2021 Wisconsin Act 81 [2021 Assembly Bill 132]

Immunization-Related Mail

2021 Wisconsin Act 81 requires government entities, public and private schools, certain day care providers, and health care providers, when sending mail, to ensure that any information that does either of the following is enclosed and sealed and not visible from the outside of the mail:

- Discloses a person's immunization status.
- Would otherwise allow someone to infer a person's immunization status.

Effective date: November 7, 2021
