1 At the locations indicated, amend the bill as follows:

2 **1.** Page 104, line 8: delete the material beginning with “the method” and
3 ending with “600/2-78-054” on line 9 and substitute “static testing, kinetic testing,
4 and microscopic testing for mineralization characterization”.

5 **2.** Page 183, line 5: delete lines 5 to 17 and substitute:

6 “(b) When issuing or modifying a mining permit or issuing or reissuing any
7 other approval, the department may reduce the design management zone by a
8 horizontal distance of not more than 600 feet. The department may not reduce the
9 design management zone unless the department determines that preventive action
10 limits and enforcement standards or alternative concentration limits will be met at
11 the boundary of the reduced design management zone. The department shall
12 consider the following factors in determining whether to reduce the design
13 management zone:
