

State of Wisconsin
2011 - 2012 LEGISLATURE

LRBa2759/1
TJD:cjs:rs

**ASSEMBLY AMENDMENT 3,
TO 2011 SENATE BILL 306**

March 13, 2012 – Offered by Representatives POCAN, BERCEAU, SINICKI,
POPE-ROBERTS, HEBL, TURNER and C. TAYLOR.

1 At the locations indicated, amend the bill as follows:

2 **1.** Page 1, line 4: after “abortion,” insert “voluntary and informed consent for
3 erectile dysfunction medications,”.

4 **2.** Page 3, line 1: before that line insert:

5 “SECTION 1g. 146.39 of the statutes is created to read:

6 **146.39 Voluntary and informed consent; prescription of erectile**
7 **dysfunction medications. (1) DEFINITIONS.** In this section:

8 (a) “Qualified person assisting the physician” means a social worker certified
9 under ch. 457, a registered nurse, or a physician assistant to whom a physician who
10 is to prescribe a medication to treat erectile dysfunction has delegated the
11 responsibility, as the physician’s agent, for providing the information required under
12 sub. (2) (c) 2.

1 (b) "Qualified physician" means a physician who by training or experience is
2 qualified to provide the information required under sub. (2) (c) 1.

3 (2) VOLUNTARY AND INFORMED CONSENT. (a) *Generally.* Medications to treat
4 erectile dysfunction may not be prescribed or given unless the man who is to receive
5 the medications has given voluntary and informed written consent under the
6 requirements of this section.

7 (b) *Voluntary consent.* Consent under this section to erectile dysfunction
8 medications is voluntary only if the consent is given freely and without coercion by
9 any person. The physician who is to prescribe or give the erectile dysfunction
10 medications shall determine whether the individual's consent is, in fact, voluntary.
11 Notwithstanding par. (c) 3., the physician shall make the determination by speaking
12 to the individual in person, out of the presence of anyone other than a person working
13 for or with the physician. If the physician has reason to suspect that the individual
14 is in danger of being physically harmed by anyone who is coercing the individual to
15 consent to erectile dysfunction medications against his will, the physician shall
16 inform the individual of services for victims or individuals at risk of domestic abuse
17 and provide him with private access to a telephone.

18 (c) *Informed consent.* An individual's consent to receive erectile dysfunction
19 medications is informed only if all of the following first take place:

20 1. At least 24 hours before the erectile dysfunction medication is to be given,
21 the physician who prescribes or gives the erectile dysfunction medication or any
22 other qualified physician has, in person, orally informed the individual of all of the
23 following:

24 a. Whether or not, according to the reasonable medical judgment of the
25 physician, the individual is a candidate for erectile dysfunction medication.

1 b. The probable condition of the man's body and sexual organs at the time that
2 the information is provided. The physician or other qualified physician shall also
3 provide this information to the individual in writing at this time.

4 c. The particular medical risks, if any, associated with the man's sexual
5 condition.

6 d. The probable anatomical and physiological characteristics of the man's
7 sexual organs.

8 e. The details of the medical method that would be used to treat the erectile
9 dysfunction.

10 f. The medical risks associated with the particular erectile dysfunction
11 medication that would be used.

12 g. The recommended general medical instructions for the individual to follow
13 after taking erectile dysfunction medications to enhance his safe recovery and the
14 name and telephone number of a physician to call if complications arise after taking
15 an erectile dysfunction medication.

16 h. That the individual has a right to refuse to consent to erectile dysfunction
17 medications, that his consent is not voluntary if anyone is coercing him to consent
18 to taking erectile dysfunction medications against his will, and that it is unlawful for
19 the physician to prescribe or give erectile dysfunction medications without his
20 voluntary consent.

21 i. That the individual may withdraw his consent to take erectile dysfunction
22 medications at any time.

23 j. That the individual is not required to pay any amount for erectile dysfunction
24 medications until at least 24 hours have elapsed after the requirements of this
25 paragraph are met.

1 k. That the man must return to the facility for a follow-up visit 12 to 18 days
2 after the use of an erectile dysfunction medication to confirm the efficacy of the
3 medication and evaluate the man's medical condition.

4 2. At least 24 hours before prescribing or giving the erectile dysfunction
5 medication, the physician who is to prescribe or give the medication, a qualified
6 person assisting the physician, or another qualified physician has, in person, done
7 all of the following:

8 a. Orally informed the man that he has the right to receive and review the
9 printed materials described in par. (d). The physician or qualified person assisting
10 the physician shall physically give the materials to the individual and shall, in
11 person, orally inform him that the materials are free of charge and have been
12 provided by the state and shall provide him with the current updated copies of the
13 printed materials free of charge.

14 b. Orally informed the man that the printed materials described in par. (d)
15 contain information on services available for victims or individuals at risk of
16 domestic abuse.

17 c. Orally inform the man that the printed materials described in par. (d) contain
18 information on the availability of public and private agencies and services to provide
19 the individual with information on erectile dysfunction.

20 d. Shown the man a video, developed by the department, depicting erectile
21 dysfunction, the risks of taking erectile dysfunction medications, and alternative
22 treatments for erectile dysfunction.

23 3. The information that is required under subds. 1. and 2. is provided to the
24 individual in an individual setting that protects his privacy, maintains the
25 confidentiality of his decision, and ensures that the information he receives focuses

1 on his individual circumstances. This subdivision may not be construed to prevent
2 the individual from having a family member, or any other person of his choice,
3 present during his private counseling.

4 4. Whoever provides the information that is required under subd. 1. or 2., or
5 both, provides adequate opportunity for the man to ask questions and provides the
6 information that is requested or indicates to the man where he can obtain the
7 information.

8 5. The individual certifies in writing on a form that the department shall
9 provide, prior to prescription or giving of erectile dysfunction medications, that the
10 information that is required under subds. 1. and 2. has been provided to him in the
11 manner specified in subd. 3., that he has been offered the information described in
12 par. (d), and that all of his questions, as specified under subd. 4., have been answered
13 in a satisfactory manner. The physician who is to prescribe or give the erectile
14 dysfunction medications or the qualified person assisting the physician shall write
15 on the certification form the name of the physician who is to prescribe or give the
16 erectile dysfunction medications. The individual shall indicate on the certification
17 form who provided the information to him or her and when it was provided.

18 6. Prior to the prescription or giving of erectile dysfunction medications, the
19 physician who is to prescribe or give the medications or the qualified person assisting
20 the physician receives the written certification that is required under subd. 5. The
21 physician or qualified person assisting the physician shall place the certification in
22 the individual's medical record and shall provide the individual with a copy of the
23 certification.

24 7. If the individual considering erectile dysfunction medications is a minor, the
25 requirements to provide information to the minor under subds. 1. to 6. apply also to

1 require provision of the information to the individual whose consent is required. If
2 the individual considering erectile dysfunction medications is an individual
3 adjudicated incompetent in this state, the requirements to provide information to the
4 individual under subds. 1. to 6. apply to also require provision of the information to
5 the person appointed as the individual's guardian.

6 (d) *Printed information.* By the date that is 60 days after May 1, 2012, the
7 department shall cause to be published in English, Spanish, and other languages
8 spoken by a significant number of state residents, as determined by the department,
9 materials that are in an easily comprehensible format and are printed in type of not
10 less than 12-point size. The department shall distribute a reasonably adequate
11 number of the materials to county departments under s. 46.215, 46.22, or 46.23 and,
12 upon request, shall annually review the materials for accuracy and shall exercise
13 reasonable diligence in providing materials that are accurate and current. The
14 materials shall be all of the following:

15 1. Geographically indexed materials that are designed to inform an individual
16 about public and private agencies and services that are available to provide
17 information on erectile dysfunction and provide imaging services. The materials
18 shall include a comprehensive list of the agencies available, a description of the
19 services that they offer and a description of the manner in which they may be
20 contacted, including telephone numbers and addresses, or, at the option of the
21 department, the materials shall include a toll-free, 24-hour telephone number that
22 may be called to obtain an oral listing of available agencies and services in the locality
23 of the caller and a description of the services that the agencies offer and the manner
24 in which they may be contacted. The materials shall provide information on the
25 availability of governmentally funded programs that serve individuals with erectile

1 dysfunction. Services identified for the individual shall include Medical Assistance.
2 The materials shall state that it is unlawful to prescribe or give erectile dysfunction
3 medications for which consent has been coerced and that any physician who
4 prescribes or gives erectile dysfunction medication without obtaining the
5 individual's voluntary and informed consent is liable to him for damages in a civil
6 action and is subject to a civil penalty. The materials shall state that imaging
7 services may be obtainable by individuals with erectile dysfunction and individuals
8 who wish to use them and shall describe the services. The materials shall include
9 information on services in the state that are available for victims or individuals at
10 risk of domestic abuse.

11 2. Materials, including videos, photographs, pictures, or drawings, that are
12 designed to show erectile dysfunction and treatments for erectile dysfunction. The
13 pictures, drawings, and videos must be realistic and appropriate for the stage of
14 erectile dysfunction depicted. The materials shall be objective, nonjudgmental and
15 designed to convey only accurate scientific information about erectile dysfunction at
16 the various stages. The materials shall also contain objective, accurate information
17 describing the methods of erectile dysfunction treatments commonly employed, and
18 the medical and psychological risks commonly associated with each such procedure.

19 3. A certification form for use under par. (c) 5. that lists, in a check-off format,
20 all of the information required to be provided under that subdivision.

21 (e) *Requirement to obtain materials.* A physician who intends to prescribe
22 erectile dysfunction medication or another qualified physician, who reasonably
23 believes that he or she might have a patient for whom the information under par. (d)
24 is required to be given, shall request a reasonably adequate number of the materials

1 that are described under par. (d) from the department under par. (d) or from a county
2 department under s. 46.215, 46.22, or 46.23.

3 (f) *Presumptions.* Satisfaction of the conditions required under par. (c) creates
4 a rebuttable presumption that the individual's consent and, if the individual is a
5 minor, the consent of the individual who also gives consent, to an erectile dysfunction
6 medication is informed. The presumption of informed consent may be overcome by
7 a preponderance of evidence that establishes that the consent was obtained through
8 fraud, negligence, deception, misrepresentation or omission of a material fact. There
9 is no presumption that consent to erectile dysfunction medication is voluntary.

10 (3) PENALTY. Any person who violates sub. (2) shall be required to forfeit not
11 less than \$1,000 nor more than \$10,000. No penalty may be assessed against the
12 man who is prescribed or who receives erectile dysfunction medication.

13 (4) CIVIL REMEDIES. (a) A person who violates sub. (2) is liable to the man for
14 whom the erectile dysfunction medication was prescribed or to whom the erectile
15 dysfunction medication was given for damages arising out of the prescription or
16 giving of erectile dysfunction medication, including damages for personal injury and
17 emotional and psychological distress.

18 (b) A person who has been awarded damages under par. (a) shall, in addition
19 to any damages awarded under par. (a), be entitled to not less than \$1,000 nor more
20 than \$10,000 in punitive damages for a violation that satisfies a standard under s.
21 895.043 (3).

22 (c) A conviction under sub. (3) is not a condition precedent to bringing an action,
23 obtaining a judgment, or collecting the judgment under this subsection.

1 (d) Notwithstanding s. 814.04 (1), a person who recovers damages under par.
2 (a) or (b) may also recover reasonable attorney fees incurred in connection with the
3 action.

4 (e) A contract is not a defense to an action under this subsection.

5 (f) Nothing in this subsection limits the common law rights of a person that are
6 not in conflict with sub. (2).

7 **(5) AFFIRMATIVE DEFENSE.** No person is liable under sub. (3) or (4) or under s.
8 441.07 (1) (f), 448.02 (3) (a), or 457.26 (2) (gm) for failure under sub. (2) (c) 2. to provide
9 the printed materials described in sub. (2) (d) to an individual or for failure under
10 sub. (2) (c) 2. to describe the contents of the printed materials if the person has made
11 a reasonably diligent effort to obtain the printed materials under sub. (2) (e) and the
12 department and the county department under s. 46.215, 46.22, or 46.23 have not
13 made the printed materials available at the time that the person is required to give
14 them to the individual.

15 **(6) PRESCRIPTION OF MEDICATIONS.** (a) No person may give a medication to treat
16 erectile dysfunction to a man unless all of the following are satisfied:

17 1. The physician who prescribed the medication to treat erectile dysfunction
18 performs a physical exam on the man before the information is provided under sub.
19 (2).

20 2. The physician who prescribed the medication to treat erectile dysfunction
21 is physically present in the room when the drug is given to the man.

22 (b) Any person who violates this subsection is guilty of a Class I felony. No
23 penalty may be assessed against a man for whom a medication to treat erectile
24 dysfunction is prescribed.”

1 **3.** Page 3, line 1: delete “**SECTION 1**” and substitute “**SECTION 1r**”.

2 **4.** Page 9, line 23: after that line insert:

3 “**SECTION 10k.** 441.07 (1) (f) of the statutes is amended to read:

4 441.07 (1) (f) A violation of the requirements of s. 146.39 (2) (c) 2., 3., 4., 5., 6.,
5 or 7. or 253.10 (3) (c) 2., 3., 4., 5., 6. or 7.

6 **SECTION 10n.** 448.02 (3) (a) of the statutes is amended to read:

7 448.02 (3) (a) The board shall investigate allegations of unprofessional conduct
8 and negligence in treatment by persons holding a license, certificate or limited
9 permit granted by the board. An allegation that a physician has violated s. 146.39
10 (2), 253.10 (3), 448.30 or 450.13 (2) or has failed to mail or present a medical
11 certification required under s. 69.18 (2) within 21 days after the pronouncement of
12 death of the person who is the subject of the required certificate or that a physician
13 has failed at least 6 times within a 6-month period to mail or present a medical
14 certificate required under s. 69.18 (2) within 6 days after the pronouncement of death
15 of the person who is the subject of the required certificate is an allegation of
16 unprofessional conduct. Information contained in reports filed with the board under
17 s. 49.45 (2) (a) 12r., 50.36 (3) (b), 609.17 or 632.715, or under 42 CFR 1001.2005, shall
18 be investigated by the board. Information contained in a report filed with the board
19 under s. 655.045 (1), as created by 1985 Wisconsin Act 29, which is not a finding of
20 negligence or in a report filed with the board under s. 50.36 (3) (c) may, within the
21 discretion of the board, be used as the basis of an investigation of a person named in
22 the report. The board may require a person holding a license, certificate or limited
23 permit to undergo and may consider the results of one or more physical, mental or

1 professional competency examinations if the board believes that the results of any
2 such examinations may be useful to the board in conducting its investigation.

3 **SECTION 10p.** 457.26 (2) (gm) of the statutes is amended to read:

4 457.26 (2) (gm) Violated the requirements of s. 146.39 (2) (c) 2., 3., 4., 5., 6., or
5 7. or 253.10 (3) (c) 2., 3., 4., 5., 6. or 7.”.

6 (END)
