Under current law, a person who owns a snowmobile that is not registered in this state or is exempt from registration must display a trail use sticker issued by DNR on the snowmobile. The fee for this sticker is $35. Current law also requires DNR to calculate an amount equal to the number of trail use stickers issued by DNR in the previous fiscal year multiplied by $15 and to credit this amount to an appropriation account that funds aids to counties for activities such as trail development and maintenance. This bill increases the amount by which DNR must multiply the number of trail use stickers from $15 to $32 for purposes of determining the amount to be credited to this appropriation account.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
