2021 Wisconsin Act 243
[2021 Assembly Bill 1025]

**Department of Military Affairs
Remedial Legislation**

2021 Wisconsin Act 243 is remedial legislation introduced by the Law Revision Committee, at the request of the Department of Military Affairs (DMA), and makes the following changes to laws administered by the department.

Obsolete Appropriation

The act repeals an obsolete appropriation for the purchase of emergency response equipment. The authority for DMA to make the purchase was valid only in fiscal year 1989-90.

Terminology Updates

The act changes statutory references from “material safety data sheets” to “safety data sheets” in order to reflect current practice by DMA. It also changes statutory references from “head of emergency management services” to “head of emergency management” to provide consistency throughout the emergency management statutes.
