TO ASSEMBLY BILL 68**

June 17, 2021 - Offered by JOINT COMMITTEE ON FINANCE.

1     **AN ACT**; relating to: state finances and appropriations, constituting the  
2           executive budget act of the 2021 legislature.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

3           **SECTION 1.** 13.48 (20m) (c) of the statutes is amended to read:

4           13.48 (20m) (c) The building commission may authorize up to \$25,000,000 in  
5           general fund supported borrowing under par. (b), including up to \$3,000,000 for the  
6           project described in par. (d).

7           **SECTION 2.** 13.48 (20m) (d) of the statutes is created to read:

8           13.48 (20m) (d) 1. The legislature finds and determines that supporting  
9           entrepreneurs and innovators, providing facilities for job training, and promoting  
10          dynamic community revitalization and development are of vital importance in  
11          creating jobs and contributing to economic development and tourism in this state

1 and are statewide responsibilities of statewide dimension. It is therefore in the  
2 public interest, and it is the public policy of this state, to assist the Incentive  
3 Community Foundation, Inc., in redeveloping the former Daily Tribune building in  
4 the city of Wisconsin Rapids into an economic and community hub.

5 2. The building commission may under this subsection assist the Incentive  
6 Community Foundation, Inc., in redeveloping the former Daily Tribune building in  
7 the city of Wisconsin Rapids into an economic and community hub. The state funding  
8 commitment shall be in the form of a grant to the Incentive Community Foundation,  
9 Inc. Before approving any state funding commitment for redeveloping the former  
10 Daily Tribune building, the building commission shall determine that the Incentive  
11 Community Foundation, Inc., has secured additional funding for the project from  
12 nonstate revenue sources at least equal to the state's grant.

13 3. If the building commission authorizes a grant to the Incentive Community  
14 Foundation, Inc., under subd. 2., and if, for any reason, the facility that is  
15 redeveloped with funds from the grant is not used for an economic and community  
16 hub, the state shall retain an ownership interest in the facility equal to the amount  
17 of the state's grant.

18 **SECTION 3.** 13.48 (20t) of the statutes is created to read:

19 13.48 (20t) PSYCHIATRIC AND BEHAVIORAL HEALTH TREATMENT BEDS. (a) The  
20 legislature finds and determines that expanding psychiatric bed capacity as  
21 described in par. (b) would greatly benefit state residents by expanding access to  
22 timely inpatient mental health treatment and other behavioral health services and  
23 allowing public financial resources to be better distributed to more effectively  
24 improve delivery of mental health services and is a statewide responsibility of  
25 statewide dimension. It is therefore in the public interest, and it is the public policy

1 of this state, to expand psychiatric bed capacity and behavioral health treatment  
2 capacity.

3 (b) The building commission may authorize up to \$5,000,000 in general fund  
4 supported borrowing to make a grant for the purpose of renovating an existing  
5 mental health facility in Marathon County to provide 26 beds for expanded capacity  
6 for psychiatric and other behavioral health treatment to an organization that applies  
7 to the building commission and meets all of the following criteria:

8 1. The organization provides mental and behavioral health services in the  
9 north central region of the state and has a campus in Marathon County.

10 2. The organization agrees to renovate an existing mental health facility in  
11 Marathon County to provide 16 adult inpatient psychiatric beds, 5 beds for  
12 emergency stabilization, and 5 beds for detoxification and substance use treatment.  
13 The organization shall serve individuals, including individuals who meet the criteria  
14 for emergency detention under s. 51.15 or 51.45, who are from Forest, Langlade,  
15 Lincoln, Marathon, Oneida, and Vilas Counties.

16 3. The organization identifies measures that it believes will serve the needs of  
17 area residents with behavioral health needs, especially, as a critical component of the  
18 measures, in reducing the burden on state-operated facilities.

19 4. The organization agrees to annually report to the legislature, in the manner  
20 described under s. 13.172 (2), the services provided with the resources funded by the  
21 grant awarded under this subsection, including the number of individuals diverted  
22 from state-operated mental health institutes.

23 5. The organization recognizes that it is liable to repay the grant funds to the  
24 state if the organization fails to continue to maintain the expanded services and  
25 number of beds described under subd. 2. for a minimum of 10 years.

1 (c) Notwithstanding s. 150.93, a hospital may increase its approved bed  
2 capacity for purposes of this subsection.

3 (d) If, for any reason, the space that is renovated with funds from the grant  
4 under par. (b) is not used for the purpose of providing the services described under  
5 par. (b) 2., the state shall retain an ownership interest in the renovated space equal  
6 to the amount of the state's grant.

7 **SECTION 4.** 13.48 (20v) of the statutes is created to read:

8 13.48 (20v) GRANTS FOR LOCAL PROJECTS. (a) The building commission shall  
9 establish and operate a grant program under this subsection to assist nonstate  
10 organizations to carry out construction projects having a statewide public purpose.  
11 The building commission may not award a grant for a construction project under this  
12 subsection unless the joint committee on finance both approves the grant and finds  
13 that the project is in the public interest and serves one or more statewide public  
14 purposes.

15 (b) The building commission may award a grant to any nonstate organization  
16 for a construction project that satisfies par. (a). The municipality, as defined in s.  
17 59.001 (3), in which the construction project is or will be located shall apply to the  
18 building commission for the grant on behalf of the nonstate organization carrying out  
19 the construction project.

20 (c) The building commission may authorize up to \$10,000,000 in general fund  
21 supported borrowing for grants awarded under par. (b). Each grant award may not  
22 exceed \$2,000,000. Before approving each grant, the building commission shall  
23 determine that the organization carrying out the project has secured additional  
24 funding for the project from nonstate revenue sources in an amount that is equal to  
25 at least 50 percent of the total cost of the project.

1 (d) If the building commission awards a grant under par. (b), and if, for any  
2 reason, the space that is constructed with funds from the grant is not used for one  
3 or more public purposes determined by the building commission under par. (a), the  
4 state shall retain an ownership interest in the constructed space equal to the amount  
5 of the state's grant.

6 (e) The building commission may not award a grant under par. (b) unless the  
7 department of administration has reviewed and approved plans for the construction  
8 project associated with the grant. Notwithstanding ss. 16.85 (1) and 16.855 (1m), the  
9 department of administration may not supervise any services or work or let any  
10 contract for the project. Section 16.87 does not apply to the project.

11 **SECTION 5.** 13.48 (30) of the statutes is created to read:

12 13.48 (30) BROADBAND EXPANSION GRANTS. (a) In this section:

- 13 1. "Underserved" has the meaning given in s. 196.504 (1) (b).
- 14 2. "Unserved" has the meaning given in s. 196.504 (1) (c).

15 (b) The legislature finds and determines that the provision of broadband  
16 Internet access is essential to the welfare of the citizens of this state and to economic  
17 development in this state, and therefore the provision of broadband Internet access  
18 is a government function and a statewide responsibility of statewide dimension. The  
19 legislature further determines that sufficient private capital has been and continues  
20 to be unavailable to fulfill the need for the development of broadband Internet access  
21 in underserved and unserved areas in this state. It is therefore in the public interest,  
22 and it is the public policy of this state, to assist the public service commission in  
23 making broadband expansion grants under s. 196.504 (2) (a) for the purpose of  
24 constructing broadband infrastructure in underserved and unserved areas of this  
25 state.

1 (c) The building commission may authorize up to \$125,000,000 in general fund  
2 supported borrowing for use under s. 196.504 (2) (a).

3 (d) If the building commission authorizes borrowing under par. (c), and if, for  
4 any reason, a grant funded from the proceeds of such borrowing is not used for the  
5 construction of broadband infrastructure, as specified in par. (b), the state shall  
6 retain an ownership interest in the project funded from the grant equal to the  
7 amount of those proceeds.

8 **SECTION 6.** 13.48 (42m) of the statutes is created to read:

9 13.48 (42m) MUSEUM OF NATURE AND CULTURE. (a) The legislature finds and  
10 determines that providing education, programming, and immersive exhibits  
11 concerning Wisconsin's natural history and the intersection of nature and culture in  
12 Wisconsin and the world vastly enriches the lives of the citizens of this state and is  
13 a statewide responsibility of statewide dimension. It is therefore in the public  
14 interest, and it is the public policy of this state, to assist Historic Haymarket  
15 Milwaukee, LLC, in the construction of a new building to serve as a museum of  
16 nature and culture in the city of Milwaukee.

17 (b) The building commission may authorize up to \$40,000,000 in general fund  
18 supported borrowing to assist Historic Haymarket Milwaukee, LLC, in the  
19 construction of a museum of nature and culture to be located on the northeast corner  
20 of 6th Street and McKinley Avenue in the city of Milwaukee. The state funding  
21 commitment shall be in the form of a grant to Historic Haymarket Milwaukee, LLC.  
22 Before approving any state funding commitment for the construction of the museum,  
23 the building commission shall determine that Historic Haymarket Milwaukee, LLC,  
24 has secured additional funding for the project of at least \$85,000,000 from nonstate  
25 revenue sources.

1 (c) If the building commission authorizes a grant to Historic Haymarket  
2 Milwaukee, LLC, under par. (b), and if, for any reason, the facility that is constructed  
3 with funds from the grant is not used as a museum of nature and culture, the state  
4 shall retain an ownership interest in the facility equal to the amount of the state's  
5 grant.

6 **SECTION 7.** 13.48 (46p) of the statutes is created to read:

7 13.48 (**46p**) BEYOND VISION; NEW FACILITY. (a) The legislature finds and  
8 determines that the employment of individuals who are blind or visually impaired,  
9 including statewide remote employment, and the provision of other related services  
10 to those individuals improves those individuals' lives, increases the workforce and  
11 reduces unemployment in this state, and is a statewide responsibility of statewide  
12 dimension. It is therefore in the public interest, and it is the public policy of this  
13 state, to assist Wiscraft, Inc., doing business as Beyond Vision, in the purchase and  
14 renovation of a new facility in Milwaukee County, to be known as the VisABILITY  
15 Center, for the employment of and provision of other related services to blind and  
16 visually impaired individuals.

17 (b) The building commission may authorize up to \$5,000,000 in general fund  
18 supported borrowing to assist Wiscraft, Inc., in the purchase and renovation of a new  
19 facility in Milwaukee County for the employment of and provision of other related  
20 services to blind and visually impaired individuals. The state funding commitment  
21 shall be in the form of a grant to Wiscraft, Inc. Before approving any state funding  
22 commitment for the purchase and renovation of the new facility, the building  
23 commission shall determine that Wiscraft, Inc., has secured additional funding for  
24 the project of at least \$14,000,000 from nonstate revenue sources.

1 (c) If the building commission authorizes a grant to Wiscraft, Inc., under par.  
2 (b) and if, for any reason, the space that is purchased and renovated with funds from  
3 the grant is not used for the employment of and provision of other related services  
4 to blind and visually impaired individuals, the state shall retain an ownership  
5 interest in the renovated space equal to the amount of the state's grant.

6 **SECTION 8.** 13.75 (1g) (b) of the statutes is amended to read:

7 13.75 (1g) (b) Filing the principal registration form under s. 13.64, ~~\$375~~ \$385.

8 **SECTION 9.** 13.75 (1g) (d) of the statutes is amended to read:

9 13.75 (1g) (d) Filing an authorization statement under s. 13.65, ~~\$125~~ \$135.

10 **SECTION 10.** 15.463 of the statutes is created to read:

11 **15.463 Same; offices. (1) OFFICE OF INNOVATIVE PROGRAM DELIVERY.** There is  
12 created an office of innovative program delivery in the department of transportation.  
13 The director of the office shall be appointed by, and report directly to, the secretary  
14 of transportation.

15 **SECTION 11.** 16.07 of the statutes is created to read:

16 **16.07 Grants to American Indian tribes or bands.** In fiscal year 2021-22,  
17 from the appropriation under s. 20.505 (1) (kk), the department shall award grants  
18 to American Indian tribes or bands in this state. The department shall establish the  
19 amount of each grant based on the pro rata number of employees employed by the  
20 tribe or band as of December 31, 2019. Each tribe or band may use grant moneys as  
21 it deems necessary to support programs to meet the needs of members of the tribe  
22 or band. No grant moneys may be used to pay gaming-related expenses.

23 **SECTION 12.** 16.07 of the statutes, as created by 2021 Wisconsin Act .... (this  
24 act), is repealed.

1           **SECTION 13.** 16.25 (3) (d) 1. of the statutes is renumbered 16.25 (3) (d) and  
2 amended to read:

3           16.25 (3) (d) ~~Subject to subd. 2., the~~ The department shall provide a match  
4 equal to twice the amount of all annual municipal contributions paid for volunteer  
5 fire fighters, emergency medical responders, and emergency medical services  
6 practitioners up to a state match of \$390 per fiscal year, other than contributions paid  
7 for the purchase of additional years of service under par. (e), to be paid from the  
8 appropriation account under s. 20.505 (4) (er). This amount shall be adjusted  
9 annually on July 1 to reflect any changes in the U.S. consumer price index for all

17 84.062 (6) (e) The office shall notify the design-builder for each proposal that

20 to be nonresponsive under par. (b).

21 **SECTION 314.** 84.062 (6) (f) of the statutes is renumbered 84.062 (7) (f) and

2           84.062 (7) COST PROPOSALS. (a) Design-builders notified under sub. (6) (e) may  
3 submit a cost proposal, and the proposal shall include a fixed cost of design,  
4 engineering, and construction services prepared by a design professional that  
5 contains all design, engineering, construction, and quality assurance and quality  
6 control costs of the project.

7           (b) The technical review committee may open cost proposals only after the  
8 technical proposals have been reviewed as provided in sub. (6). At the time and place  
9 specified in the request for proposals, the technical review committee shall open cost  
10 proposals, read the proposals aloud, and, for a project that will be awarded as a best  
11 value design-build contract, make public the committee's scoring of the technical  
12 proposals.

13           (c) Following a review of cost proposals, the department may issue a notice of  
14 intent to award a contract, subject to all of the following:

15           1. For a low bid design-build contract, the contract shall be awarded to the  
16 qualified responsible bidder that submitted a responsive technical proposal and  
17 submitted the lowest responsive cost proposal.

18           2. For a fixed price variable scope design-build contract, the contract shall be  
19 awarded to the qualified responsible bidder that submitted a responsive technical  
20 proposal and that submitted a responsive cost proposal that provides the maximum  
21 amount of services for the maximum fixed price set by the office or for an amount that  
22 is less than the maximum fixed price.

23           3. For a best value design-build contract, the contract shall be awarded to the  
24 qualified responsible bidder with the highest adjusted score, which shall be  
25 calculated by adding the bidder's technical proposal score to the bidder's cost

1 proposal score. The technical review committee shall award the lowest qualified  
2 responsible bidder the maximum number of points that may be awarded to a cost  
3 proposal under the request for proposals, but not less than 45 percent and not more  
4 than 75 percent of the maximum number of combined points that may be awarded  
5 to a technical proposal and cost proposal. For each remaining qualified responsible  
6 bidder, the technical review committee shall calculate the score for the cost proposal  
7 by reducing the maximum number of points that may be awarded to the cost proposal  
8 by at least 1 percent for each percentage point by which the cost proposal exceeds the  
9 lowest cost proposal.

10 (d) Following a review of cost proposals, the office may reject all proposals. If  
11 the office rejects all proposals or does not execute a contract after issuing an intent  
12 to award a contract under par. (c), the office may reissue the request for proposals  
13 and allow only the qualified responsible bidders originally notified under sub. (6) (e)  
14 to submit new proposals. The office may pay a reasonable stipulated fee to each  
15 design-builder that provides a responsive but unsuccessful proposal in response to  
16 the reissued request for proposals. If the reissued request for proposals specifies a  
17 maximum fixed price, the office may not award a stipend to a design-builder whose  
18 proposal exceeds that price.

19 (e) Not fewer than 5 working days prior to executing a design-build contract,  
20 the department shall provide notice to each unsuccessful qualified responsible  
21 bidder that a notice of intent to award a contract has been issued.

22 **SECTION 316.** 84.062 (8) of the statutes is created to read:

23 **84.062 (8) CONTRACT AWARD.** (a) In this subsection:

1           1. “Construction services” means work necessary to construct a project,  
2 including trucking services and materials purchased regardless of whether the  
3 materials are installed by the design-builder.

4           2. “Specialty services” means work related to sanitary sewer systems, water  
5 main systems, staking, electrical, landscaping and erosion control, traffic control,  
6 signing, pavement marking, fencing, and other work identified by the office.

7           (b) No later than 10 days following the issuance of a notice of intent to award  
8 a design-build contract under sub. (7) (c), the office shall verify that the  
9 design-builder will perform not less than 30 percent of the construction services  
10 under the contract with labor provided by employees of the design-builder or  
11 member and equipment owned or rented by the design-builder or member.

12           (c) The design-builder shall submit to the office in the form prescribed by the  
13 office documentation of the construction services the design-builder or member will  
14 perform and the dollar value of the services.

15           (d) The office shall calculate the percentage of total construction services  
16 identified in the contract to be performed by the design-builder or member by  
17 subtracting the value of specialty services to be performed from the total contract  
18 amount and dividing the dollar value of construction services to be performed by the  
19 design-builder or member by the difference. If the value of construction services to  
20 be performed by the design-builder or member is less than 30 percent of the value  
21 of all construction services required under the contract, the office shall cancel the  
22 contract award.

23           **SECTION 317.** 84.062 (11) of the statutes is created to read:

1           84.062 (11) STIPULATED FEE. (a) The department shall award a stipulated fee  
2 of not less than three-tenths of 1 percent of the department's estimated cost of design  
3 and construction as follows:

4           1. To each qualified responsible bidder that provides a responsive but  
5 unsuccessful proposal when the office issues a notice of intent to award a contract.  
6 If the request for proposals specifies a maximum fixed price, the office may not award  
7 a fee to a proposal that exceeds the maximum fixed price.

8           2. To all qualified responsible bidders that provide a responsive proposal if the  
9 office does not issue a notice of intent to award a contract.

10          3. To all qualified responsible bidders if the office cancels the solicitation before  
11 the technical review committee reviews technical proposals.

12          (b) The department shall pay the fee to each qualified responsible bidder under  
13 par. (a) no later than 90 days after the department issues a notice of intent to award  
14 a contract, determines that it will not issue a notice of intent to award a contract, or  
15 cancels the solicitation.

16          (c) In consideration for paying the fee, the department may use work product  
17 contained in an unsuccessful proposal in connection with any proposed or awarded  
18 design-build project without making any additional compensation to the  
19 design-builder. If an unsuccessful design-builder waives the fee, the department  
20 may not use work product in the design-builder's unsuccessful proposal.

21          **SECTION 318.** 84.062 (13) of the statutes is created to read:

22          84.062 (13) APPEALS. (a) Any person aggrieved and directly affected by a  
23 decision of the office to issue a request for qualifications or a request for proposals  
24 under this section shall be entitled to judicial review of the decision as provided in  
25 ch. 227, subject to the procedural requirements of s. 227.53 (1). A person shall be

1 considered a person aggrieved and directly affected by a decision of the office if any

9 4. The request contains material discrepancies, deficiencies, or ambiguities  
10 that prevent a person from submitting a responsive proposal.

11 5. The request indicates a bias against or preference for a specific  
12 design-builder.

13 6. The request exceeds the department's authority.

14 (b) Any person aggrieved and directly affected by a decision of the office to issue  
15 a notice of intent to award a contract under this section shall be entitled to judicial  
16 review of the decision as provided in ch. 227, subject to the procedural requirements

14 financial resources to be better distributed to more effectively improve delivery of  
15 mental health services. It is therefore in the public interest, and it is the public policy  
16 of this state, to assist the health system described under par. (b) in expanding  
17 psychiatric bed capacity.

19 amount of \$15,000,000 to a health system that applies to the commission and meets  
20 all of the following criteria:

22 of the Chippewa River, and northeast of the intersection of STH 37 and USH 12 and  
23 has a hospital in Chippewa County.

24 2. The health system agrees to expand psychiatric bed capacity by 22 beds

5 Pepin, Pierce, Polk, Price, Rusk, Sawyer, St. Croix, Taylor, Trempealeau, Vilas,  
6 Washburn, or Wood Counties.

7 3. The health system identifies measures that it believes will serve the needs  
8 of area residents with mental health needs, especially, as a critical component of the  
9 measures, in reducing the burden on the Winnebago Mental Health Institute.

10 4. The health system agrees to annually report to the legislature, in the manner  
11 described under s. 13.172 (2), the services provided with the resources funded by the  
12 grant awarded under this subsection, including the number of individuals diverted  
13 from the Winnebago Mental Health Institute.

14 5. The health system recognizes that it is liable to repay the grant funds to the  
15 state if it fails to continue to maintain the expanded services and number of  
16 expanded psychiatric beds available. The amount the health system is liable for  
17 repayment is reduced proportionately each year for 10 years of continuing expanded  
18 services as described under par. (c).

19 (c) A determination of continued services shall be based on findings that the  
20 health system does all of the following:

21 1. Maintains an agreed upon number of beds for acceptance of admissions for  
22 emergency detention under s. 51.15. The health system is considered to be in  
23 compliance with this subdivision if at least half of the expanded psychiatric beds  
24 under par. (b) 2. are available for individuals who are initially admitted under an  
25 emergency detention under s. 51.15.

1           2. Enters into a contract with, at minimum, two-thirds of the counties specified  
2 in par. (b) 2. in which at least one of the hospitals agrees to do all of the following:

3           a. Be the primary receiver for individuals under an emergency detention under  
4 s. 51.15 for the county.

5           b. Accept for admission under an emergency detention individuals regardless  
6 of payment source.

7           c. Accept any individual subject to an emergency detention from the county  
8 unless all psychiatric beds added under par. (b) 2. are filled. The hospital may set  
9 its payment rate based on the acuity of the individual being detained.

10          d. Ensure the county department is the secondary payer after any other  
11 coverage the individual has is exhausted.

12          (d) Notwithstanding s. 150.93, any hospital that expands psychiatric bed  
13 capacity under this subsection may increase its approved bed capacity.

15 general fund to the state building trust fund \$15,000,000 in fiscal year 2021-22.
