ORDER

An order of the Examining Board of Architects, Landscape Architects, Professional Engineers, Designers and Land Surveyors to create A-E 6.07 relating to land surveyor temporary permits.

Analysis prepared by the Department of Regulation and Licensing.

ANALYSIS

Statutes authorizing promulgation: ss. 15.08 (5) (b) and 227.11 (2), Stats.

Statutes interpreted: s. 443.06 (3), Stats.

Section 443.06 (3), Wis. Stats., provides for the Examining Board of Architects, Landscape Architects, Professional Engineers, Designers and Land Surveyors, to grant a temporary permit for the practice of land surveying to applicants who hold a valid land surveying license in another state. Current laws and rules do not specify an expiration date for the temporary permit.

The proposed rule would clarify the expiration date of the temporary permit to be the date the applicant is notified that he or she passed or failed the principles and practice examination. If the applicant did not appear to be tested, the temporary permit would expire on the date of the next state jurisdictional examination.

The proposed rules would consist of three sections.

The first section would identify the requirements for obtaining a temporary permit.

The second section would describe the conditions under which the temporary permit would expire.

The third section would provide for the board to grant an extension of the temporary permit under certain conditions.

TEXT OF RULE

SECTION 1. A-E 6.07 is created to read:

A-E 6.07 Temporary permits. (1) An applicant for registration to practice land surveying in this state who has paid the required fee and who holds an unexpired certificate of registration as a land surveyor in another state with requirements for registration which, in the opinion of the land surveyor section, are substantially equivalent to the requirements for registration in this state may be granted a temporary permit to practice land surveying pending the applicant's completion of the principles and practice examination.

(2) Subject to sub. (3), a temporary permit granted under this section expires on the date of the next scheduled principles and practice examination if the applicant fails to appear for the examination. If the applicant appears for the examination, a temporary permit granted under this section expires on the date upon which the applicant is notified that he or she has passed or failed the principles and practice examination.

(3) The section may grant an extension of the temporary permit if the applicant is prevented by exigent circumstances from sitting for the next regularly scheduled examination, and may in those circumstances permit the applicant to sit for the examination on a date other than the date of the regularly scheduled examination.

(4) The temporary permit is revocable by the section at its pleasure, pursuant to s. 443.06 (3), Stats.

(END OF TEXT OF RULE)

The rules adopted in this order shall take effect on the first day of the month following publication in the Wisconsin administrative register, pursuant to s. 227.22 (2) (intro.), Wis. Stats.
