2023 Wisconsin Act 66 [2023 Senate Bill 159]

DNR Habitat Work Plan

Under current law, the Department of Natural Resources (DNR) carries out various efforts relating to habitat management. 2023 Wisconsin Act 66 requires the department to prepare a biennial habitat work plan under which the department must establish priorities and goals for habitat work on DNR-managed lands and measure progress on established priorities and goals. Preparation of the habitat work plan must coincide with the state's biennial budget process, and DNR must annually report its progress on habitat work plan goals to the Natural Resources Board.

Effective date: December 8, 2023
