Analysis by the Legislative Reference Bureau

INTRODUCTION

This substitute amendment makes various changes to the regulation of property rights and shoreland zoning and allows for the substitution of hearing examiners in contested case hearings.

PROPERTY RIGHTS

PROCEDURAL PROTECTIONS

Restrictions on sale, purchase, development, or occupancy of real property

This substitute amendment does all of the following:

1. Prohibits a local governmental unit from requiring a person to take certain actions with respect to real property, or pay a related fee, before purchasing, taking title to, or occupying the property.

2. Provides that a local governmental unit may require a real property owner to take certain actions with respect to property that are not related to purchasing or occupying the property.

3. Invalidates any ordinance, resolution, or policy currently in effect that is inconsistent with the prohibitions in the substitute amendment.

4. Provides that the prohibitions in the substitute amendment, and related prohibitions under current law, do not affect the ability of a local governmental unit to enforce any state or federal requirement.

5. Specifically prohibits a county from enacting a development moratorium.

6. Prohibits a city, village, town, or county (political subdivision) from prohibiting or unreasonably restricting a real property owner from selling or transferring title to any interest in the real property.

Individual notice requirements

This substitute amendment requires a political subdivision to provide written notice to a landowner, and annual notification to residents of a political subdivision that they may request such notice, that potential action by the political subdivision may affect the allowable use of the landowner's property. The substitute amendment also requires counties and towns to provide such notice if a proposed zoning ordinance will affect the size or density requirements of a landowner's property. In addition, the substitute amendment limits a political subdivision's authority under current law to impose a fee for providing notice to charges for 1st class mailings.

VESTED RIGHTS

If a specific and identifiable land development or use requires multiple approvals from one or more state agencies, the substitute amendment requires a state agency, in making its determinations with regard to any approval for that project, to apply the law that is in effect on the date on which the applicant applies

for the first approval from any state agency for that project if the applicant identifies the full scope of the project at that time. The substitute amendment allows an applicant and a state agency to agree with respect to an approval from that state agency that the law at the time of application for the approval applies.

SHORELAND ZONING

Under current law, a county must enact a shoreland zoning ordinance for all shorelands in its unincorporated area and the ordinance must meet shoreland zoning standards established by DNR by rule. Current law defines shorelands to be the area within a certain distance from the OHWM of a navigable water. Current law requires a county to establish a shoreland setback area, which is an area within a certain distance of the OHWM in which the construction or placement of structures is limited or prohibited. Under this substitute amendment, if a professional land surveyor, in measuring a setback from an OHWM of a navigable water, relies on a map, plat, or survey that incorporates or approximates the OHWM, the setback measured is the setback with respect to a structure constructed on that property if the map, plat, or survey relied upon is prepared by a professional land surveyor and DNR has not identified the OHWM on its Internet site at the time the setback is measured.

Current law generally prohibits the enactment of a county shoreland zoning ordinance that prohibits or regulates the maintenance, repair, replacement, restoration, rebuilding, or remodeling of all or any part of a nonconforming structure if that activity does not expand the structure's footprint, and a county shoreland zoning ordinance that requires any approval or imposes any fee or mitigation requirement for, or otherwise prohibits or regulates, the vertical expansion of a nonconforming structure. This substitute amendment expands these prohibitions to a structure of which any part is legally located in the shoreland setback area by operation of a variance granted before July 13, 2015.

This substitute amendment provides that a shoreland zoning standard or ordinance may not prohibit placement of a device or system that retains runoff in a shoreland setback area.

The substitute amendment also provides that the construction or maintenance of property or equipment used for the transmission, delivery, or furnishing of natural gas, heat, light, or power and owned by a public utility or cooperative association organized for the purpose of producing or furnishing heat, light, or power to its members only is considered to satisfy shoreland zoning laws and a county's shoreland zoning ordinance if DNR has issued all required navigable water, water and sewage, and pollution discharge permits or approvals authorizing the construction or maintenance or, if no such permits or approvals are required, if the construction and maintenance is conducted in a manner that employs best management practices to infiltrate or otherwise control storm water runoff from that infrastructure.

RESOLUTION OF CHALLENGE TO ZONING RESTRICTIONS

This substitute amendment requires a court to resolve any ambiguity in a matter involving a zoning ordinance or shoreland zoning ordinance in favor of the free use of private property.

SUPERMAJORITY VOTE TO DOWN ZONE A PROPERTY

The substitute amendment allows a political subdivision to enact a down zoning ordinance only if the ordinance is approved by at least two-thirds of the members of its governing body. The substitute amendment defines a down zoning ordinance as an ordinance that affects an area of land by rezoning it to a usage that is less dense than its previous usage.

PROPERTY TAX TREATMENT OF UNDEVELOPED LAND

This substitute amendment defines, for property tax purposes, “undeveloped land” to include land that is platted and zoned for residential, commercial, or manufacturing use until such time that a permit is issued for constructing a building or other structure on the land. The substitute amendment provides that such land be assessed at its unimproved value, although the land is subject to a conversion charge if its assessment changes from agricultural to unimproved. Other undeveloped land under current law is assessed at 50 percent of its full value.

CONTESTED CASE HEARINGS

Under this substitute amendment, a person who has applied for a contract, permit, or other approval that is the subject of a contested case hearing for which the Division of Hearings and Appeals in the Department of Administration has assigned a hearing examiner may file one written request per hearing for a substitution of a new hearing examiner. If the request is timely and in proper form, the matter must be transferred to a new hearing examiner.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 20.932 of the statutes is created to read:

2 **20.932 Multiple approvals for a single project.** (1) In this section:

3 (a) “Approval” means a license, permit, authorization, or other approval issued
4 by a state agency.

5 (b) “Project” means a specific and identifiable land development, improvement
6 activity, or use that occurs on defined parcels of land.

7 (2) Except as provided in sub. (3), if a project requires multiple approvals from
8 one or more state agencies, a state agency shall, in making its determinations with
9 regard to any approval for that project, apply the law that is in effect on the date on
10 which the person proposing the project applies for the first approval from any state

1 agency for that project if the person proposing the project identifies the full scope of
2 the project at the time of submitting the first application for an approval for the
3 project.

4 (3) An applicant and a state agency may agree with respect to an approval from
5 that state agency that the law at the time of application for the approval applies.

6 **SECTION 2.** 59.69 (4) (intro.) of the statutes is amended to read:

7 59.69 (4) EXTENT OF POWER. (intro.) For the purpose of promoting the public
8 health, safety and general welfare the board may by ordinance effective within the
9 areas within such county outside the limits of incorporated villages and cities
10 establish districts of such number, shape and area, and adopt such regulations for
11 each such district as the board considers best suited to carry out the purposes of this
12 section. The board may establish mixed-use districts that contain any combination
13 of uses, such as industrial, commercial, public, or residential uses, in a compact
14 urban form. The board may not enact a development moratorium, as defined in s.
15 66.1002 (1) (b), under this section or s. 59.03, or by acting under ch. 236, except that
16 this prohibition does not limit the board's authority to impose a moratorium that is
17 not a development moratorium. The powers granted by this section shall be
18 exercised through an ordinance which may, subject to sub. (4e), determine, establish,
19 regulate and restrict:

20 **SECTION 3.** 59.69 (4) (j) of the statutes is amended to read:

21 59.69 (4) (j) The Subject to s. 66.10015 (3), the density and distribution of
22 population.

23 **SECTION 4.** 59.69 (5) (f) of the statutes is amended to read:

24 59.69 (5) (f) The county zoning agency shall maintain a list of persons who
25 submit a written or electronic request to receive notice of any proposed ordinance or

1 amendment that affects the allowable use of the property owned by the person.
2 Annually, the agency shall publish a class 1 notice, under ch. 985, to inform residents
3 of the county that they may add their names to the list. The agency may also inform
4 residents of the county about adding their names to the list by posting the notice on
5 the county's Internet site. If the county zoning agency completes a draft of a proposed
6 zoning ordinance under par. (a) or if the agency receives a petition under par. (e) 2.,
7 the agency shall send a notice, which contains a copy or summary of the proposed
8 ordinance or petition, to each person on the list whose property, the allowable use or
9 size or density requirements of which, may be affected by the proposed ordinance or
10 amendment. The notice shall be by mail or in any reasonable form that is agreed to
11 by the person and the agency, including electronic mail, voice mail, text message, or
12 inclusion in the person's property tax. The agency may charge each person on the
13 list who receives a notice by 1st class mail a fee that does not exceed the approximate
14 cost of providing the notice to the person. An ordinance or amendment that is subject
15 to this paragraph may take effect even if the agency fails to send the notice that is
16 required by this paragraph.

17 **SECTION 5.** 59.692 (1h) of the statutes is created to read:

18 59.692 (1h) If a professional land surveyor licensed under ch. 443, in
19 measuring a setback from an ordinary high-water mark of a navigable water as
20 required by an ordinance enacted under this section, relies on a map, plat, or survey
21 that incorporates or approximates the ordinary high-water mark in accordance with
22 s. 236.025, the setback measured is the setback with respect to a structure
23 constructed on that property if all of the following apply:

24 (a) The map, plat, or survey is prepared by a professional land surveyor,
25 licensed under ch. 443, after the effective date of this paragraph [LRB inserts

1 date]. The same professional land surveyor may prepare the map, plat, or survey and
2 measure the setback.

3 (b) The department has not identified the ordinary high-water mark on its
4 Internet site as is required under s. 30.102 at the time the setback is measured.

5 **SECTION 6.** 59.692 (1k) (a) 2. of the statutes, as created by 2015 Wisconsin Act
6 55, is amended to read:

7 59.692 (1k) (a) 2. Except as provided in par. (b), requires any approval or
8 imposes any fee or mitigation requirement for, or otherwise prohibits or regulates,
9 the maintenance, repair, replacement, restoration, rebuilding, or remodeling of all
10 or any part of a nonconforming structure or a structure of which any part is legally
11 located in the shoreland setback area by operation of a variance granted before July
12 13, 2015, if the activity does not expand the footprint of the nonconforming structure.

13 **SECTION 7.** 59.692 (1k) (a) 4. of the statutes, as created by 2015 Wisconsin Act
14 55, is amended to read:

15 59.692 (1k) (a) 4. Requires any approval or imposes any fee or mitigation
16 requirement for, or otherwise prohibits or regulates, the vertical expansion of a
17 nonconforming structure or a structure of which any part is legally located in the
18 shoreland setback area by operation of a variance granted before July 13, 2015,
19 unless the vertical expansion would extend more than 35 feet above grade level.

20 **SECTION 8.** 59.692 (1k) (a) 6. of the statutes is created to read:

21 59.692 (1k) (a) 6. Prohibits placement in a shoreland setback area of a device
22 or system authorized under par. (a) 5.

23 **SECTION 9.** 59.692 (1k) (b) of the statutes, as created by 2015 Wisconsin Act 55,
24 is amended to read:

1 59.692 (1k) (b) A county shoreland zoning ordinance shall allow an activity
2 specified under par. (a) 2. to expand the footprint of a nonconforming structure or a
3 structure of which any part is legally located in the shoreland setback area by
4 operation of a variance granted before July 13, 2015, if the expansion is necessary
5 for the structure to comply with applicable state or federal requirements.

6 **SECTION 10.** 59.692 (1p) of the statutes is created to read:

7 59.692 (1p) The department may not promulgate a standard and a county may
8 not enact an ordinance under this section that prohibits the owner of a boathouse in
9 the shoreland setback area that has a flat roof from using the roof as a deck if the roof
10 has no side walls or screens or from having or installing a railing around that roof
11 if the railing is consistent with standards promulgated by the department of safety
12 and professional services under ch. 101.

13 **SECTION 11.** 59.692 (7) of the statutes is created to read:

14 59.692 (7) (a) In this subsection, “facility” means any property or equipment
15 of a public utility, as defined in s. 196.01 (5), or a cooperative association organized
16 under ch. 185 for the purpose of producing or furnishing heat, light, or power to its
17 members only, that is used for the transmission, delivery, or furnishing of natural
18 gas, heat, light, or power.

19 (b) The construction and maintenance of a facility is considered to satisfy the
20 requirements of this section and any county ordinance enacted under this section if
21 any of the following applies:

22 1. The department has issued all required permits or approvals authorizing the
23 construction or maintenance under ch. 30, 31, 281, or 283.

24 2. No department permit or approval under subd. 1. is required for the
25 construction or maintenance and the construction or maintenance is conducted in a

1 manner that employs best management practices to infiltrate or otherwise control
2 storm water runoff from the facility.

3 **SECTION 12.** 60.23 (33) of the statutes is amended to read:

4 60.23 (33) COMPREHENSIVE PLAN. Adopt or amend a master plan under s. 62.23.
5 A master plan, by itself, under this subsection may not prohibit any use specified as
6 a conditional use in a zoning ordinance enacted by the town, nor can the master plan
7 be used to void a conditional use permit that has already been issued.

8 **SECTION 13.** 60.61 (2) (a) 6. of the statutes is amended to read:

9 60.61 (2) (a) 6. The Subject to s. 66.10015 (3), the density and distribution of

12 60.61 (4) (f) The town board shall maintain a list of persons who submit a
13 written or electronic request to receive notice of any proposed ordinance or
14 amendment that affects the allowable use of the property owned by the person.
15 Annually, the town board shall publish a class 1 notice, under ch. 985, to inform
16 residents of the town that they may add their names to the list. The town board may
17 also inform residents of the town about adding their names to the list by posting the
18 notice on the town's Internet site. If the town zoning committee completes a final
19 report on a proposed zoning ordinance and the town board is prepared to vote on the
20 proposed ordinance under par. (b) or if the town board is prepared to vote on a
21 proposed amendment under par. (c) 1., the town board shall send a notice, which
22 contains a copy or summary of the proposed ordinance or amendment, to each person
23 on the list whose property, the allowable use or size or density requirements of which,
24 may be affected by the proposed ordinance or amendment. The notice shall be by
25 mail or in any reasonable form that is agreed to by the person and the town board,

1 including electronic mail, voice mail, text message, or inclusion in the person's
2 property tax bill. The town board may charge each person on the list who receives
3 a notice by 1st class mail a fee that does not exceed the approximate cost of providing
4 the notice to the person. An ordinance or amendment that is subject to this
5 paragraph may take effect even if the town board fails to send the notice that is
6 required by this paragraph.

11 and other structures, the percentage of lot that may be occupied, the size of yards,
12 courts and other open spaces, subject to s. 66.10015 (3) the density of population, and
13 the location and use of buildings, structures and land for trade, industry, mining,
14 residence or other purposes if there is no discrimination against temporary
15 structures. This subsection and any ordinance, resolution or regulation enacted or
16 adopted under this section, shall be liberally construed in favor of the city and as
17 minimum requirements adopted for the purposes stated. This subsection may not
18 be deemed a limitation of any power granted elsewhere.

19 **SECTION 16.** 62.23 (7) (d) 4. of the statutes is amended to read:

20 62.23 (7) (d) 4. The city council shall maintain a list of persons who submit a
21 written or electronic request to receive notice of any proposed zoning action that may
22 be taken under subd. 1. a. or b. or 2. that affects the allowable use of the person's
23 property. Annually, the city council shall publish a class 1 notice, under ch. 985, to
24 inform residents of the city that they may add their names to the list. The city council
25 may also inform residents of the city about adding their names to the list by posting

1 the notice on the city's Internet site. If the plan commission, the board of public land
2 commissioners, or city plan committee of the city council completes action on any
3 tentative recommendations that are noticed under subd. 1. a., proposed changes to
4 a proposed district plan and regulations that are submitted under subd. 1. b., or
5 proposed amendments that are submitted under subd. 2., and the city council is
6 prepared to vote on the tentative recommendations, proposed changes to a proposed
7 district plan, and regulations or proposed amendments, the city council shall send
8 a notice, which contains a copy or summary of the tentative recommendations,
9 proposed changes to a proposed district plan, and regulations or proposed
10 amendments, to each person on the list whose property, the allowable use of which,
11 may be affected by the tentative recommendations or proposed changes or
12 amendments. The notice shall be by mail or in any reasonable form that is agreed
13 to by the person and the city council, including electronic mail, voice mail, text
14 message, or inclusion in the person's property tax bill. The city council may charge
15 each person on the list who receives a notice by 1st class mail a fee that does not
16 exceed the approximate cost of providing the notice to the person. An ordinance or
17 amendment that is subject to this subdivision may take effect even if the city council
18 fails to send the notice that is required by this subdivision.

19 **SECTION 17.** 66.1001 (4) (f) of the statutes is amended to read:

20 66.1001 (4) (f) A political subdivision shall maintain a list of persons who
21 submit a written or electronic request to receive notice of any proposed ordinance,
22 described under par. (c), that affects the allowable use of the property owned by the

24 985, to inform residents of the political subdivision that they may add their names
25 to the list. The political subdivision may also inform residents of the political

1 subdivision about adding their names to the list by posting the notice on the political
2 subdivision's Internet site. At least 30 days before the hearing described in par. (d)
3 is held a political subdivision shall provide written notice, including a copy or
4 summary of the proposed ordinance, to all such persons whose property, the
5 allowable use of which, may be affected by the proposed ordinance. The notice shall
6 be by mail or in any reasonable form that is agreed to by the person and the political
7 subdivision, including electronic mail, voice mail, text message, or inclusion in the
8 person's property tax bill. The political subdivision may charge each person on the
9 list who receives a notice by 1st class mail a fee that does not exceed the approximate
10 cost of providing the notice to the person.

23 ordinance or other land use regulation, to fewer uses than were allowed under its
24 previous usage.

10 may be enacted by a simple majority of the members-elect.

11 **SECTION 23.** 66.1105 (5) (bu) of the statutes is created to read:

12 66.1105 (5) (bu) Notwithstanding the requirements of pars. (a) and (b), in
