2021 Wisconsin Act 244
[2021 Assembly Bill 1026]

**Department of Transportation
Remedial Legislation**

2021 Wisconsin Act 244 is remedial legislation introduced by the Law Revision Committee, at the request of the Department of Transportation (DOT), and makes the following changes to laws administered by the department.

Obsolete Vehicle Weight or Size Permit Fees

The act eliminates certain fees for permits issued by DOT for overweight or oversize vehicles to operate on a highway where the fees are no longer in effect.

Obsolete Motor Vehicle Emission Control Equipment Grant Program

The act eliminates an obsolete grant program for the purchase and installation of oxidation catalyst mufflers on school buses. DOT has expended all program funds and closed the program.

Highway Route Reference Inaccuracies

The act updates several incorrect references to highway routes along which specific motorist information signs may be erected.

Effective date: April 10, 2022
