 84.06 (2) (a) of the statutes is amended to read:

22 84.06 (2) (a) All such highway improvements shall be executed by contract  
23 based on bids unless the department finds that another method as provided in sub.  
24 (3) or (4) would be more feasible and advantageous. Bids shall be advertised for in  
25 the manner determined by the department. Except as provided in s. 84.075, the

1 contract shall be awarded to the lowest competent and responsible bidder as  
2 determined by the department. If the bid of the lowest competent bidder is  
3 determined by the department to be in excess of the estimated reasonable value of  
4 the work or not in the public interest, all bids may be rejected. The department shall,  
5 so far as reasonable, follow uniform methods of advertising for bids and may  
6 prescribe and require uniform forms of bids and contracts. Except as provided in par.  
7 (b), the secretary shall enter into the contract on behalf of the state. Every such  
8 contract is exempted from ss. 16.70 to 16.75, 16.755 to 16.82, 16.87 and 16.89, but  
9 ss. 16.528, 16.752, 16.753, and 16.754 apply to the contract. Section 20.932 does not  
10 apply to the contract. Any such contract involving an expenditure of \$1,000 or more  
11 shall not be valid until approved by the governor. The secretary may require the  
12 attorney general to examine any contract and any bond submitted in connection with  
13 the contract and report on its sufficiency of form and execution. The bond required  
14 by s. 779.14 (1m) is exempt from approval by the governor and shall be subject to  
15 approval by the secretary. This subsection also applies to contracts with private  
16 contractors based on bids for maintenance under s. 84.07.

17 **SECTION 31.** 84.06 (3) of the statutes is amended to read:

18 84.06 (3) CONTRACTS WITH COUNTY OR MUNICIPALITY; DIRECT LABOR; MATERIALS. If  
19 the department finds that it would be more feasible and advantageous to have the  
20 improvement performed by the county in which the proposed improvement is located  
21 and without bids, the department may, by arrangement with the county highway  
22 committee of the county, enter into a contract satisfactory to the department to have  
23 the work done by the county forces and equipment. In such contract the department  
24 may authorize the county to purchase, deliver, and store materials and may fix the  
25 rental rates of small tools and equipment. The contract shall be between the county

1 and the state and shall not be based on bids, and may be entered into on behalf of the  
2 county by the county highway committee and on behalf of the state by the secretary.  
3 Section 20.932 does not apply to the contract. Such contract is exempted from s.  
4 779.14 and from all provisions of chs. 16 and 230, except ss. 16.753 and 16.754. If  
5 the total estimated indebtedness to be incurred exceeds \$5,000 the contract shall not  
6 be valid until approved by the governor. The provisions of this subsection relating  
7 to agreements between a county and the state shall also authorize and apply to such  
8 arrangements between a city, town, or a village and the state. In such cases, the  
9 governing body of the city, town, or village shall enter into the agreement on behalf  
10 of the municipality.

11 **SECTION 32.** 84.06 (4) of the statutes is amended to read:

12 84.06 (4) SPECIAL CONTRACTS WITH RAILROADS AND UTILITIES. If an improvement  
13 undertaken by the department will cross or affect the property or facilities of a  
14 railroad or public utility company, the department may, upon finding that it is  
15 feasible and advantageous to the state, arrange to perform portions of the  
16 improvement work affecting such facilities or property or perform work of altering,  
17 rearranging, or relocating such facilities by contract with the railroad or public  
18 utility. Such contract shall be between the railroad company or public utility and the  
19 state and need not be based on bids. The contract may be entered into on behalf of  
20 the state by the secretary. Section 20.932 does not apply to the contract. Every such  
21 contract is exempted from s. 779.14 and from all provisions of chs. 16 and 230, except  
22 ss. 16.528, 16.752, 16.753, and 16.754. No such contract in which the total estimated  
23 debt to be incurred exceeds \$5,000 shall be valid until approved by the governor. As  
24 used in this subsection, “public utility” means the same as in s. 196.01 (5), and  
25 includes a telecommunications carrier as defined in s. 196.01 (8m), and “railroad”

1 means the same as in s. 195.02. “Property” as used in this subsection includes but  
2 is not limited to tracks, trestles, signals, grade crossings, rights-of-way, stations,  
3 pole lines, plants, substations, and other facilities. Nothing in this subsection shall  
4 be construed to relieve any railroad or public utility from any financial obligation,  
5 expense, duty, or responsibility otherwise provided by law relative to such property.

6 **SECTION 33.** 85.015 of the statutes is amended to read:

7 **85.015 Transportation assistance contracts.** All contracts entered into  
8 under this chapter to provide financial assistance in the areas of railroads, urban  
9 mass transit, specialized transportation, and harbors are subject to ss. 16.528,  
10 16.752, and 16.753 but are exempt from ss. 16.70 to 16.75, 16.755 to 16.82, 16.85 to  
11 16.87, and 16.875 to 16.89. Section 20.932 does not apply to contracts specified in  
12 this section.

13 **SECTION 34.** 85.65 of the statutes is created to read:

14 **85.65 Workload outsourcing rules.** The department shall promulgate rules  
15 establishing a methodology to determine the percentage of work for which the
