7 statutes; **relating to:** academic excellence higher education scholarships.

Analysis by the Legislative Reference Bureau

This substitute amendment establishes minimum eligibility criteria for, and changes the amount of, academic excellence scholarships awarded to high school seniors by the Higher Educational Aids Board and also changes part of the process for awarding these scholarships.

Under current law, HEAB administers the Academic Excellence Higher Education Scholarship Program under which HEAB awards scholarships to certain scholars, designated on the basis of grade point average, who enroll, on a full-time basis, in a public or private institution of higher education in this state. Under the

program, a scholarship recipient is exempt from up to \$2,250 in tuition and fees for each academic year that the recipient is enrolled full time, maintains at least a 3.000 GPA, and makes satisfactory progress toward an associate or a bachelor's degree or a vocational diploma.

Currently, the scholarships may be awarded to seniors with the highest GPAs in each high school having at least 80 pupils. The number of scholarships available for each high school is scaled based on the enrollment of the high school, with one scholarship available for the senior with the highest GPA in a high school having 80 pupils and six scholarships available for the six seniors with the six highest GPAs in a high school having 2,500 or more pupils. For high schools having fewer than 80 pupils, there are ten additional scholarships available statewide for seniors with the highest GPAs.

This substitute amendment changes the amount of a scholarship for a scholarship recipient attending a public institution of higher education to 50 percent of the tuition and fees at that institution and changes the amount of a scholarship for a scholarship recipient attending a private institution of higher education to 50 percent of the tuition and fees charged a resident undergraduate student at the University of Wisconsin-Madison. As under current law, the amount of the scholarship is paid in equal parts by HEAB and by the institution, which must match HEAB's payment as a condition of participating in the scholarship program. The substitute amendment eliminates a provision restricting participation in the program to institutions that provided HEAB notice of their wish to participate by October 1, 1998. The substitute amendment also requires an institution participating in the program to offer an internship to each scholarship recipient during one of the years of the student's enrollment in the institution.

The substitute amendment also requires a student to have a GPA of at least 3.5 and a score of at least 28 on the American College Test in order to qualify for a scholarship. The substitute amendment also makes changes to the process and procedure under which some scholarships are awarded. Among these changes, for a high school having at least 80 pupils, the scholarship recipient is designated by HEAB, rather than the school district of the public high school or governing body of the private or tribal high school in which the student is enrolled, based on a ranking of students provided by the school district or governing body to HEAB. In addition, if a scholarship that is authorized for a high school having at least 80 pupils is not awarded because the high school has an insufficient number of seniors who meet eligibility criteria, the scholarship is instead awarded by HEAB to a senior in another, similarly sized high school who meets eligibility criteria and has the highest ACT score.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

16 point average, ordering these seniors with the same grade point average according

18 the same grade point average and the same score on the American college test, the
19 faculty of the high school shall determine the relative ranking of these seniors and
20 certify the order of ranking of these seniors to the school board or governing body.
21 This list of rankings shall identify, on the list, each senior's grade point average and
22 American college test score. The school board or governing body shall provide this
23 list of rankings to the executive secretary by February 25 of each school year.

24 2. From each high school for which the executive secretary receives a list of
25 rankings under subd. 1., the executive secretary shall designate scholars under par.

1 (a) according to the order of ranking of seniors on this list of rankings. After the
2 applicable number of seniors to be designated as scholars under par. (a) have
3 accepted the designation as a scholar as provided in subd. 3., the remaining seniors
4 on this list of rankings shall be considered alternates and the executive secretary
5 shall proceed as provided in par. (k) 2.

6 3. Upon receiving notice of his or her designation as a scholar under par. (a),
7 a senior shall give notice to the executive secretary that the senior accepts or declines

11 declining the designation, or requesting an extension, in writing and within 10 days
12 of the date of the executive secretary's notice of designation, or by May 1 of the school
13 year in which the senior receives notice of the designation, whichever is later. If the
14 senior requests an extension of time to accept or decline the designation and the
15 request is granted, the senior shall give notice in writing that he or she accepts or
16 declines the designation by the end of the extension period. If a senior does not give
17 timely notice under this subdivision, the designation is revoked and the executive
18 secretary shall designate as a scholar the next senior on the list of rankings under
19 subd. 1. The executive secretary shall repeat this process as necessary until the
20 executive secretary receives timely acceptance of the designation. The executive
21 secretary shall follow this procedure until the executive secretary has designated
22 scholars for the applicable number of seniors to be designated under par. (a) or until
23 the executive secretary has exhausted the list of rankings of seniors. A senior
24 designated as a scholar under par. (a) is not considered to be a designated scholar for

1 purposes of sub. (2) (a) or (3) (a) unless the senior has accepted the designation as
2 provided in this subdivision.

3 4. For each high school, if the number of eligible seniors on the list of rankings
4 under subd. 1. who accept designation as a scholar is less than the applicable number
5 of seniors to be designated as scholars under par. (a), the executive secretary shall
6 determine the number of scholars the executive secretary was authorized to
7 designate under par. (a) but could not designate because of an insufficient number
8 of eligible seniors who accept the designation.

9 **SECTION 9.** 39.41 (1m) (e) of the statutes is amended to read:

10 39.41 **(1m)** (e) If 2 or more seniors from the same high school of ~~less~~ fewer than

12 nominated senior and one alternate, are otherwise eligible for nomination under par.
13 (b), the faculty of the high school shall select the senior who may be nominated by
14 the school board of the school district operating the public high school or the
15 governing body of the private or tribal high school for designation under par. (b) as
16 a scholar by the executive secretary and shall also select an alternate nominee. If
17 ~~that the nominated senior or the alternate~~ is designated as a scholar by the executive
18 secretary, but does not qualify for a higher education scholarship under sub. (2) (a)
19 or (3) (a), the faculty of the high school shall select, in order of priority, one or more
20 of the remaining seniors with the same grade point average and with a score of at
21 least 28 on the American college test for certification as a scholar or, if there is no
22 remaining senior with the same grade point average and with a score of at least 28
23 on the American college test, one or more of the remaining seniors with the next
24 highest grade point average, but not less than ~~3.800~~ 3.500 or the equivalent, and with
25 a score of at least 28 on the American college test for certification as a scholar, and

9 in any school year thereafter, the school board of the school district operating the
10 high school or the governing body of the private or tribal high school shall, subject
11 to par. (d), for each of the 2 school years following the closure or merger, designate
12 the same number of scholars from among the pupils enrolled in the high school at the
13 time of closure or merger as the number of scholars designated for that high school
14 in the school year the high school closed or merged. Any seniors designated under
15 this paragraph shall be eligible for an original scholarship under this section.

16 **SECTION 11.** 39.41 (1m) (g) 2. of the statutes is created to read:

2 ~~and certified by the faculty of the high school for purposes of~~ under par. (d) ~~or (i)~~.

3 **SECTION 15.** 39.41 (1m) (k) of the statutes is created to read:

4 39.41 **(1m)** (k) 1. Based on the numbers determined by the executive secretary
5 under par. (d) 4., the executive secretary shall calculate the total number of scholars
6 authorized to be designated under par. (a) but that could not be designated because
7 of an insufficient number of eligible seniors who accept the designation, for all of the
8 following:

9 a. High schools with an enrollment of at least 80 pupils but fewer than 500
10 pupils.

11 b. High schools with an enrollment of at least 500 pupils but fewer than 1,000

24 to correspond with the 6 groupings of high schools by size of enrollment under subd.
25 1. and shall include on these lists only seniors the executive secretary has

1 determined to be alternates. Within each of these groups, the executive secretary
2 shall consolidate the lists of rankings of alternates and reorder the rankings, from
3 highest to lowest, according to the seniors' American college test scores. The
4 executive secretary shall designate seniors as scholars under par. (c) 3m. based on
5 the order of ranking, within each group, of seniors by American college test score.
6 If 2 or more seniors have the same American college test score and the number of
7 scholars authorized for designation under par. (c) 3m. is less than the number of
8 seniors with the same American college test score, the executive secretary shall
9 determine by lottery which senior or seniors, among those with the same American
10 college test scores, are designated as scholars under par. (c) 3m.

11 3. Upon receiving notice of his or her designation as a scholar under par. (c) 3m.,
12 a senior shall give notice to the executive secretary that the senior accepts or declines
13 the designation or shall request an extension of time to accept or decline the
14 designation, which extension may be granted only in writing, upon a showing of good
15 cause, and may not exceed 30 days. The senior shall give this notice accepting or

18 year in which the senior receives notice of the designation, whichever is later. If the
19 senior requests an extension of time to accept or decline the designation and the
20 request is granted, the senior shall give notice in writing that he or she accepts or
21 declines the designation by the end of the extension period. If a senior does not give
22 timely notice under this subdivision, the designation is revoked and the executive
23 secretary shall designate as a scholar the next senior on the executive secretary's
24 applicable consolidated list of rankings under subd. 2. The executive secretary shall
25 repeat this process as necessary until the executive secretary receives timely

1 acceptance of the designation. The executive secretary shall follow this procedure
2 until the executive secretary has made all designations authorized under par. (c) 3m.
3 or until the executive secretary has exhausted the applicable consolidated list of
4 rankings under subd. 2. A senior designated as a scholar under par. (c) 3m. is not
5 considered to be a designated scholar for purposes of sub. (2) (a) or (3) (a) unless the
6 senior has accepted the designation as provided in this subdivision.

7 **SECTION 16.** 39.41 (1m) (m) of the statutes is amended to read:

8 39.41 (1m) (m) Notwithstanding pars. (a), (b) and (d), if a high school ranks its
