4 “**SECTION 1e.** 66.1103 (1) (a) of the statutes is amended to read:

5 66.1103 (1) (a) It is found and declared that industries located in this state have
6 been induced to move their operations in whole or in part to, or to expand their
7 operations in, other states to the detriment of state, county and municipal revenue
8 raising through the loss or reduction of income and franchise taxes, real estate and
9 other local taxes causing an increase in unemployment; that such conditions now
10 exist in certain areas of the state and may well arise in other areas; that economic
11 insecurity due to unemployment is a serious menace to the general welfare of not
12 only the people of the affected areas but of the people of the entire state; that

1 unemployment results in obligations to grant public assistance and in the payment
2 of unemployment insurance; that the absence of new economic opportunities has
3 caused workers and their families to migrate elsewhere to find work and establish
4 homes, which has resulted in a reduction of the tax base of counties, cities and other
5 local governmental jurisdictions impairing their financial ability to support
6 education and other local governmental services; that security against
7 unemployment and the preservation and enhancement of the tax base can best be
8 provided by the promotion, attraction, stimulation, rehabilitation and revitalization
9 of commerce, industry and manufacturing; and that there is a need to stimulate a
10 larger flow of private investment funds from banks, investment houses, insurance
11 companies and other financial institutions. It is therefore the policy of this state to
12 promote the right to gainful employment, business opportunities and general
13 welfare of its inhabitants and to preserve and enhance the tax base by authorizing
14 municipalities and counties to acquire industrial buildings and to finance the
15 acquisition through the issuance of revenue bonds for the purpose of fulfilling the
16 aims of this section. These purposes are declared to be public purposes for which
17 public money may be spent and the necessity in the public interest for the provisions
18 of this section is declared a matter of legislative determination.

19 **SECTION 1f.** 66.1103 (1) (c) of the statutes is amended to read:

20 66.1103 (1) (c) It is found and declared that the revitalization of counties and
21 of the central business districts of the municipalities of this state is necessary to
22 retain existing industry in, and attract new industry to, this state and to protect the
23 health, welfare and safety of residents of this state.

1 66.1103 (2) (a) “Authorized developer” means a corporation organized under

3 making a finding that the principal purpose of the corporation is the general
4 promotion of business development in the municipality or county or in the local area
5 containing the municipality or county.

11 municipality or county with respect to an industrial project. If more than one eligible
12 participant is a party to a revenue agreement, the undertaking of each shall be either
13 several or joint and several as the revenue agreement provides. An eligible
14 participant need not be directly or indirectly a user of the project.

15 **SECTION 1j.** 66.1103 (2) (e) of the statutes is amended to read:

16 66.1103 (2) (e) “Governing body” means the board, council or other body in
17 which the legislative powers of the municipality or county are vested.”.

12 located within and some contiguous part outside the geographic limits of the

14 outside the geographic limits of the municipality or county, but only if the revenue
15 agreement for the project also relates to another project of the same eligible

18 tax, zone or exercise any other municipal or county power with respect to that part
19 of the project located outside of the geographic limits of the municipality or county.

20 **SECTION 2c.** 66.1103 (4) (a) (intro.) of the statutes is amended to read:

21 66.1103 (4) (a) (intro.) Bonds issued by a municipality or county under this
