

ORDER OF THE DEPARTMENT OF HEALTH
AND FAMILY SERVICES REPEALING AND RECREATING RULES

To repeal and recreate chapter HFS 78, relating to the telecommunications assistance program for deaf, deafblind and severely hard of hearing persons' purchase of telecommunications equipment.

Analysis Prepared by the Department of Health and Family Services

Under Wisconsin statute at ss. 196.218 and 46.297, Stats., and pursuant to administrative rules under s. PSC 160.071 and Ch. HFS 78, respectively, Wisconsin operates two programs persons with hearing loss may use to obtain financial assistance for purchasing telecommunications equipment. The Public Service Commission (PSC) administers one program, known as the Telecommunications Equipment Purchase Program (TEPP) and the Department of Health and Family Services administers the other, known as the Telecommunication Assistance Program (TAP.) Both programs receive periodic legislative appropriations from which the financial assistance is provided to approved applicants. The PSC's TEPP program's funding is substantially larger than that available for the Department's TAP program. Moreover, except as specified under s. PSC 160.071 (1) (c), the PSC's TEPP program requires applicants to pay \$100 towards the purchase of telecommunications equipment. To both conserve the limited TAP program funds and to better integrate the TAP program with the PSC TEPP program, the Department proposes reducing the existing assistance limit of \$600 per voucher to a maximum of \$100 per voucher, to be used in meeting the copayment requirement of the TEPP program. By so doing, the TAP program's more limited resources may be conserved, thereby extending the TAP program benefits to a greater number of potential recipients. To also make ch. HFS 78 more consistent with s. PSC 160.071, the Department proposes reducing the waiting period for subsequent applications from four years to three.

The current rules also limit TAP program financial assistance to one person per household. That constraint has prevented other household members with otherwise qualifying needs from receiving TAP program assistance. Moreover, the current household limitation is narrower than that used by PSC for the TEPP program. To better unify the eligibility criteria between the two programs, the Department proposes to modify the rule to eliminate the one person per household constraint and to expand the eligibility for financial assistance by loosening the definition of who shares a household with a deaf or severely hard of hearing person. The Department proposes to eliminate financial assistance for the installation of telecommunications equipment. Finally, the Department also proposes to update the terminology used to refer to deaf and severely hard of hearing persons.

The Department's authority to repeal and recreate these rules is found in s. 46.297 (4) (a), Stats. The rules interpret s. 46.297, Stats.
