# ASSEMBLY SUBSTITUTE AMENDMENT 1, TO ASSEMBLY BILL 70

November 8, 2017 - Offered by Representatives Thiesfeldt and Steffen.

AN ACT to renumber and amend 38.12 (4), 59.14 (2), 61.32, 62.11 (4) (a), 64.34 (1) and 120.11 (4); to amend 985.05 (1); and to create 38.12 (4) (b), 59.14 (2) (b), 61.32 (2), 62.11 (4) (a) 2., 64.34 (1) (b) and 120.11 (4) (b) of the statutes; relating to: publication of proceedings of meetings held by certain governmental bodies.

#### Analysis by the Legislative Reference Bureau

This substitute amendment authorizes city councils and the boards of villages, counties, school districts, and technical college districts to satisfy their legal obligation to publish the proceedings of regular and special meetings by posting a copy of the proceedings in a public place, electronically placing a copy of the proceedings on the Internet site maintained by the respective governmental unit, and transmitting a copy to the newspaper designated by the governmental unit or likely to give notice in the territory of the governmental unit. Generally, proceedings are defined as the substance of every official action taken by a local governing body at any meeting of the governing body. With some exceptions, current law requires each of these governmental units to publish proceedings of meetings held by the council or board in a newspaper published in the jurisdiction.

Under the substitute amendment, before the governmental unit may discontinue publication in a newspaper, the governmental unit must do the following:

- 1. Provide 180 days' notice to the newspaper.
- 2. Publish two separate notices in the newspaper indicating that it will discontinue publication in the newspaper and will instead post, electronically place, and transmit the proceedings. The governmental unit may discontinue publication of its proceedings 30 days after the second notice required under this provision.
- 3. Establish an electronic notification service to notify interested individuals and organizations in the governmental unit each time the proceedings are posted, electronically placed, and transmitted. The governmental unit must have at least as many individuals and organizations receiving electronic notices as the bona fide paid circulation of the newspaper in which the governmental unit publishes its proceedings. Current law defines a newspaper's "bona fide paid circulation" as a paid circulation "that has constituted 50 percent or more of its circulation, and that has had actual subscribers at each publication of not less than 1,000 copies in 1st and 2nd class cities, or 300 copies if in 3rd and 4th class cities, villages or towns."
