10 “**SECTION 704pq.** 39.387 of the statutes is created to read:

11 **39.387 Rural teacher grant program. (1) DEFINITIONS.** In this section:

12 (a) “Eligible school district” means a school district whose membership is fewer
13 than 1,000 pupils and whose pupil population density is fewer than 10 pupils per
14 square mile.

15 (b) “Eligible teacher” means a teacher who meets the eligibility requirements
16 specified in sub. (3).

17 **(2) ESTABLISHMENT OF PROGRAM.** There is established, to be administered by the
18 board, a rural teacher grant program to encourage eligible teachers to teach in
19 schools operated by eligible school districts by providing grants of financial
20 assistance to those eligible teachers as provided in sub. (4).

21 **(3) ELIGIBILITY.** A teacher is eligible for financial assistance as provided under
22 sub. (4) if the teacher meets all of the following requirements:

23 (a) He or she teaches in a school operated by an eligible school district.

1 (b) He or she does not appear on the statewide support lien docket under s.
2 49.854 (2) (b), unless the teacher provides to the board a payment agreement that has
3 been approved by the county child support agency under s. 59.53 (5) and that is
4 consistent with rules promulgated under s. 49.858 (2) (a).

5 (4) FINANCIAL ASSISTANCE. (a) From the appropriation under s. 20.235 (1) (fr),
6 the board shall grant financial assistance to eligible teachers who are nominated by
7 their school districts for participation in the grant program as provided in par. (b) and
8 who submit claims for that financial assistance as provided in par. (c). The maximum
9 amount of financial assistance that an eligible teacher may receive under this
10 subsection is \$1,000 for the first school year, \$2,000 for the 2nd school year, \$2,000
11 for the 3rd school year, \$2,000 for the 4th school year, and \$3,000 for the 5th school
12 year in which the eligible teacher participates in the grant program. An eligible
13 teacher may receive financial assistance under this subsection for no more than 5
14 school years. An eligible teacher who receives financial assistance under this
15 subsection shall use that financial assistance only for the purpose of repaying
16 student loans incurred to defray the cost of tuition, fees, and expenses for programs
17 of study relating to the teaching profession. The board may provide financial
18 assistance on a prorated basis to an eligible teacher who is employed less than full
19 time.

20 (b) An eligible school district may nominate an eligible teacher for participation
21 in the grant program by submitting that nomination to the board in a form prescribed
22 by the board. No more than 4 eligible teachers employed by a given eligible school
23 district may participate in the grant program in a given school year. The nomination
24 shall include such information as the board may require to establish that the school
25 district employing the teacher is an eligible school district and that the teacher is an

1 eligible teacher and shall provide any other information the board may require by
2 rule promulgated under sub. (5).

3 (c) After each year in which an eligible teacher who has been accepted for
4 participation in the grant program teaches in a school operated by an eligible school
5 district, the eligible teacher may submit to the board a claim for financial assistance.
6 The claim shall include the signature of the eligible teacher and of a representative
7 of the school district employing the eligible teacher certifying that during the period
8 for which financial assistance is claimed the school district was an eligible school
9 district and the eligible teacher taught in a school operated by that eligible school
10 district, shall include a commitment by the eligible teacher that he or she will use
11 the financial assistance to repay student loans incurred to defray the cost of tuition,
12 fees, and expenses for programs of study relating to the teaching profession, and
13 shall provide such other information as the board may require by rule promulgated
14 under sub. (5) to verify the claimant's eligibility for financial assistance.

15 (d) If the board determines that a claimant under par. (c) is eligible to receive
16 financial assistance under this subsection, the board shall provide that assistance,
17 subject to the amounts available in the appropriation account under s. 20.235 (1) (fr).
18 If the amount of financial assistance claimed in a fiscal year exceeds the amounts
19 available in that appropriation account, the board shall prorate the financial
20 assistance paid in that fiscal year in the proportion that the amounts available bear
21 to the total amount of financial assistance payable in that fiscal year.

22 **(5) RULES.** The board shall promulgate rules to implement and administer this
23 section. Those rules shall include rules specifying the information a school district
24 must include in a nomination for participation in the grant program under sub. (4)

1 (b) and the information a teacher must include in a claim for financial assistance
2 under sub. (4) (c).”.

4 “**SECTION 997jb.** 70.32 (1b) of the statutes is created to read:

5 70.32 (1b) (a) To determine the value of property using generally accepted
6 appraisal methods, the assessor shall consider all of the following as comparable to
7 the property being assessed:

8 1. Sales or rentals of properties exhibiting the same or a similar highest and
9 best use with placement in the same real estate market segment.

10 2. Sales or rentals of properties that are similar to the property being assessed
11 with regard to age, condition, use, type of construction, location, design, physical
12 features, and economic characteristics, including similarities in occupancy and the
13 the potential to generate rental income. For purposes of this subdivision, such
14 properties may be found locally, regionally, or nationally.

15 (b) For purposes of par. (a), a property is not comparable if any of the following
16 applies:

17 1. At or before the time of sale, the seller places any deed restriction on the
18 property that changes the highest and best use of the property, or prohibits
19 competition, so that it no longer qualifies as a comparable property under par. (a) 1.
20 or 2. and the property being assessed lacks such a restriction.

21 2. The property is dark property and the property being assessed is not dark
22 property. In this subdivision, “dark property” means property that is vacant or
23 unoccupied beyond the normal period for property in the same real estate market

1 segment. For purposes of this subdivision, what is considered vacant or unoccupied
2 beyond the normal period may vary depending on the property location.

3 (c) For purposes of par. (a), “highest and best use” means the specific use of the
4 property as of the current assessment date or a higher use to which the property can
5 be expected to be put in before the next assessment date, if the use is legally
6 permissible, physically possible, not speculative, and financially feasible and
7 provides the highest net return. When the current use of a property is the highest
8 and best use of that property, value in the current use equals full market value. In
9 this paragraph, “legally permissible” does not include a conditional use that has not
10 been granted as of the assessment date.

11 (d) For purposes of par. (a), “real estate market segment” means a pool of
12 potential buyers and sellers that typically buy or sell properties similar to the
13 property being assessed, including potential buyers who are investors or
14 owner-occupants. For purposes of this paragraph, and depending on the type of
15 property being assessed, the pool of potential buyers and sellers may be found locally,
16 regionally, nationally, or internationally.”
