Statement Explaining Need for Rule

This rule-making is needed to supplement and codify agency interpretations of the statutes governing the benefits that became available to domestic partners under Chapter 40 of the statutes through 2009 Wisconsin Act 28. This rule-making also deletes two obsolete or unnecessary references, and expands the definition of a “dependent” to reflect the extension of health insurance benefits to children of insured subscribers up to age 27.

Analysis Prepared by the Department of Employee Trust Funds

1. Statutes Interpreted:

Various statute sections in ch. 40, Stats., regarding the Public Employee Trust Fund.

2. Statutory Authority:

Sections 40.03 (2) (i), (ig), (ir), (t) and 227.11 (2) (a), Stats.

3. Explanation of Agency Authority:

By statute, the ETF Secretary is expressly authorized, with appropriate board approval, to promulgate rules required for the efficient administration of any benefit plan established in ch. 40 of the Wisconsin statutes. Also, each state agency may promulgate rules interpreting the provisions of any statute enforced or administered by the agency if the agency considers it necessary to effectuate the purpose of the statute.

4. Related Statute or Rule:

There are no other statutes or rules that provide for benefits administered by ETF to be extended to the domestic partners of state and local government employees. 2009 Wisconsin Act 28 contains changes to many statutes relating to domestic partnership. A new Chapter 770, provides for a domestic partnership registry, but these provisions relate only to the creation of a registered domestic partnership and the benefits flowing from a Chapter 770 domestic partnership. These provisions are not linked with the provisions regarding Chapter 40 domestic partnerships. The expansion of health insurance to adult dependents up to the age of 27 years relates to an insurance mandate in s. 632.885, Stats.

5. Plain Language Analysis:

2009 Wisconsin Act 28 provides in essence that domestic partners that meet the statutory requirements for domestic partnership in Chapter 40 are to be considered as equivalent to spouses for the purpose of the benefits administered by ETF. Domestic partnerships have not previously been recognized for Chapter 40 benefit purposes. In addition, 2009 Wisconsin Act 28 mandates the extension of health insurance coverage to eligible adult children up to the age of 27 years. ETF previously covered eligible adult children up to the age of 25 years if the child was a full time student. New rules and amendments are necessary to effectuate these provisions of 2009 Wisconsin Act 28, including but not limited to:

- A rule that the statutory definition of “decree date” applies to a termination of a domestic partnership for qualified domestic relations order purposes.
- A rule that for the purpose of determining a beneficiary under the statutory standard sequence (in the absence of a beneficiary designation or where the named beneficiary(ies) are deceased), a divorce, legal separation, or annulment terminates the marital relationship, and a domestic partnership terminates as defined by this rule.
- A rule that a completed and notarized *Affidavit of Domestic Partnership* must be received by the department before the domestic partnership becomes effective for Chapter 40 benefit purposes.

- A rule permitting the department to reject any Affidavit that is illegible or missing necessary information, and requiring rejection of Affidavits that are not notarized and/or signed by both partners.
 - A rule clarifying that the registration of domestic partnership under Chapter 770, Wis. Stats., does not create a domestic partnership for Chapter 40 benefit purposes. ETF needs a separate affidavit because there are differences between the definitions of domestic partnership in Chapter 40 and in Chapter 770. For example, ETF's definition of domestic partnership permits same-sex and opposite-sex domestic partners, while Chapter 770 permits only same-sex domestic partners.
 - A rule establishing the effective date of Chapter 40 domestic partnerships based on ETF's Affidavit receipt date. The rule determines exactly when and how domestic partnerships are created and terminated for Chapter 40 benefit purposes. For example, upon the Department's receipt of a properly executed *Affidavit of Termination of Domestic Partnership*, ETF will consider the domestic partnership to be irrevocably dissolved.
 - A rule that permits ETF to consider a domestic partnership to be terminated, based on evidence that the partnership no longer meets the statutory definition of a domestic partnership, such as failing to share a common residence or marrying, or that the Chapter 40 domestic partnership terminates at such time as neither partner has any benefit rights under Chapter 40.
6. Summary of, and Comparison with, Existing or Proposed Federal Regulations:
 There are no existing federal regulations that specifically address benefits for the domestic partners of state and local government employees/retirees. However, there is pending federal legislation relating to domestic partnerships and to the expansion of health insurance to adult dependents to the age of 27 years:
- Affordable Health Care for America Act (H.R. 3962): The bill contains a provision that would allow adults up to 27 years old to be covered by a parent's health insurance policy. The bill also addresses tax inequities for insurance subscribers related to the addition of adult children or domestic partners to the subscriber's employer-sponsored group health insurance plan. The bill was approved by the House of Representatives on November 7, 2009, and was placed on the Senate Calendar for reading.
 - Domestic Partnership Benefits and Obligations Act (S. 1102, H.R. 2517): provides to domestic partners of federal employees (excluding military) health insurance and enhanced dental and vision benefits, retirement and disability

benefits, family, medical, and emergency leave, group life insurance, long-term care insurance, compensation for work injuries, and benefits for disability, death, or captivity. Last action on the bill was in July 2009, with the bill going to the Oversight and Government Reform Committee.

- Tax Equity for Health Plan Beneficiaries Act (S. 1153, H.R. 2625): The bill would exclude the value of employer-provided health insurance for a domestic partner or other non-spouse beneficiary from an eligible employee's income, as it does for benefits provided for a spouse or dependent. Last action on the bill was in May 2009, with the bill going to the House Ways and Means Committee.
- Ending Health Disparities for LGBT Americans Act (H.R. 3001): Introduced in June, 2009. This bill incorporates the Tax Equity for Health Plan Beneficiaries Act and the Domestic Partnership Benefits and Obligations Act. It contains provisions for eliminating inequities relating to domestic partner and same-sex spouse access to benefits, as well as the tax inequities. Last action on the bill was in August 2009, with the bill going to the Subcommittee on Military Personnel.

7. Comparison with Rules in Adjacent States

Illinois:

- *Domestic Partnership Benefits*. There are no comparable state-level administrative rules on domestic partnership benefits for state and local government employees. Some Illinois municipalities have ordinances that provide for domestic partner benefits.
- *Health Insurance Coverage of Adult Dependents*. For policies issued after July 1, 2009, Group or individual health insurance policies are permitted to cover unmarried dependents until they reach age 26, regardless of student status and to age 30 for dependents who are veterans and have not been dishonorably discharged. Illinois law Sections 356z.11 and 356z.12.

Iowa:

- *Domestic Partnership Benefits*. There are no comparable state-level administrative rules on domestic partnership benefits for state and local government employees. However, Iowa legalized same-sex marriage in April 2009.
- *Health Insurance Coverage of Adult Dependents*. Health insurance providers are required to continue to cover unmarried children under their parents'

coverage provided that the child 1) is under the age of 25 and a current resident of Iowa, 2) is a full-time student, or 3) has a disability. Iowa Code § 509.3 and Iowa Code § 514E.7.

Michigan:

- *Domestic Partnership Benefits.* There are no comparable state-level administrative rules on domestic partnership benefits for state and local government employees. Some municipalities, such as Ann Arbor, have ordinances providing for domestic partner benefits.
- *Health Insurance Coverage of Adult Dependents.* There are no comparable administrative rules relating to the expansion of health insurance coverage of adult dependents.

Minnesota:

- *Domestic Partnership Benefits.* There are no comparable state-level administrative rules on domestic partnership benefits for state and local government employees. The city of Minneapolis has an ordinance that provides for domestic partner benefits. Minnesota's Governor vetoed a Bill in 2008 for domestic partnership benefits.
- *Health Insurance Coverage of Adult Dependents.* Minnesota Chapter 62E.02 defines "dependent" as a spouse or unmarried child under age 25, or a dependent child of any age who is disabled.

8. Summary of Factual Data and Analytical Methodologies:

2009 Wisconsin Act 28 created a requirement for ETF to recognize domestic partners who meet the qualifications of a Chapter 40 domestic partnership for the various benefit programs administered by ETF. 2009 Wisconsin Act 28 also mandated the extension of health insurance coverage to adult children to the age of 27 years. These requirements of the Act have been set forth in the newly created rule provision, as directed by the legislature.

9. Analysis and Supporting Documents Used to Determine Effect on Small Business or in Preparation of Economic Impact Report:

The rule does not have an effect on small businesses because private employers and their employees do not participate in, and are not covered by, the Wisconsin Retirement System.

10. Effect on small business:

There is no effect on small business.

11. Agency contact person:

Steve Hurley, Policy Director, Department of Employee Trust Funds, 801 W Badger Rd, Madison, WI 53713-7931, P.O. Box 7931 (use ZIP Code 53707 for PO Box); Phone: 608-267-2847; E-mail: Steve.Hurley@etf.state.wi.us

12. Place where comments are to be submitted and deadline for submissions:
Comments may be submitted to the contact person no later than 4:30 p.m., Central Standard Time, on February 19, 2010. The place, date, and time of the public hearing will be published in the Wisconsin Administrative Register.
 13. Proposed Effective Date:
This rule shall take effect on the first day of the month following publication in the Wisconsin Administrative Register as provided by s. 227.22 (2) (intro.), Stats.
 14. Fiscal Estimate:
The rule will have a minimal fiscal effect in that it will require the creation and processing of new forms used to track new categories of dependents for the various benefit programs administered by the Department. Most of the fiscal effect will be one-time. These costs are anticipated to be insignificant and the Department can absorb these costs within the existing base budget. The rule will not create any additional fiscal impact on any county, city, village, town, school district, technical college district, or sewerage districts. The rule will not create any additional fiscal impact on the state for the current biennium. The rule will not have any fiscal impact on the private sector.
 15. Free Copies of Proposed Rule:
Copies of the proposed rule are available without cost from the Office of the Secretary, Department of Employee Trust Funds, P.O. Box 7931, Madison, WI 53707-7931. The telephone number is: (608) 266-1071.

Note: *The Affidavit of Domestic Partnership form (ET-2371) and the Affidavit of Termination of Domestic Partnership form (ET-2372) can be found on ETF's Web site, <http://etf.wi.gov>, or by contacting the department at 1-877-533-5020.*

Section 11. ETF 40.01 (2m) is amended to read:

ETF 40.01 (2m) RESPONSIBLE PERSON. (a) *Multiple surviving insured dependents, with surviving spouse or domestic partner.* If the deceased

insured employee is survived by a spouse or domestic partner and other dependents of the deceased insured employee, then the family coverage shall continue in effect and the surviving spouse or domestic partner shall be the responsible person and have the same control and responsibilities with respect to the insurance coverage of the insured surviving dependents as the insured employee had while living.

(b) Multiple surviving insured dependents, without surviving spouse or surviving domestic partner. If the deceased insured employee is not survived by a spouse or domestic partner but by more than one insured dependents, then the family coverage will continue in effect. The oldest surviving insured dependent, or that person's guardian, shall be the responsible person and have the same rights and responsibilities with respect to the insurance coverage of the insured surviving dependents as the insured employee had while living. Upon reasonable request from any adult surviving insured dependent or the guardian of any minor surviving insured dependent, the department may designate another surviving insured dependent, or that person's guardian, as the responsible person.

Section 12. ETF 40.01 (3) is amended to read:

ETF 40.01 (3) DURATION OF CONTINUING COVERAGE. (a) *Surviving spouse or surviving domestic partner.* A surviving spouse or surviving domestic partner entitled to insurance coverage under this section and s. 40.02 (25) (b) 3., Stats., is entitled to continuous coverage under this section for life, unless sooner cancelled voluntarily or for non-payment of premiums. A suspension of coverage because of the operation of s. 40.05 (4) (b) or (be), Stats., does not affect this entitlement. The surviving spouse or surviving domestic partner may not add new dependents to this coverage.

Note: *Section 40.02 (25) (b) 3., Stats., defines the surviving spouse or domestic partner of an employee, or retired employee, as an "eligible employee" having, under rules to be promulgated by this department, the same right to health insurance coverage as the deceased employee or retired employee except without any state contribution. Section 40.05 (4) (b) and (be), Stats, concern the accumulated sick leave conversion credit benefit plan. It permits a surviving insured dependent to delay deductions from a deceased employee's accumulated sick leave conversion credits to pay for group health insurance under ch. 40, Stats., because the surviving insured dependent is covered by a health insurance plan or policy comparable to the standard plan during the period deductions are delayed. Health insurance coverage under ch. 40, Stats., is, in effect,*

suspended unless and until the dependent elects to reinstate coverage and resume the deductions from accumulated sick leave conversion credits.

(b) *Other surviving insured dependents.* The duration of coverage for other surviving insured dependents shall be established by the terms of the group health insurance contract approved by the group insurance board.

Section 13. ETF 41.02 (1) (a) is amended to read:

ETF 41.02 (1) (a) Provide employees and annuitants meaningful protection for themselves, their spouses, their domestic partners and their parents from the potentially catastrophic costs of financing long-term care;

Section 14. ETF 60.60 (8) (d) is amended to read:

ETF 60.60 (8) (d) An insured surviving spouse, domestic partner, or dependent child may not continue payment of premiums from the conversion account after the death of the insured but may elect, if otherwise eligible, to continue coverage as provided in s. ETF 40.01.

4. Adequacy of References to Related Statutes, Rules and Forms

In the list of statutes that authorize promulgation of this rule, s. 40.03 (2) (t), Stats., should be listed. It appears that this statute provides authority for s. ETF 20.10 (5).

5. Clarity, Grammar, Punctuation and Use of Plain Language

It is not clear if the notes in SECTIONS 4 and 6 should be printed in the Administrative Code or if they are just for the education of readers prior to promulgation.

Response to Legislative Council Staff Recommendations

ETF implemented all the Legislative Council staff recommendations.

List of Persons Appearing or Registering For or Against the Rules

No persons appeared at the hearing or registered for or against the rule at the public hearing on February 12, 2010.

Summary of Comments Received at the Public Hearing

No person testified concerning the rule. The record was held open for written comments until 4:30 on Friday, February 19, 2010, but ETF did not receive any written comments.

Modifications to Rule as Originally Proposed

No changes were made from the original proposal as a result of public comments.

Upon further consideration, ETF made one substantive change to the proposed rule in addition to the changes recommended by the Legislative Council Rules Clearinghouse staff. This change would provide a health insurance subscriber the flexibility to choose whether to cover a domestic partner under family coverage as provided by the health insurance contract, rather than that coverage being automatic if the subscriber has family coverage in force.

Modifications to Fiscal Estimate as Originally Proposed

No changes were made to the fiscal estimate in the original proposal.

Modifications to the Analysis Accompanying the Proposed Rule

No changes were made to the analysis accompanying the proposed rule.
