

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2005 Assembly Bill 63

**Assembly Amendments 1, 3,
6, and 7**

Memo published: February 23, 2005

Contact: Robert J. Conlin, Senior Staff Attorney (266-2298)

ASSEMBLY BILL 63

Assembly Bill 63 generally requires voters and persons registering to vote at the polls to present a photo identification card (i.e., a Wisconsin driver's license, a Wisconsin identification card issued by the Department of Transportation (DOT), or an identification card issued by a U.S. uniformed service) before being allowed to vote and before being allowed to register to vote at the polls. The bill also deletes the ability of persons to corroborate their eligibility to vote via another elector in the municipality.

ASSEMBLY AMENDMENT 1

Assembly Amendment 1 makes a number of modifications to the bill to correct incorrect cross-references, to incorporate consistent terminology, and to otherwise aid in the effectuation of the bill's intent by making other nonsubstantive changes. Those changes are described below. The changes are identified by the item number in the amendment.

Items 1, 2, and 21: Deletes the current law penalty for falsely corroborating another elector's information because the bill deletes the authorization to corroborate.

Item 3: Makes clear that when a person who is a qualified elector but who has been a resident of the state for less than 10 days, appears at the clerk's office or the polls to vote in a presidential election for president and vice president and provides identification under the bill that is not sufficient proof of residence, the person must also provide acceptable proof of residence.

Item 4: Deletes additional references to the corroboration process in current law that were inadvertently missed in the drafting of the bill.

Items 5 through 10: Changes the word “elector” to “person” for purposes of consistency with similar uses in the bill.

Item 11: Clarifies, in accordance with the intent of the bill, that poll workers must verify the name and address *stated* by the elector when appearing to vote as under current law, rather than the address provided on an identification card.

Item 12: Changes the title of a provision of the bill to provide consistency with the intent of the provision and to avoid inconsistency with defined terms under current law.

Items 13 and 19: Makes minor changes so that the bill consistently refers to “U.S. uniformed service.”

Item 14: Clarifies, that the *agent* of a hospitalized absent elector presents the identification document required for the elector to vote.

Item 15: Corrects an internal statutory reference.

Items 16 and 17: Deletes unnecessary internal statutory references.

Item 18: Corrects an internal statutory reference.

Item 20: Adds the word “valid” to “current identification card” to be consistent with other uses in the bill.

Items 22 and 23: Deletes an unnecessary reference to a statutory section that is not treated by the bill.

ASSEMBLY AMENDMENT 3

Assembly Amendment 3 authorizes an elector who is voting absentee and who is a resident of a nursing home, community-based residential facility, or retirement home to, instead of providing one of the forms of identification required under the bill, provide a statement signed by both special registration deputies that contains the name and address of the elector and verifies the name and address are correct. The statement must then be enclosed in the absentee ballot certificate envelope for return to the clerk.

ASSEMBLY AMENDMENT 6

Under the bill, a person who has had to surrender his or her driver’s license due to the receipt of a citation from a law enforcement officer in any jurisdiction within 60 days before the date of an election may be allowed to vote if he or she presents an original copy of the citation in lieu of his or her driver’s license.

Assembly Amendment 6 would extend the above-described provision to a person who has had to surrender his or her driver’s license due to the receipt of a “notice of intent to revoke or suspend” the person’s license. Presenting an original copy of such notice in lieu of a driver’s license would allow the person to vote.

ASSEMBLY AMENDMENT 7

Under current law, to facilitate voting by residents of nursing homes, qualified retirement homes, or qualified community-based residential facilities, the municipal clerk or board of election commissioners of each municipality in which one or more of these facilities are located must appoint at least two special voting deputies affiliated with different political parties, if available. Special voting deputies in each municipality are required, not later than 5 p.m. on the Friday preceding an election, to arrange one or more convenient times with the administrator of each facility to conduct absentee voting for the election. The timing may be no earlier than the fourth Monday preceding the election and no later than 5 p.m. on the Monday preceding the election. Upon visiting the facility at the designated time, the deputies are required to administer the oath and may, upon request of the elector who is requesting to vote absentee, assist the elector in marking or punching the elector's ballot. Upon request of the elector, a relative of the elector who is present in the room is also permitted to assist the elector in marking or punching the elector's ballot, but all voting must be conducted in the presence of the deputies. Upon completion of the voting, the deputies are required to promptly deliver, either personally or by first class mail, any absentee ballot applications and the sealed certificate-affidavit envelope containing each ballot to the clerk or board of election commissioners of the municipality in which the elector casting the ballot resides, within such time as will permit delivery to the polling place serving the elector's residence on election day.

As noted above, Assembly Amendment 3 authorizes persons voting in nursing homes, retirement homes, and qualified community-based residential facilities to, in lieu of providing one of the forms of identification specified in the bill, provide a statement signed by both special registration deputies verifying the person's name and address.

Assembly Amendment 7 amends current law and the bill to allow the above-described absentee voting procedures applicable to nursing homes, retirement homes, and qualified community-based residential facilities to also apply to qualified residential care apartment complexes and qualified adult family homes. Under the amendment, the municipal clerk may adopt those procedures for such complexes or homes if the clerk finds any of the following:

- A significant number of occupants of the complex or home lack adequate transportation to the appropriate polling place.
- A significant number of occupants of the complex or home may need assistance in voting.
- A significant number of occupants of the complex or home are 60 years of age or over.
- A significant number of occupants of the complex or home are "indefinitely confined electors."

If the municipal clerk does not send special voting deputies to a complex or home covered by the amendment, an occupant of such complex or home may, in lieu of providing a copy of required identification, submit with his or her absentee ballot a statement signed by the person who witnesses the voting of the ballot that contains: (1) the certification of the manager of the complex or home indicating that the elector resides in the complex or home and the complex or home is certified or registered as

required by law; (2) the name and address of the elector; and (3) a verification that the name and address are correct.

LEGISLATIVE HISTORY

Assembly Amendment 1 was offered by the Assembly Committee on Campaigns and Elections and was recommended for adoption by that committee unanimously. The Joint Finance Committee also recommended adoption of the amendment on a vote of Ayes, 16; Noes, 0. The amendment was adopted by the Assembly on a voice vote on February 22, 2005.

Assembly Amendment 3 was offered by the Joint Finance Committee and was recommended for adoption on a vote of Ayes, 16; Noes, 0. The amendment was adopted by the Assembly on a voice vote on February 22, 2005.

Assembly Amendment 6 was offered by Representative Stone and was adopted by the Assembly on a voice vote on February 22, 2005.

Assembly Amendment 7 was offered by Representatives Krusick and Stone and was adopted by the Assembly on a voice vote on February 22, 2005.
