7 101.123 (8) (dm) and (em) of the statutes; **relating to:** prohibiting smoking in
8 indoor areas, in sports arenas, in public conveyances, and at certain outdoor
9 locations and providing a penalty.

Analysis by the Legislative Reference Bureau

Current law prohibits smoking in mass transit vehicles and specific enclosed, indoor locations, including the following:

1. Inpatient health care facilities, such as community based–residential facilities and nursing homes.
2. Prisons and jails.
3. Retail establishments.
4. Restaurants.
5. Governmental buildings.

Except for hospitals, school buses, day care centers where children are present, and a few other places, a smoking area at an indoor location may be designated by the person who is in charge of that location. For example, the person in charge of a business is the owner of the business and the person in charge of a prison is the state secretary of corrections.

Under the substitute amendment, smoking areas at indoor locations may no longer be designated resulting in a complete ban on indoor smoking at those locations with exceptions for private residences, certain existing retail tobacco stores and tobacco bars, and certain residence rooms in assisted living facilities. In addition to the specified indoor locations listed under current law, the substitute amendment prohibits smoking in any public place or place of employment. The substitute amendment defines “a place of employment” to be any indoor place that employees normally frequent during the course of employment, such as an office, a work area, an employee lounge, a restroom, a conference room, a meeting room, a classroom, or a hallway. The substitute amendment also defines a “public place” to be a place that is open to the public, regardless of whether a fee is charged or a place to which the public has lawful access or may be invited. In addition, the substitute amendment

defines an “enclosed place” for purposes of determining at what locations smoking is prohibited. An enclosed place must have a roof and more than two walls.

Current law provides exemptions from the prohibition against smoking for bowling centers, taverns, halls used for private functions, rooms in which the main occupants are smokers, and areas of facilities that are used to manufacture or assemble goods, products, or merchandise. This substitute amendment eliminates these exemptions.

Current law allows smoking in any restaurant that has a seating capacity of 50 individuals or less, or that holds a liquor license, if the sale of alcohol beverages accounts for more than 50 percent of the restaurant’s receipts. This substitute amendment prohibits smoking in any restaurant regardless of seating capacity or the number of liquor sale receipts.

Current law allows smoking in any tavern holding a “Class B” intoxicating liquor license or Class “B” fermented malt beverages license issued by a municipality. This substitute amendment prohibits smoking in any tavern that is not an existing tobacco bar. The substitute amendment also specifically prohibits smoking in private clubs.

The substitute amendment also specifically prohibits smoking in sports arenas and bus shelters, regardless of whether they meet the definition of “enclosed place.”

Current law does not limit the authority of any county, city, village, or town (municipality) to enact smoking ordinances that protect the public’s health and comfort. This substitute amendment makes no change in this provision except that if a municipality enacts an ordinance prohibiting smoking on public property, the ordinance must provide that an owner of a restaurant, tavern, private club, or retail establishment (establishment) may allow outdoor smoking that is a reasonable distance from any entrance to the establishment.

This substitute amendment requires that persons in charge of places where smoking is prohibited enforce the prohibitions by taking certain steps to ensure compliance, such as asking a person who is smoking to leave and refusing to serve the person if the place is a restaurant, tavern, or private club. This substitute amendment imposes a forfeiture on persons in charge who fail to take these measures for the second and subsequent violation.
