**ASSEMBLY AMENDMENT 23,
TO ASSEMBLY BILL 11**

February 22, 2011 – Offered by Representative RADCLIFFE.

1 At the locations indicated, amend the bill as follows:

2 **1.** Page 1, line 3: after “facilities,” insert “studies concerning certain proposed
3 state facilities,”.

4 **2.** Page 9, line 6: after that line insert:

5 “**SECTION 4m.** 13.48 (10) (a) of the statutes is amended to read:

6 13.48 (10) (a) No state board, agency, officer, department, commission or body
7 corporate may enter into a contract for the construction, reconstruction, remodeling
8 of or addition to any building, structure, or facility, in connection with any building
9 project which involves a cost in excess of \$150,000 without completion of final plans
10 and arrangement for supervision of construction and prior approval by the building
11 commission. The building commission shall not approve a project to construct a new
12 enclosed state facility before receiving a consolidation study from the department of
13 administration pertaining to the proposed construction. The building commission

1 may not approve a contract for the construction, reconstruction, renovation or
2 remodeling of or an addition to a state building as defined in s. 44.51 (2) unless it
3 determines that s. 44.57 has been complied with or does not apply. This section
4 applies to the department of transportation only in respect to buildings, structures
5 and facilities to be used for administrative or operating functions, including
6 buildings, land and equipment to be used for the motor vehicle emission inspection
7 and maintenance program under s. 110.20.”.

8 **3.** Page 23, line 2: after that line insert:

9 “**SECTION 41m.** 16.85 (17) of the statutes is created to read:

10 16.85 (17) At the request of the building commission, to perform a consolidation
11 study with respect to any proposed new enclosed state facility examining the other
12 state facilities located within 30 miles of the site of the proposed facility that could
13 be used to meet the need for the proposed new facility, the suitable enclosed space
14 within those facilities, the age of the other facilities, and the land surrounding those
15 facilities that would be available for expansion of those facilities.”.
